Sarah M Peale Americas First Woman Artists:

Sarah M. Peale America's First Woman Artist Joan King, 2012-07-10 Practically every member of the Peale family contributed to America's early art and culture and Sarah Peale was the first woman artist to have made a living from her work. Having learned to paint from her renowned father, she painted several famous people including Lafayette, Andrew Jackson, Thomas Hart Benson, and Daniel Webster. Sarah was a passionate woman bent on being successful as an artist. She was also a woman of strong passion with a will to love and to be in love. Though unmarried, she nevertheless loved her men fiercely. As a respected artist in Baltimore and in Washington, Sarah can truly be considered America's first woman professional artist, her art work continuously being in demand during her days and now hanging on the walls of prominent American museums.

American Paintings at Harvard Theodore E. Stebbins, Melissa Renn, 2008-01-01 This volume features nearly 500 paintings, watercolors, pastels, and miniatures from Harvard University's storied yet little-known collection of American art. These works, many unpublished, are drawn from the Harvard Art Museums, the University Portrait Collection, the Peabody Museum of Archaeology and Ethnology, and other entities and date from the early colonial years to the mid 19th century. Highlights include a rare group of 17th-century portraits along with important paintings by Robert Feke, John Singleton Copley, Charles Willson Peale, Gilbert Stuart, and Washington Allston, in addition to works depicting western and Native American subjects by Alexandre de Batz, Henry Inman, and Alfred Jacob Miller, among others. Each work is accompanied by scholarly commentary that draws on extensive new research as well as a complete exhibition and reference history. An introduction by Theodore E. Stebbins Jr. describes the history of the collection. Lavishly illustrated in color, this compendium is a testament to the nation's oldest collection of American art and an essential resource for scholars and collectors alike.

A Paris Life, A Baltimore Treasure Stanley Mazaroff, 2018-04-25 An elegantly written account of all facets of the life and career of George A. Lucas of Belle époque Paris and Gilded Age America. Inge Reist, Director Emeritus of The Frick Collection's Center for the History of Collecting, writes: "In 1857, young Baltimorean George A. Lucas arrived in Paris where he established an extensive personal network of celebrated artists and art dealers, becoming the quintessential French connection for American collectors. The most remarkable thing about Lucas was not the art that he acquired for his clients but the massive collection of 18,000 paintings, drawings, sculptures, and etchings, as well as 1,500 books, journals, and other sources about French artists that he acquired for himself. Paintings by Cabanel, Corot, and Daubigny; prints by Whistler, Manet, and Cassatt; and portfolios of information about hundreds of French artists filled his apartment and spilled into the adjacent flat of his mistress. Based primarily on Lucas's notes and diaries, as well as thousands of other archival documents, *A Paris Life, A Baltimore Treasure* is a richly illustrated portrayal of Lucas's fascinating life as an agent, connoisseur, and collector of French mid-nineteenth-century art. And as revealed in the book, following Lucas's death, his enormous collection continued to have a vibrant life of its own when, in 1990, Baltimore's Maryland Institute proposed to auction or otherwise sell the collection."

It rose from obscurity reached new glory as an irreplaceable cultural treasure and became the subject of an epic battle fought in and out of court that captivated public attention and enflamed the passions of art lovers and museum officials across the nation Mazaroff has thoughtfully recreated the legacy of one of America's best documented late nineteenth century French art collections Doreen Bolger Director Emeritus The Baltimore Museum of Art [Women Artists News](#), 1988
