## **Sati Historical And Phenomenological Ebays:**

*Sati* Arvind Sharma,1988-01-01 The phenomenon of Sati on account of its dramatic and tragic element has always commanded considerable attention This has not always been complemented by adequate analysis Even when the treatment of the subject has transcended sensationalism it has not always been sufficiently nuanced This book hopes to remedy this situation by bringing to bear on the topic whose relevance the recent recurrences of the phenomena have highlighted a measure of methodological sophistication which was not possible prior to the emergence of the History of Religions as a discipline

**Sati, the Blessing and the Curse** John Stratton Hawley,1994 Sati symbolizes ultimate loyalty and self sacrifice It often figures near the core of a Hindu identity that feels embattled in a modern world Yet to those who deplore it sati is a curse a violation of every woman s womanhood

**Humanism and the Death of God** Ronald E. Osborn,2017-01-19 Humanism and the Death of God is a critical exploration of secular humanism and its discontents Through close readings of three exemplary nineteenth century philosophical naturalists or materialists who perhaps more than anyone set the stage for our contemporary quandaries when it comes to questions of human nature and moral obligation Ronald E Osborn argues that the death of God ultimately tends toward the death of liberal understandings of the human as well Any fully persuasive defense of humanistic values including the core humanistic concepts of inviolable dignity rights and equality attaching to each individual requires an essentially religious vision of personhood Osborn shows such a vision is found in an especially dramatic and historically consequential way in the scandalous particularity of the Christian narrative of God becoming a human He does not attempt to provide logical proofs for the central claims of Christian humanism along the lines some philosophers might demand Instead this study demonstrates how philosophical naturalism or materialism and secular humanisms and anti humanisms might be persuasively read from the perspective of a classically orthodox Christian faith

**Hinduism and Modernity** David Smith,2008-04-15 This examination of Hinduism in the context of modernity will be of interest to all students of Hinduism as well as to those interested in the sociology and history of religion Shows Hinduism to be a highly dynamic world view which challenges western notions of modernity Considers a broad range of topics including women the caste system the self divinities and gurus Contains up to date discussions of modern Hindu culture and beliefs

**Feminism and Empire** Clare Midgley,2007-09-28 Feminism and Empire establishes the foundational impact that Britain s position as leading imperial power had on the origins of modern western feminism Based on extensive new research this study exposes the intimate links between debates on the woman question and the constitution of colonial discourse in order to highlight the centrality of empire to white middle class women s activism in Britain The book begins by exploring the relationship between the construction of new knowledge about colonised others and the framing of debates on the woman question among advocates of women s rights and their evangelical opponents Moving on to examine white middle class women s activism on imperial issues in Britain topics include the anti slavery boycott of Caribbean sugar the campaign

against widow burning in colonial India and women's role in the foreign missionary movement prior to direct employment by the major missionary societies Finally Clare Midgley highlights how the organised feminist movement which emerged in the late 1850s linked promotion of female emigration to Britain's white settler colonies to a new ideal of independent English womanhood This original work throws fascinating new light on the roots of later imperial feminism and contemporary debates concerning women's rights in an era of globalisation and neo imperialism

**Encyclopedia of Feminist Theories**  
Lorraine Code, 2002-06-01 The path breaking Encyclopedia of Feminist Theories is an accessible multidisciplinary insight into the complex field of feminist thought The Encyclopedia contains over 500 authoritative entries commissioned from an international team of contributors and includes clear concise and provocative explanations of key themes and ideas Each entry contains cross references and a bibliographic guide to further reading over 50 biographical entries provide readers with a sense of how the theories they encounter have developed out of the lives and situations of their authors

**Colonialism as Civilizing Mission** Harald Fischer-Tiné, Michael Mann, 2004 Inherent in colonialism was the idea of self legitimization the most powerful tool of which was the colonizer's claim to bring the fruits of progress and modernity to the subject people In colonial logic people who were different because they were inferior had to be made similar and hence equal by civilizing them However once this equality had been attained the very basis for colonial rule would vanish Colonialism as Civilizing Mission explores British colonial ideology at work in South Asia Ranging from studies on sport and national education and pulp fiction to infanticide psychiatric therapy and religion these essays on the various forms expressions and consequences of the British civilizing mission in South Asia shed light on a topic that even today continues to be an important factor in South Asian politics

