Miller, 2011-04-15. We see many devotional books written today with hopes of getting God's children to be a devout servant. The church has many spiritual anemic members living day after day on a poor diet of the Holy Scriptures. The idea to write a devotional book came to me under the power of the Holy Spirit. The devotional thoughts with lagniappe came as I gave myself fully to my Lord. Under His leadership I moved forward in obedience to share my love for the lost and never once had difficulty writing with Parkinson's. Very few people knew how to spell lagniappe while most everyone knew what it meant and enjoyed the practice of giving or receiving the small extra gift. These devotional thoughts are written in a simple way so to appeal and be understood by all age groups. There is nothing complicated about the love of God. Share the lagniappe with a hug, smile, tender touch, kindness, small gifts and love. **How to Grow Your Heart's Garden for God** Jonathan Martin, 2016-11-09. We all know that life can be hard and working in the garden and trying to grow a garden is hard work. In our lives if we want to grow spiritually closer to God it takes work and effort in each of our hearts. The truth that God gives us is from his Word. It is the seeds that we need to plant in our lives and be willing to accept. The seed has to have water so it can grow. We need the active working of God in our lives so the truth can come alive in our lives. As we grow we need be close to God's will in our lives in the light of His will for our lives so we can continue to grow for him. As God prepares us to do his work we must be rooted in the foundational truths that God has for us in his Word. Like a garden we have to be aware of the dangers that come in and can contaminate our effectiveness for God. All the steps that we need to take so that we might be fruitful for God to have a final product that is worthy before God when one day we meet him. I hope that you will take the journey and see that you too can have a beautiful garden for God. **Positive Life Principles for Women** Karol Ladd, 2013.
