Doug Pratt's DVD Douglas Pratt, 2004-10 The ultimate

guide to DVD by the world's leading authority on the medium **Giacomo Puccini** Roger Flury, 2012-06-21 Opera recordings have been with us since the creation of the first wax cylinders. Now at a time when the 25 year reign of the compact disc appears to be coming to an end is the moment to take stock of the history of recordings of arguably the most popular composer of operas Giacomo Puccini. In *Giacomo Puccini: A Discography* librarian and music historian Roger Flury looks at each opera chronologically from *Le Villi* to *Turandot* followed by sections on Puccini's instrumental chamber orchestral and solo vocal works. Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase. This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters ensuring that the audio recording history of Puccini is free of gaps. Video and DVD issues whether of staged performances or excerpts in concert are not included unless they have been issued in a sound only format. This volume brings together information on nearly 10 000 recordings of Puccini's music. It provides a comprehensive overview of the recorded history of the composer's works and serves as a useful guide for the transfer of recordings from one format to another.

Sondheim on Music Mark Eden Horowitz, 2010-09-20 Stephen Sondheim is widely regarded as the most important composer and lyricist of musical theater in the second half of the 20th century. As a natural teacher thoughtful and opinionated Sondheim discusses the art of musical composition lyric writing the collaborative process of musical theater and how he thinks about his own work. Where the first edition focused particularly on six shows *Passion Assassins* *Into the Woods* *Sunday in the Park with George* *Sweeney Todd* and *Pacific Overtures* this second edition presents a new chapter that discusses Sondheim's entire career. Several shows that were not discussed previously are explored here including *A Funny Thing Happened on the Way to the Forum* *Merrily We Roll Along* *Company* *Follies* *Anyone Can Whistle* and *A Little Night Music* as well as thoughts about the recent film adaptation of *Sweeney Todd*. The book also features an entire chapter on *Bounce* the previous incarnation of his latest musical *Road Show*.
