C. Risenhoover, 1987 *A Theology of Mark's Gospel* David E. Garland, 2015-10-06 A Theology of Mark s Gospel is the fourth volume in the BTNT series This landmark textbook written by leading New Testament scholar David E Garland thoroughly explores the theology of Mark s Gospel It both covers major Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Markan theology in the larger context of the Bible This substantive evangelical treatment of Markan theology makes an ideal college or seminary level text *Mark's Story of Jesus* Dewey Mulholland, 1999-05-26 A missionary scholar who has been studying and teaching the Gospel of Mark for over forty years Dr Mulholland is an insightful expounder of its message guiding us through this account of Jesus the mighty miracle worker who is the Messiah of all nations Informed by the best of academic research Mulholland s lucid and detailed study will prove eye opening as well as soul challenging for its readers Dr Vernon C Grounds Chancellor Denver Seminary During his many years of work as a missionary in Brazil the Rev Dewey Mulholland was enabled to strengthen the church there in a most strategic way In the seminary he helped found in Brasilia the capital he made the inductive study of the Bible in Portuguese central for the training of Christian workers He wanted to teach people how to study the Bible for themselves No boring sermons and Bible lessons from these graduates Studying the Bible the way Mulholland taught them they keep coming up with new exciting insights into the inspired meanings of the Bible Learning to comprehend the biblical text for themselves his students often opened Mulholland s eyes to vital insights into the Marcan meaning This English version of his Marcan commentary makes this accumulation of insights available to us in the Euro American world Seeing the significance that Mark has for people in Latin America helps us to be more enlightened world Christians Dr Daniel P Fuller Senior Professor of Hermeneutics Fuller Theological Seminary The author skillfully combines Mark s emphasis upon Jesus as the Messiah whose Kingdom embraces people of all nations with his portrayal of the Servant who reigns through suffering This message is very relevant to the developing nations where many politicians and clergymen use their positions to dominate I recommend this commentary for it enlarges our understanding of the Messiah and calls upon us to fulfill the task Jesus has delegated to us Edouard Kitoko Nsiku Ph D United Bible Societies Moputo Mozambique Africa *America's Demise, Antichrist's Rise* Thomas G. Reed, 2021-11-02 Are you aware that the current events shaping our world reflect apocalyptic biblical predictions It s clear that the end of time is near This book is a wake up call for Christians

and American patriots who can no longer afford to shrug and hope for the best The strong foundation of Judeo Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism America's demise parallels the demise of mankind as a whole How have we reached this state of crisis We explore the death grip that humanism has on America and the ultimate fate of all the world's citizens We examine both the source of sin and the path toward holiness including death to the old self and resurrection of the new It is essential to heed the warnings found in God's Word warnings which become increasingly relevant as the Great Tribulation draws near With a detailed evaluation of the Scriptures we identify the timeline of the Tribulation Rapture return of Jesus Christ and the thousand year millennium Realizing that the Rapture will not take place prior to the Tribulation we must accept the Tribulation when it begins and recognize its ramifications or risk being deceived by Satan and the Antichrist As the Tribulation defines our end so does it offer an opportunity for a new beginning if we can achieve perfection through our Lord While cataclysmic occurrences may be imminent devoted Christians can also expect wondrous rewards both here and now and for all eternity **Mark's**

**Gospel: An Actological Reading** Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match **Satan's U.S. War** Grampa Ed Fraase, 2020-07-29 WAR

in the United States Impossible maybe maybe not A fictional story of two men meeting one another fighting Satan's Soldiers their hardships one meeting an angel and falling in love with her and she in love with him What happens to them during and after the war It is a good love story that has many ups and downs **The Function of Exorcism Stories in Mark's**

**Gospel** Andreas Hauw, 2019-05-29 This book investigates stories of Jesus' exorcisms in the Gospel of Mark The story of Jesus' first public ministry in the synagogue Mark 1:21-28 and the Beelzebul controversy story 3:20-30 are examined to understand the other acts of exorcism that Jesus performed 5:1-20 7:24-30 9:14-32 Both Mark 1:21-28 and 3:20-30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus' own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark's Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus' christological identity as the Son of God as indicated by the incipit of Mark's Gospel Mark 1:1 Markan exorcism stories in Mark 5:1-20 7:24-30 and 9:14-29 further develop the presentation of Jesus' exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the

gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul **Fulfilled In Their Season** Joseph Nathan Smith,2011-02-15 **Fulfilled In Their Season** examines the Earth s chronology from a Biblical point of view It focuses on the seasons in which many past events have occurred and in which many future events will occur Amazingly the Bible specifies the season of the year for many events As found in the Bible events like creation the yearly feasts Jesus birth and the final harvest are all associated with a particular season of the year This information provides a unique perspective on end time events A Woman's Nation or Satan's Deceit... ABRAHAM LINCOLN ASSASSINATED WOMENS FEMINIST MEMBER MARY SURRAT HANGED FOR PARTICIPATION LEADER OF GROUP FOUND HIDING IN VATICAN PAPAL GUARD Before his death Abraham Lincoln made the following statements to his trusted staff It is not against the Americans of the South alone that I am fighting it is even more against THE POPE OF ROME and his perfidious Jesuits and their blind and blood thirsty slaves that we have to defend ourselves The Jesuits have not yet killed me But they would have surely done it when I passed through their most devoted city Baltimore had I not defeated their plans by passing incognito a few hours before they expected me We have the proof that the company which has been selected and organized to murder me was led by a rabid Roman Catholic called Byrne it was almost entirely composed of Roman Catholics more than that there were two disguised priests among them to lead and encourage them Abraham Lincoln And indeed the American Womens Feminist Movement were now linked and involved with the assassination of a sitting President of the United States and with a member of the American Womens Feminist Movement confirmed as guilty and hanged for the assassination of President Abraham Lincoln And then so began the atrocities of the deaths of any elected president that was not a Socialist Democratic and those atrocities and Presidential genocide lasted from 1841 until the final assassination of President Warren Harding in 1923 *Warding Off Evil* Michael J.

Morris,2017-10-24 In this study Michael J Morris examines aspects of synoptic gospel demonology specifically human responses to demonic evil It is clear that early Christian demonology can be more fully understood against the background of early Jewish traditions In the Dead Sea Scrolls for instance there are two fundamental ways by which protection against demons is sought The first anti demonic method is exorcism and the second is characterized by its preventative nature and is typically referred to as apotropaism Although many contributions have been made on the topic of exorcism in the gospels less attention has been paid to the presence of apotropaic features in the gospel texts Therefore Michael J Morris offers a timely examination of apotropaic tradition in early Judaism and its significance for demonological material in the synoptic gospels

opponents including Jewish leaders but also Jesus disciples in their accounts of Jesus life This study takes a literary historical approach to the Gospels examining them as narratives It shows how the authors were in the process of developing the devil as a character and determining which roles he filled New interpretations of individual passages in the Gospels are given as well as new understandings of the theological emphases of each author This study is also a contribution to redaction criticism and the relative chronology of the Gospels It employs the theory of Matthean posteriority which revolutionizes our understanding of the literary relations between the Gospels and allows for a new understanding of theological development in early Christianity

*The Temptations of Jesus in Mark's Gospel* Susan R. Garrett,1998 Susan Garrett focuses on the theme of the temptation and testing of Jesus as reflected in the Gospel of Mark arguing that by his endurance Jesus opened up the path and provides the example for those who follow the way of the Lord

**Remembering the Sabbatical Years of 2016** Joseph F. Dumond,2013-02-21 Remembering the Sabbatical years of 2016 was written as simply as possible to explain how anyone could prove from their own Bibles when the Sabbatical and Jubilee Years are Having written The Prophecies of Abraham in 2010 many people struggled to understand the chronology which is crucial in order to know precisely where we are in these last days now Because so many struggled we wrote Remembering the Sabbatical years of 2016 so that even an 8 year old could then explain it Remembering the Sabbatical year of 2016 shows you all the known biblical historical and artifacts that mention the Sabbatical years Then we show you how they all line up with each other and from that you can count down to our time now We also show you where the Sabbatical years were derailed in history and taken away from the proper time of observing them Once you have read this book and proven these facts for yourself then you will understand we are in the 120th Jubilee cycle Then once you see the curses that have been set out in a specific order of events the nightly news becomes surreal as you can then see these curses happening on the news Order your copy of Remembering the Sabbatical year of 2016 today and begin to understand these last days unlike anyone else ever has

**Mark's Argumentative Jesus** Caurie Beaver,2018-05-22 The author claims that the gospel of Mark is a speech or sermon To prove this he shows how Mark used many of the elements of Aristotle's rhetoric Literary critics noticed these rhetorical features in Mark but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for They continued to translate the first word of Mark arche as beginning to provide Mark's story of Jesus with a chronological beginning The author translates Mark's first word as guiding principle to provide Mark's persuasive speech or sermon with a

logical starting point      Christ With Us Warren Shipton,2016-12-13 What do you know about the Old Testament sanctuary and its fulfillment in Christ's ministry on earth and in heaven Have you considered how the sanctuary sheds light on salvation the nature of humanity the law and the gospel the judgment Christian life and worship the believer's assurance or last day events Most Christians recognize that the spring festivals of Israel pointed to Jesus' death resurrection and enthronement at the right hand of God but they somehow miss the correlation of the fall festivals to Christ's heavenly ministry In Christ With Us Warren Shipton draws from the imagery and teachings of Hebrews Revelation and other New Testament passages with help from scholarly sources and history to shed light on the sanctuary as depicted in the books of Moses the prophets and the Psalms His aim is to assist the reader in better understanding and appreciating God's means of dealing with the sin problem through Jesus' sacrifice on earth and ministry as High Priest in heaven revealing God's character of love mercy and justice and the spiritual connections between the teachings of the sanctuary the concept of the great controversy and other major biblical teachings The book is a primer for the newcomer to the topic of the sanctuary as well as a resource for the seasoned student If you want to know more about Jesus and how the Old Testament sanctuary points forward to what He did for humankind in dying on the cross and what He continues to do for us in heaven as our High Priest this book is for you      The Road To Hell Dwayne Mattingly,2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away
