White Flag? Michael Ashcroft, Isabel Oakeshott, 2018-10-02

FOREWORD BY GENERAL SIR MIKE JACKSON After the pain of Iraq and Afghanistan it is hard to imagine the UK being drawn into another war Defence chiefs warn that there is a real prospect of future conflict but they have struggled to persuade most politicians to take them seriously Our leaders have concluded there are no votes in defence and have progressively run down the armed forces Today the army is at its smallest since the Napoleonic Wars the RAF is less than half its size twenty five years ago and the Royal Navy will struggle to muster the ships and weapons required to protect our new aircraft carriers Is there really a risk of war Is our military less capable and if so what could that mean for our future White Flag explains what has happened to our armed forces in recent years and asks whether their decline endangers our safety and prosperity

full support to Charles de Gaulle whom he mistrusted and declined to supply the timing location and other key details of Operation Overlord to his Free French government Eisenhower's hands were tied He needed to involve the French but without simultaneously involving them in operational planning Into this atmosphere of tension and confusion jumped teams consisting of three officers each one from the British Special Operations Bureau one from the U S Office of Strategic Services one from the Free French Bureau Central de Renseignement as well as a radioman from any one of the three nations Known as the Jedburghs their primary purpose was to serve as liaisons to the maquis working to arm train and equip them They were to incite guerilla warfare Benjamin Jones Eisenhower's Guerrillas is the first book to show in detail how the Jedburghs whose heroism and exploits have been widely celebrated and the maquis worked together Underscoring the critical and often overlooked role that irregular warfare played in Allied operations on the Continent it tells the story of the battle for and liberation of France and the complexities that threatened to undermine the operation before it even began
