Christopher D Johnson,2017-07-14 A Political Biography of Sarah Fielding provides the most complete discussion of Fielding s works and career currently available Tracing the development of Fielding s artistic and instructive agendas from her earliest publications forward Johnson presents a compelling portrait of a deeply read author who sought to claim a place within literary culture for women s experiences As a practical didacticist Fielding sought to teach her readers to live happier more fulfilling lives by appropriating and at times resisting the texts that defined their culture While Fielding often retreats from the overtly political concerns that captured the attention of her contemporaries her works are daring forays into the public sphere that both challenge and reinforce the foundations of British society Giving voice to those who have been

marginalized Fielding's creative productions are at once conservative and radical revealing her ambiguous appreciation for tradition her fears of modernity and her abiding commitment to women who must live within forever imperfect worlds

**The Sexual History of London** Catharine Arnold, 2024-05-01 A vibrant chronicle of London and sex through the ages from Roman Londinium's bath houses to the sexual underground of the twentieth century and beyond For more than a thousand years England's capital has been associated with desire avarice and the sins of the flesh Richard of Devizes a monk writing in 1180 warned that every quarter abounds in great obscenities As early as the second century AD London was notorious for its raucous festivities and disorderly houses and throughout the centuries the bawdy side of life has taken easy root and flourished In The Sexual History of London award winning popular historian Catharine Arnold turns her gaze to London's relationship with vice through the ages London has always traded in the currency of sex Whether pornographic publishers on Fleet Street or courtesans parading in Haymarket its streets have long been witness to colorful sexual behavior In an accessible entertaining style Arnold takes us on a journey through the fleshpots of London from earliest times to present day Here are buxom strumpets louche aristocrats popinjay politicians and Victorian flagellants all vying for their place in London's league of licentiousness From sexual exuberance to moral panic the city has seen the pendulum swing from Puritanism to hedonism and back again With latter chapters looking at Victorian London and the sexual underground of the twentieth century this is a fascinating history of London at its most raw and ribald A fascinating account of lust of vice Marie Claire An extensive survey of 2000 years worth of amorous activities the British capital has a particularly randy past Huffington Post

**Capitalism's Sexual History** Nicola J. Smith, 2020-08-27 As ongoing controversies over commercial sex attest the relationship between capitalism and sexuality is deeply contentious Economic and sexual practices are assumed to be not only separable but antithetical hence why paid sex is so often criminalized and morally condemned Yet while sexuality is highly politicized in moral terms it has largely been overlooked in the discipline devoted to the study of global capitalism international political economy IPE Likewise the prevailing field in sexuality studies queer theory has frequently sidelined questions of political economy This book calls for critical scholarship to challenge the economy sexuality dichotomy as it not

only structures disciplinary debates but is part and parcel of capitalism itself Capitalism's Sexual History brings IPE and queer theory into close dialogue to explore how the division between economy and sexuality has been historically produced to appear both natural and moral By examining sex work in Britain Nicola J Smith draws on in depth archival research to chart a history of capitalism's sexual relations from medieval times to the present day She shows how capitalist development was made possible by the appropriation of unpaid sexual labor that relied in turn on the repression and production of paid sex By tracing the historical construction of boundaries around sex and work this book exposes how capitalism has long profited from the notion that the sexual and economic spheres can and must be kept apart In so doing it offers a distinctive contribution to the study of sex and work as well as to wider scholarly activist and policy debates about political economy reproductive labor gender equality and sexual justice Children, Sexuality, and the Law Sacha M. Coupet, Ellen Marrus, 2015-05-22 American political and legal culture is uncomfortable with children's sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation **Sexual Rights in America** Paul R. Abramson, Steven D. Pinkerton, Mark Huppert, 2003-08 Using concrete examples such as prostitution and phone sex this book illustrates the scope and limitations of 9th amendment sexual rights Sarah Waters: Gender and Sexual Politics Claire O'Callaghan, 2017-01-26 Sarah Waters Gender and Sexual Politics uniquely brings together feminist and queer theoretical perspectives on gender and sexuality through close analysis of works by Sarah Waters This timely study examines topics ranging from heterosexuality homosexuality masculinities femininities sex pornography and the cultural effects of othering and domination across her work The book covers each of Waters's published novels to date including Tipping the Velvet Fingersmith and The Paying Guests and also considers her non fiction and academic writing as well as the television adaptations of her texts O Callaghan situates Water's writing as an important textual space for the examination of