*Landscape, Seascape, and the Eco-Spatial Imagination* Simon Estok, Jonathan White, I-Chun Wang, 2016-05-12 Written from within the best traditions of ecocritical thought this book provides a wide ranging account of the spatial imagination of landscape and seascape in literary and cultural contexts from many regions of the world It brings together essays by authors writing from within diverse cultural traditions across historical periods from ancient Egypt to the postcolonial and postmodern present and touches on an array of divergent theoretical interventions The volume investigates how our spatial imaginations become wired looking at questions about mediation and exploring how various traditions compete for prominence in our spatial imagination In what ways is personal experience inflected by prevailing cultural traditions of representation and interpretation Can an individual maintain a unique and distinctive spatial imagination in the face of dominant trends in perception and interpretation What are the environmental implications of how we see landscape The book reviews how landscape is at once conceptual and perceptual illuminating several important themes including the temporality of space the mediations of place that form the response of an observer of a landscape and the development of response in any single life from early partial thoughts to more considered ideas in maturity Chapters provide suggestive and culturally nuanced propositions from varying points of view on ancient and modern landscapes and seascapes and on how

individuals or societies have arranged conceptualized or imagined circumambient space Opening up issues of landscape seascape and spatiality this volume commences a wide ranging critical discussion that includes various approaches to literature history and cultural studies Bringing together research from diverse areas such as ecocriticism landscape theory colonial and postcolonial theory hybridization theory and East Asian Studies to provide a historicized and global account of our ecospatial imaginations this book will be useful for scholars of landscape ecology ecocriticism physical and social geography postcolonialism and postcolonial ecologies comparative literary studies and East Asian Studies *Empireworld* Sathnam Sanghera,2024-05-07 Bestselling author and journalist Sathnam Sanghera explores the global legacy of the British Empire and the ways it continues to influence economics politics and culture around the world 2.6 billion people are inhabitants of former British colonies The empire's influence upon the quarter of the planet it occupied and its gravitational influence upon the world outside it has been profound from the spread of Christianity by missionaries to the shaping international law Even today 1 in 3 people drive on the left hand side of the road an artifact of the British empire Yet Britain's idea of its imperial history and the world's experience of it are two very different things Following in the footsteps of his bestselling book *Empireland* How Imperialism Has Shaped Modern Britain *Empireworld* explores the ways in which British Empire has come to shape the modern world Sanghera visits Barbados where he uncovers how Caribbean nations are still struggling to emerge from the disadvantages sown by transatlantic slavery He examines how large charities like Save the Children and the World Bank still see the world through the imperial eyes of their colonial founders and how the political instability of nations such as Nigeria for instance can be traced back to tensions seeded in their colonial foundations And from the British Empire's role in the transportation of 12.5 million Africans during the Atlantic slave trade to the 35 million Indians who died due to famine caused by British policy the British Empire as Sanghera reveals was responsible for some of the largest demographic changes in human history Economic legal and political systems across the world continue to function along the lines originally drawn by the British Empire and cultural sexual psychological linguistic demographic and educational norms originally established by imperial Britons continue to shape our lives British Empire may have peaked a century ago and it may have been mostly dismantled by 1997 but in this major new work Sathnam Sanghera ultimately shows how the largest empire in world history still exerts influence over planet Earth in all sorts of silent and unsilent ways

**Theology in the Public Square** Gavin D'Costa,2013-04-10 This imaginative study rethinks the nature of theology and its role in universities The author sketches out a fascinating project using examples from US and UK institutions whereby theology becomes a transformative force within universities Imagines what a Christian university in which all disciplines have been theologized would look like Feeds into discussions about the religious identity of denominationally linked colleges and universities Forms part of a wider attempt to imagine a vital public role for theology that enables it to serve both the Church and the wider community *Many Peoples, Many Faiths* Robert S. Ellwood,Barbara A. McGraw,2022-09-30 Many Peoples

