Sat See You At The Top:

See You at the Finish Line Zac Hammett, 2025-09-02 Heartthrob George wants to prove he's smart enough to graduate. Nerdy Lucas wants to finally ask his crush out. They strike a deal to get what they want but they may accidentally splash into a row race together in this queer sports rom com. George and Lucas can't stand each other which makes it very awkward being on the same Cambridge University rowing team. The uber charming all-American George got accepted at Cambridge for his sporting prowess not his subpar grades. Economics whizz and sarcasm expert Lucas meanwhile works hard for everything he's got which sadly does not include a boyfriend. When the news leaks that George receives academic preferential treatment, Cambridge couldn't lose their star athlete after all. He's told he must actually study this year to pass his exams. That's when he zeroes in on Lucas for help. Lucas agrees but on one condition: George will teach Lucas his lothario ways so he can finally seduce his long-time crush, Amir. But soon they're in way over their heads seducing and cheating their way to what they want. As they face rivals within their own squad and cutthroat competitors at Oxford, they find themselves unexpectedly becoming closer. What happens when your worst enemy may just be who you needed all along. **Say You Will** Eric Walters, 2015-05-19 A funny heartfelt novel about one high school boy's quest for a prom date perfectly timed for the surge in realistic YA. Sam is not exactly what you'd call a regular guy while his IQ is stratospheric, his social skills don't quite rank as high, and his dating history well, there's no history to speak of yet. But Sam has set out to finally fit in. He's resolved to get some answers wrong in class to stop getting perfect marks on his assignments to get to know some people other than Ian and Brooke, his two closest okay-only friends, and find himself a prom date. And the prom is on everyone's mind. Sam's school has become swept up by promposals in other words, very elaborate, very public scenes in which someone is asked to the prom. Sam thinks he might have found the inspiration he needs to ask the girl dreams out for a perfect night at the prom as well as the unforgettable way to do it. *The Red Chill* Sandman, 2009-12-31 The book is based on a little Maine town that never has anything happen. One day a child is found dead and pulled apart; the locals fear a wild dog or something larger did it. The local cops and his friends hunt down this animal and almost a few times became the hunted. The book is made to keep you guessing right till the end and will get you thinking in many different ways. The main character, Dannie, falls in love with a man and she has dreams that are bugging her until she finds they are a calling from God to save the little town and its people. Lots of thrills and chills will make you sad, happy, angry. The book was fun to write and even made me want to read it more than once. **Earth is Hiring** Peta Kelly, 2018-01-31 Is hustle and grind really the message of The New Way? Is financial freedom really what it's about? Is living life on our terms really the summit of this mission? Is The New Way about becoming more successful than our generations before us? This book is a conversation about The New Way to Live, Lead, Earn, and Give. It is a collection of insights and ideas about how we can and how we are changing the world. It's an invitation to the New Superheroes, the people all over the world who give a sh*t about each other and our earth to lighten up in our work as

Game Changers It's a time stamp so that our kids and their kids can read it and say oh so that's what you were growing through back then The New Way is not just about having more money at the end of the month Success as we'd been taught isn't sufficient Success to our generation looked and felt completely different to what it looked and felt like to generations before us We millennials do not thrive off gains in a capitalist society The religious separation that our parents generation know is torturing our hearts Our planet isn't a place for us to holiday but a place of permanent residence with the requirement that we nurture and love our Mother Earth as our one collective mother There is no top when it comes to leadership but instead we're all about the power of tribe We don't care to move forward at lightning speed but would rather to stop and go back to our indigenous roots and ensure that ancient wisdoms are never forgotten Taking care of our brothers and sisters who are without basic necessities is the only way we all win Play is everything We're here to change the world but we've gotta stop taking it so seriously We're here to use our talents and abilities to create epic shit but we've gotta stop missing the point along the way It's time for us to thrive like no generation before us ever has It's time for us to show the world how good it's really meant to be This book is for the millennial conscious leaders and entrepreneurs those ushering in the new paradigm through their work art businesses leadership
