## Satans Love Child:

**Satan's Love Child** Brian McNaughton, 1977      Satan's Child L. B. Frazier, 2011-03-24 Why do educated people allow others to manipulate them It is astonishing when people follow blindly without thinking for themselves Some believe everything they read or allow others to tell them how to think and feel Although this is a fictional story it was based on a true but bizarre occurrence SATAN S CHILD is a story of a small child who was murdered by her mother and of how god fearing people allowed this to occur This is a story about a sociopathic woman who the local church tried to save from the clutches of Satan only to be manipulated by her into believing a child has to die to earn them glory with God Sue Vaughn the mother of six year old namesake Susie Vaughn falls in love with her dentist and sets out to get him The dentist who is a womanizer sets about to draw Sue into his church Together they manipulate the towns people and use them for their own gains Moral corruption runs amuck through the small town      *Satan, You Can't Have My Children* Iris Delgado, 2011 Describes how to protect ones children from the temptations of Satan by tapping into the supernatural power of the Holy Spirit establishing an attitude of peace in the home and destroying demonic strongholds      Why Satan Hates Love LeRoy A. Martin, 2011-12-12 Even in todays complicated and often uncertain world God still works in the lives of the faithful Yet despite the incredible power of Gods love Satan still makes his presence known through selfishness greed and temptation In *Why Satan Hates Love* author LeRoy Martin relies on personal anecdotes the stories of others and his own ideas to share his comprehensive study of the Christian faith and Satanism As he looks at why some marriages work and others do not Martin explains the differences between couples who allow the devil to control their relationship and those who allow Jesus into their hearts and realize that it is their commitment to the marriage that makes it successful Martin also delves into the reasons why we can trust and have confidence in Gods judgment why we need to understand that Satan is a fallen angel and why it is important to know and understand Gods plan for our lives God is here for us The spiritual wisdom provided in *Why Satan Hates Love* proves that all we have to do is open our hearts and accept His love      **SATAN'S UNDERGROUND** Lauren Stratford, 1991-07-31 Lauren Stratford s story is one that everyone needs to read though it deals with a subject most of us would rather not discuss a subject that for many is too horrendous even to believe Lauren Stratford lived a life of unending nightmares As a small child she was offered sexually to strange men Soon after she was forced into a torturous routine of pornography was controlled by mind and body altering drugs and constantly received threats to her life Though she sought help several times from adults she thought could be trusted with her secrets no one was willing to risk becoming involved After years of suffering what many would call the ultimate evil of sexual abuse Lauren was held captive in the even more appalling world of Satanism and ritual abuse Forced to participate in some of the most evil satanic rituals imaginable Lauren was witness to shocking crimes against children and others all performed in the name of Satan Tormented sexually and mentally by the cult members Lauren survived the torture because of her strong faith in God and her belief that He

would deliver her from the evil of which she had become a part It is an undisputed fact that this type of abuse occurs in the world today Through this shocking story anyone who is caught in the trap of sexual or ritual abuse can learn that there is a way out that with the help of God and others victims like Lauren can break free Parents counselors law enforcement personnel and anyone who may know of or suspect a case of abuse will find in this book invaluable advice Discover how the veil of such horrible abuse can be lifted for all who suffer

**The Curse of Satan's Collar** John W. Miller, 2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn't see thought he was blind and had a massive hangover from his Daddy's Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o'clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tried to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn't see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I'm chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as a hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It's my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It's got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man's rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn't matter what direction he walked Finally exhausted he couldn't get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away
