Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here *Saratoga Payback* Stephen Dobyns,2017 Ever since the cops revoked his private investigator s license Charlie Bradshaw has been adjusting to life as a regular senior citizen But reading sitting around the house and making amateur home repairs is a far cry from his past life as Saratoga Springs most successful everyman detective So when Charlie discovers the sprawled corpse of Saratoga Springs biggest nuisance on his sidewalk the ex P I is torn Should he risk asking questions of his own knowing he could easily be prosecuted for doing P I work without a license Or should he avoid the trouble and spend his twilight years in peace *Gender, Work, and Harness Racing* Elizabeth Anne Larsen,2014-11-19 While gender equality has progressed in many sports since the second wave of the feminist movement in terms of women s inclusion participation and success harness horse racing has been recalcitrant to change *Gender Work and Harness Racing Fast Horses and Strong Women in Southwestern Pennsylvania* investigates the stories of women involved in harness racing to expose how they use the uniqueness of their situation to work for positive change With stirring accounts of