Many Faiths places the world's religions in historical context illustrating the complex dynamic of each religion over time while also presenting current beliefs practices and group formations This unique textbook includes engaging sections on women in religion religion and governance and religion in America throughout Thoroughly revised and updated for its eleventh edition Many Peoples Many Faiths covers the following topics Understanding the World's Religious Heritage Indigenous Peoples and Religion The Spiritual Paths of India The Journey of Buddhism Religions of East Asia The Family of the Three Great Monotheistic Religions and Zoroastrianism The Unique Perspective of Judaism The Growth of Christianity Building the House of Islam New Religious Movements Religion and Violence Non violence and Peacemaking This edition reflects new scholarship and general interest and where appropriate addresses rapidly developing and shifting areas taking account of the dynamic changing quality of religion New and expanded material on indigenous peoples and religions discussions of colonization and the new chapter on religion and violence non violence and peacemaking also distinguish this edition Images maps and timelines add to the sense of the richness of the world religions This is an ideal resource for anyone wanting an accessible and yet comprehensive introduction to the world religions *Tradition and Liberation* Catherine A Robinson,2018-10-24 The text examines the role of the Hindu tradition in the ideology and methodology of the Indian women's movement By showing how leaders of the movement have restated aspects of the tradition it provides insight into the ways in which a women's movement can restate a religious tradition Throughout Indian society religion has been central to debate about the position of women and opposition to the women's movement has often been rationalised in terms of religion Through a review of the speeches and writings of leading figures of the movement from the nineteenth and twentieth centuries it identifies positive as well as negative representations of the tradition and its implications for women It shows when and why the movement has chosen either to offer a traditional justification for its aims and activities or to eschew such a justification in favour of an alternative rationale Beyond Dalit Theology Paulson Pulikottil,2022-05-31 This book is a critique of Dalit theology leading to proposals for the future directions of a theology of social transformation in India Dalit theology has ruled the roost for the last forty years in the Indian theological landscape It has captivated the theological imagination in India in spite of other theological movements like tribal theology green theology and so on which are relatively recent and have had little impact Despite the dominance of Dalit theology in the last decade many writers have questioned its social impact and theological efficacy This book takes advantage of the critique to make some proposals for doing a theology of social transformation in India It explores new ways of doing Christology pneumatology and ecclesiology In addition it argues for the need of a public theology in the changing religious political scenario in India Images of Women in Maharashtrian Literature and Religion Anne Feldhaus,1996-03-21 The essays investigate the images of women and femininity found in the traditions of the Marathi language region of India Maharashtra and how these images contradict the actualities of women's lives A History of Celibacy Elizabeth Abbott,2000 What causes people to give up sex Abbott's

provocative and entertaining exploration of celibacy through the ages debunks traditional notions about celibacy a practice that reveals much about human sexual desires and drives

*Ethnicity, Gender and Social Change* Harriet Bradley, Steve Fenton, 1999-02-08 *Ethnicity Gender and Social Change* explores the social space occupied by both gender and ethnicity As recognition of the sociological importance of gender and ethnicity has grown so has the opportunity for exploring the intersections between them This volume brings together both theoretical reflections and new research in this key area For the sociologist this presents a conceptual challenge while for the individual it may present a series of dilemmas These are intriguingly traced out in studies which take us from Punjabi families in the UK to Surinamese migrants in Amsterdam to Hindu and Muslim women and Black nurses in Britain the African and Asian diasporas and gender identity in post Soviet Latvia

**Religion and Rajput Women** Lindsey Harlan, 2024-07-19

**Jeopardy of Every Wind** Sue Paul, 2020-04-01 In 1669 fleeing a London decimated by the plague and the Great Fire a young English child arrived alone at Fort St George the first English fortress in Mughal India The boy survived to become a maverick merchant mariner an independent trading on the fringes of the East India Company Captain Thomas Bowrey gained renown in numerous fields Operating throughout the East Indies and speaking Malay the lingua franca of diplomacy and trade in the region he would write and publish the first ever Malay English dictionary a seminal work that even a century later would be used by the likes of Thomas Stamford Raffles the founder of Singapore It has also been claimed Bowrey wrote the earliest first hand account of the recreational use of cannabis Bowrey s shipping interests however were plagued by pirates privateers and mutiny and included the tragic Worcester which played a pivotal role in the union of England and Scotland Subsequent projects included the east African slave trade and his collaboration with Daniel Defoe in the founding of the South Sea Company Despite everything Bowrey succeeded in amassing sufficient fortune for alms houses to be built in his name following his death but his true legacy is his papers that lay hidden in an attic for two centuries and which now shed light not only on the exploits of this remarkable man but also on life and commerce at the start of globalisation

**Roles and Rituals for Hindu Women** Julia Leslie, 1992 The considerable interest currently being expressed in women and religion has thrown down an important challenge the need to see women not merely as the passive victims of an oppressive ideology but also perhaps primarily as the active agents of their own positive constructs This book therefore aims to fill a notable gap in the literature Twelve contributors study the role of women in Hindu religion by examining textual studies of the part played by women in a variety of religion rituals both past and present by exploring the socio religious context of their various communities and by using specialist material to draw on cross cultural conclusions