contemporary gender and sexuality studies and locates her as an astute commentator and contributor to twenty first century gender and sexual politics *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., Received document entitled EXHIBITS TO PETITION FOR WRIT *Alternative Approaches To the Study of Sexual Behavior* Donn Byrne, Kathryn Kelley, 2022-10-10 First published in 1986 This book focuses on a multiciliary approach to studying sexual behavior It purports that biosexual sociosexual and psychosexual research can be combined within a single framework as they are complementary rather than in conflict and together they provide an integrative picture of human sexual functioning Law, Legend, and Incest in the Bible Calum M. Carmichael, 1997 Interpreting the perennially perplexing sexual regulations of Leviticus 18:20 in a radically new way Calum M Carmichael offers a key to understanding not only the texts themselves but also the nature of lawgiving throughout the Pentateuch Carmichael identifies and offers solutions to puzzles such as why the lawgiver explicitly prohibits certain obviously wrongful acts such as a son's intercourse with a mother but not others such as full brother with sister why he censures children instead of adults in taboo couplings and why rules not connected with incest prohibiting Molech worship and intercourse with a menstruating woman are included with rules about incest Reading these laws against the events described in Genesis Carmichael asserts that the conduct of biblical ancestors from Lot's fathering of children with his daughters to Abraham's marriage to his half sister was the inspiration for the incest rules in Leviticus He maintains that the Levitical codes cannot be separated from their larger narrative framework Invaluable for biblical interpretation Carmichael's approach also has broader applications clarifying as it does the tendency of lawmakers to formulate general rules in response not to obvious but rather to idiosyncratic problems *Materializing Democracy* Russ Castronovo, Dana D. Nelson, 2002-06-21 Investigates the complex histories and conflicting desires that are generally concealed behind the term democracy **The Sinners All Bow** Kate Winkler Dawson, 2025-01-07 Acclaimed journalist podcaster and true crime historian Kate Winkler Dawson tells the true story of the scandalous murder investigation that became the inspiration for both Nathaniel Hawthorne's *The Scarlet Letter* and the first true crime book published in America On a cold winter day in 1832 Sarah Maria Cornell was found dead in a quiet farmyard in a small New England town When her troubled past and a secret correspondence with charismatic Methodist minister Reverend Ephraim Avery was uncovered more questions emerged Was Sarah's death a suicide or something much darker Determined to uncover the real story Victorian writer Catharine Read Arnold Williams threw herself into the investigation as the trial was unfolding and wrote what many claim to be the first American true crime narrative Fall River The murder divided the country and inspired Nathaniel Hawthorne's *The Scarlet Letter* but the reverend was not convicted and questions linger to this day about what really led to Sarah Cornell's death Until now In *The Sinners All Bow* acclaimed true crime historian Kate Winkler Dawson travels back in time to nineteenth century small town America emboldened to finish the work Williams started nearly two centuries before Using modern investigative advancements including forensic knot analysis and criminal profiling which was

invented fifty five years later with Jack the Ripper Dawson fills in the gaps of Williams s research to find the truth and bring justice to an unsettling mystery that speaks to our past as well as our present anchored by three women who subverted the script they were given

**The Spirit of Biblical Law** Calum M. Carmichael,1996 In this study of the nature and sources of biblical law Calum Carmichael focuses on the intimate and little appreciated relationship between two components of the Bible namely that the legal material represents a form of commentary or extended exposition of the narratives Approaching his topic from the basic premise that any society s laws do not necessarily relate to its practical problems Carmichael challenges the long prevailing view that the body of biblical laws and ethical rules grew up in piecemeal fashion over many centuries in reaction to specific social problems as they arose Rather the laws are a work of historical reconstruction redacted during one relatively concentrated period by Deuteronomic and Priestly lawgivers

*What is Sexual History?* Jeffrey Weeks,2016-06-10 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The

emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault's work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments

*Any Resemblance to Actual Persons* Hal Erickson, 2017-11-28 Most film buffs know that Citizen Kane was based on the life of publisher William Randolph Hearst But few are aware that key characters in films like Double Indemnity Cool Hand Luke Jaws Rain Man A Few Good Men and Zero Dark Thirty were inspired by actual persons This survey of a clef characters covers a selection of fictionalized personalities beginning with the Silent Era The landmark lawsuit surrounding Rasputin and the Empress 1932 introduced disclaimers in film credits assuring audiences that characters were not based on real people even when they were Entries cover screen incarnations of Wyatt Earp Al Capone Bing Crosby Amelia Earhart Buster Keaton Howard Hughes Janis Joplin and Richard Nixon along with the inspirations behind perennial favorites like Charlie Chan and Indiana Jones

**London, Queer Spaces and Historiography in the Works of Sarah Waters and Alan Hollinghurst** Júlia Braga Neves, 2022-10-07 Queer spaces are crucial for the construction of LGBTQ communities as they constitute places where queer subjects can create political social and affective alliances J lia Braga Neves shows how these spaces are pivotal for the representation of queer history in the fictional works by the British authors Sarah Waters and Alan Hollinghurst whose characters and plots are articulated through and within London's sexual geographies Considering the intersection between gender sexuality and class this study engages with spatial queer feminist and Marxist theories as a means to reflect on London queer historiography and the relationship between subject and urban space

Sarah A Sexual Biography: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Sarah A Sexual Biography : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sarah A Sexual Biography : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sarah A Sexual Biography : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
