Santo Domingo de Guzman R. A. Fernandez, Sto. Domingo de Guzmán Hipólito Sancho,1922 **Vida de Santo Domingo de Guzmán, fundador de la orden de Predicadores** Jordán (de Sajonia),1916 **El Salvador** Salvador Nunez,2021-05-25 Why El Salvador Hidden Truths In writing this book I propose to explore these Salvadoran histories pages hidden in dust which we have been denied by the economic power and its Governments since the time of the Spanish Invasion We have systematically been denied the truth of this history which is part of our being as the original peoples which belongs to us to our identity We have been robbed and badly treated for more than 528 years which has caused trauma and suffering across our lives And so I undertook to look beneath the debris of the past with its enigmas to find the truth in our past history from our ancestors colonization independence the first peoples uprisings genocide and ethnocide against our ancestors As well as crimes against humanity The role of the Catholic Church in the colonisation and imposition of Christianity and its Holy Inquisition I also want you to be prepared because in this book you will encounter many surprises and facts which are going to collide with your beliefs and notions of being human I am not talking about to be Christians because that is much deeper But of the cruelty of the Spanish conquerors with the lies and falsehoods with which the Salvadorans have been educated Honour and Glory brothers and sisters Nahuas Maya Lencas Chortis Pocomames Xincas Kakawiras Chorotegas and Izalcos who offered their blood for us and future generations This Lent without resurrection to which our ancestors were subjected to began with the Spanish Invasion and has continued till this day in 2020 What you will find in the following pages are not sweet nor cheap announcements from the Salvadoran power base in its communication mediums Newspaper Television digital media and many other lying media For the first time there are voices of our ancestors in the presence of our current generations the grandfathers and grandmothers the young and their actual leaders **A Visual Catalog of Sixteenth Century Central Mexican Doctrinas** Fernando Esparragoza Amador,Robert H. Jackson,2017-06-20 The Spanish conquest of central Mexico in 1521 set in motion an evangelization campaign to convert the large indigenous populations to Catholicism Franciscans Dominicans and Augustinians participated in the first stages of this campaign The missionaries established doctrinas missions in many indigenous communities and during the sixteenth century directed the construction of new sacred complexes often on the site of pre Hispanic temples Many of the convent complexes still survive in various states of conservation This Visual Catalog offers historical data regarding the convent complexes as well as an extensive collection of photographs of the surviving buildings murals and design elements and documents the Franciscan doctrinas In the 1580s Fray Antonio de Ciudad Real O F M accompanied the Comisario General Fray Alonso Ponce O F M on an inspection of the Franciscan installations in central Mexico and Central America The book reproduces his descriptions of the Franciscan missions and is accompanied by photographs of the convent complexes It also documents the Dominican and Augustinian doctrinas and discusses selected Jesuit colegios and missions in Mexico The Jesuits first arrived

Ching,2014-01-15 In December 1931 El Salvador's civilian president Arturo Araujo was overthrown in a military coup Such an event was hardly unique in Salvadoran history but the 1931 coup proved to be a watershed Araujo had been the nation's first democratically elected president and although no one could have foreseen the result the coup led to five decades of uninterrupted military rule the longest run in modern Latin American history Furthermore six weeks after coming to power the new military regime oversaw the crackdown on a peasant rebellion in western El Salvador that is one of the worst episodes of state sponsored repression in modern Latin American history Democracy would not return to El Salvador until the 1990s and only then after a brutal twelve year civil war In Authoritarian El Salvador Politics and the Origins of the Military Regimes 1880-1940 Erik Ching seeks to explain the origins of the military regime that came to power in 1931 Based on his comprehensive survey of the extant documentary record in El Salvador's national archive Ching argues that El

Salvador was typified by a longstanding tradition of authoritarianism dating back to the early to mid nineteenth century The basic structures of that system were based on patron client relationships that wove local regional and national political actors into complex webs of rival patronage networks Decidedly nondemocratic in practice the system nevertheless exhibited highly paradoxical traits it remained steadfastly loyal to elections as the mechanism by which political aspirants acquired office and it employed a political discourse laden with appeals to liberty and free suffrage That blending of nondemocratic authoritarianism with populist reformism and rhetoric set the precedent for military rule for the next fifty years **Rick**
