**Civil-military Relations In Communist Systems** Dale R. Herspring,2019-04-11 This book represents the first attempt  
to deal with the problem of how to conceptualize the civil military relations of communist systems within a common  
intellectual framework The opening chapters present three major constructs originally designed for analyzing civil military  
relations in the USSR the interest group approach the institutional congruence approach and the participatory model In  
subsequent chapters the utility of these approaches is tested against a wide variety of communist systems including those of  
Cuba the USSR China Romania Hungary the GDR and Poland In probing these issues for the first time the authors shed  
considerable light on the transnational differences and similarities among communist systems and the dynamics of civil  
military relations in all communist systems      **Studies in Communist Affairs** United States. Department of the Air
