Thomas 1795-1881 Carlyle,2016-08-27 Sartor Resartus: The Life and Opinions of Herr Teufelsdröckh Thomas Carlyle,2019-11-19 In Sartor Resartus The Life and Opinions of Herr Teufelsdröckh Thomas Carlyle weaves a complex tapestry that combines satire philosophy and social critique The narrative presented as a commentary on the fictitious philosopher Teufelsdröckh s doctrines delves into the nature of clothing as a metaphor for human existence and societal norms Carlyle s literary style is characterized by his rich allegorical language and profound insights into the human condition reflecting the turbulent sociopolitical landscape of the early 19th century particularly the impact of the Industrial Revolution and the philosophical tenets of German idealism Carlyle a Scottish historian and essayist was profoundly influenced by his own struggles with modernity materialism and the question of individuality amidst societal change His tumultuous relationship with the emerging industrial capitalist society fueled his philosophical inquiries which are central to Sartor Resartus This work exemplifies his critical perspective on the superficiality of contemporary life and the deeper quest for meaning that he believed was crucial for humanity This book is highly recommended for readers seeking a thought provoking exploration of existential themes and the critique of modernity It is especially resonant for those who appreciate a blend of erudition and wit as Carlyle s narrative challenges readers to reflect upon their own beliefs and the fabric of society itself

Sartor Resartus: ...the Life and Opinions of Herr Teufelsdröckh - The Three Books, Complete with Appendix Thomas Carlyle,2018-08-27 Sartor Resartus is a parody novel about a German philosopher though intended to be comic it contains many of Thomas Carlyle s most poignant philosophic thoughts First published in 1836 the text is richly contemplative and biographical in tone claiming to be an account of the formative years of Diogenes Teufelsdröckh a fictional German philosopher whose name translates to god born devil dung His long winded musings are the subject of scrutiny by a sceptical English editor who himself has at hand some biographical insights Designed as a send up of German Idealism Sartor Resartus is itself a philosophic work and an ambitious literary exercise The commentary that one should become religious due to the very existence of meaning and the ability to disdain evil led many commentators to appraise the text as existential

Sartor Resartus Thomas Carlyle,2002 This extraordinary work is at one and the same time an account of a personal spiritual crisis and a hilarious spoof on academic learning early Victorian values and materialism In Sartor Resartus the tailor retailed a fictitious editor retells the theories of an equally fictitious German professor who has come to the conclusion that human institutions and morals are only clothes to shield us from nothingness clothes that can be changed as the whims of the age or fashion dictate This radically deconstructive vision reveals the very highest symbols of belief for what they are merely symbols How to believe in anything after such an insight is a question even more acute today than it was in Carlyle s time when he first asked it in this masterpiece of invention parody and profound laughter This Canongate Classics edition incorporates illustrations by Edmund Sullivan reproduced as they appeared in the 1898 edition of the text Also included is the notable Emerson preface to the original American edition and an incisive specially commissioned introduction from Alasdair Gray
