Sarah Bernhardt Gerda Taranow, 1972 **The Art Within the Legend** Gerda Taranow, 1972 **Women as Hamlet** Tony Howard, 2007-02-22 A study of actresses playing the role of Hamlet on stage and screen *Seeing Sarah Bernhardt* Victoria Duckett, 2015-10-15 The most famous stage actress of the nineteenth century Sarah Bernhardt enjoyed a surprising renaissance when the 1912 multi reel film *Queen Elizabeth* vaulted her to international acclaim The triumph capped her already lengthy involvement with cinema while enabling the indefatigable actress to reinvent herself in an era of technological and generational change Placing Bernhardt at the center of the industry's first two decades Victoria Duckett challenges the perception of her as an anachronism unable to appreciate film's qualities Instead cinema's substitution of translated title cards for her melodic French deciphered Bernhardt for Anglo American audiences It also allowed the aging actress to appear in the kinds of longer dramas she could no longer physically sustain onstage As Duckett shows Bernhardt contributed far more than star quality Her theatrical practice on film influenced how the young medium changed the visual and performing arts Her promoting of experimentation meanwhile shaped the ways audiences looked at and understood early cinema A leading edge reappraisal of a watershed era *Seeing Sarah Bernhardt* tells the story of an icon who bridged two centuries and changed the very act of watching film **The Arts of the Prima Donna in the Long Nineteenth Century** Rachel Cowgill, Hilary Poriss, 2012-07-12 Female characters assumed increasing prominence in the narrative of 19th and early 20th century opera This book shines a light on the singers who created and inhabited these roles the flesh and blood women who embodied these fabled doomed women onstage before an audience **Disruptive Acts** Mary Louise Roberts, 2017-03-15 In fin de siècle France politics were in an uproar and gender roles blurred as never before Into this maelstrom stepped the new women a group of primarily urban middle class French women who became the objects of intense public scrutiny Some remained single some entered nontraditional marriages and some took up the professions of medicine and law journalism and teaching All of them challenged traditional notions of womanhood by living unconventional lives and doing supposedly masculine work outside the home Mary Louise Roberts examines a constellation of famous new women active in journalism and the theater including Marguerite Durand founder of the women's newspaper *La Fronde* the journalists Sverine and Gyp and the actress Sarah Bernhardt Roberts demonstrates how the tolerance for playacting in both these arenas allowed new women to stage acts that profoundly disrupted accepted gender roles The existence of *La Fronde* itself was such an act because it demonstrated that women could write just as well about the same subjects as men even about the volatile Dreyfus Affair When female reporters for *La Fronde* put on disguises to get a scoop or wrote under a pseudonym and when actresses played men on stage they demonstrated that gender identities were not fixed or natural but inherently unstable Thanks to the adventures of new women like these conventional domestic femininity was exposed as a choice not a destiny Lively sophisticated and persuasive *Disruptive Acts* will be a major work not just for historians but also

The Wall Street Journal In a hundred year period a handful of men and women changed the world Many of them are well known Marx Freud Proust Einstein Kafka Others have vanished from collective memory despite their enduring importance in our daily lives Without Karl Landsteiner for instance there would be no blood transfusions or major surgery Without Paul Ehrlich no chemotherapy Without Siegfried Marcus no motor car Without Rosalind Franklin genetic science would look very different Without Fritz Haber there would not be enough food to sustain life on earth What do these visionaries have in common They all had Jewish origins They all had a gift for thinking in wholly original even earth shattering ways In 1847 the Jewish people made up less than 0.25% of the world's population and yet they saw what others could not How

Why Norman Lebrecht has devoted half of his life to pondering and researching the mindset of the Jewish intellectuals writers scientists and thinkers who turned the tides of history and shaped the world today as we know it In *Genius Anxiety* Lebrecht begins with the Communist Manifesto in 1847 and ends in 1947 when Israel was founded This robust magnificent beautifully designed volume is an urgent and moving history The Spectator UK and a celebration of Jewish genius and contribution

Nureyev Julie Kavanagh, 2011-10-12 Rudolf Nureyev had it all beauty genius charm passion and sex appeal No other dancer of our time has generated the same excitement for both men and women on or off the stage With Nureyev The Life Julie Kavanagh shows how his intense drive and passion for dance propelled him from a poor Tatar peasant background to the most sophisticated circles of London Paris and New York His dramatic defection to the West in 1961 created a Cold War crisis and made him an instant celebrity but this was just the beginning Nureyev spent the rest of his life breaking barriers reinventing male technique crashing the gates of modern dance iconoclastically updating the most hallowed classics and making dance history by partnering England's prima ballerina assoluta Margot Fonteyn a woman twice his age He danced for almost all the major choreographers Frederick Ashton George Balanchine Kenneth MacMillan Jerome Robbins Maurice B. Jart Roland Petit his main motive he claimed for having left the Kirov But Nureyev also made it his mission to stage Russia's full length masterpieces in the West His highly personal productions of Swan Lake The Nutcracker Raymonda Romeo and Juliet and La Bayadere are the mainstays of the Paris Opera Ballet repertory to this day An inspirational director and teacher Nureyev was a Diaghilev like mentor to young protégés across the globe from Karen Kain and Monica Mason now directors themselves to Sylvie Guillem Elisabeth Platel Laurent Hilaire and Kenneth Greve Sex as much as dance

was a driving force for Nureyev From his first secret liaison in Russia to his tempestuous relationship with the great Danish dancer Erik Bruhn we see not only Nureyev s notorious homosexual history unfold but also learn of his profound effect on women whether a Sixties wild child or Jackie Kennedy and Lee Radziwill or the aging Marlene Dietrich Among the first victims of AIDS Nureyev was diagnosed HIV positive in 1984 but defied the disease for nearly a decade dancing directing the Paris Op ra Ballet choreographing and even beginning a new career as a conductor Still making plans for the future Nureyev finally succumbed and died in January 1993 Drawing on previously undisclosed letters diaries home movie footage interviews with Nureyev s inner circle and her own dance background Julie Kavanagh gives the most intimate revealing and dramatic picture we have ever had of this dazzling complex figure NOTE This edition does not include photos *The Biography Book* Daniel S.
