Saturday Nights With Daddy At The Opry:

Saturday Nights with Daddy at the Opry Libby Leverett-Crew, 2023-03-21 The daughter of the Grand Ole Opry's official photographer reminisces about witnessing country music history alongside her father in this memoir Like many little girls Libby Leverett Crew's father Les Leverett often had to work nights and weekends But unlike many girls Libby's father took her along to his job where he was the official photographer for the Grand Ole Opry for more than thirty years First at the historic Ryman Auditorium and later at the Grand Ole Opry House Libby Leverett Crew was a witness to country music history And now some forty years later she pays tribute to the wonderful people who touched the lives of her entire family while at the same time hearing witness to the powerful impact a loving father can have on his child's life In **Saturday Nights with Daddy at the Opry** Libby Leverett Crew shares not only her remarkable memories of those Saturday nights with Dolly Parton Minnie Pearl Roy Acuff Bill Monroe and countless others including assorted Muppets astronauts ballet dancers actors Andy Warhol and kd lang but also a beautiful father daughter relationship The book also includes more than 100 photographs from her father Praise for **Saturday Nights with Daddy at the Opry** Les Leverett has added so much class and talent to our world I'm not surprised that his daughter Libby has done this book Yeah Libby good for you I'm proud to have baby sat you from time to time backstage You were always a joy Dolly Parton There's an old song I Was There When It Happened So I Guess I Oughta Know That's Libby's story inside the world of country music I knew her first as Les Leverett's kid It must be in the water at their house because she's come into her own as a masterful photographer She also wields a pen that has a detailed memory for great storytelling Marty Stuart

Snapshots Kaye Brown, 2024-09-03 A blow by truthful blow of life experience causing decisions and choices to be made These decisions and choices were difficult and unnerving yet an inner core of self and knowing caused the propulsion forward because the staying in place was unacceptable

On the Bus with Bill Monroe Mark Hembree, 2022-04-26 A backstage audition led Mark Hembree into a five year stint 1979-1984 as the bassist for Bill Monroe's Blue Grass Boys Hembree's journey included playing at the White House and on the acclaimed album Master of Bluegrass But it also put him on a collision course with the rigors of touring the mysteries of Southern culture and the complex personality of bandleader legend Bill Monroe Whether it's figuring out the best time for breakfast early or for beating the boss at poker never Hembree gives readers an up close look at the occasionally exalting often unglamorous life of a touring musician in the sometimes baffling always colorful company of a bluegrass icon The amusing story of a Yankee fish out of water **On the Bus with Bill Monroe** mixes memoir with storytelling to recount the adventures of a Northerner learning new ways and the Old South

Songs of Life and Grace Linda Scott DeRosier, 2014-10-17 On a muggy late August afternoon in 1936 somewhere along the banks of Greasy Creek Life found Grace walking the dusty mile between work and home in a brand new pair of leather kitten heeled pumps blond curls bouncing in the sun Two weeks later Lifie Jay Preston and Grace Mollette married a union that lasted until their deaths fifty

eight years later There was something about them their daughter Linda would discover a kind of radiance and love of living that would mark them in the memories of every person they encountered a song that resonates years after their passing Songs of Life and Grace is their story told by the daughter whose own life grew out of their loving ministries and Appalachian sensibilities Linda Scott DeRosier the celebrated author of Creeker A Woman s Journey draws on family letters and lore interviews and her own recollections to reach a better understanding of her parents and the families that formed them both Along the way she introduces an unforgettable cast of characters the formidable Grandma Emmy Uncle Burns an infamous ladies man helpless and simple Aunt Jo and gentle Pop Pop who could peel an apple in one long unbroken spiral A stirring honest look at Appalachia and a tribute to the unbreakable bonds of family Songs of Life and Grace establishes DeRosier as one of the most vital and exciting new voices of the American South Lydia's Life Ida Nelle Daily Hollaway,2006-03

The Electronic Front Porch Jacob J. Podber,2007 The Electronic Front Porch examines the arrival of radio and television in Appalachia and the Internet s role in the Melungeon community It contributes to a variety of disciplines including media Appalachian and popular culture studies in addition to oral Southern and American history Come, Walk with Me Elaine Ruth Pope,2007-03-20 The author asks as you read this prison reform book interlaced with small parts of her own personal involvement that you overlook the grammar punctuation and sentence structure errors because she did not and does not consider herself a writer But she felt this story had to be told to inform society there is another view of prison life on the inside rather than only the stories reported by the media and the justice system itself Therefore what you are about to read will take you on a journey into the chilling hellhole of prison and you will find it is not at all what you expected it to be Quite the contrary it is a house of dreams for souls who are victims themselves Victims of abuse while living on the outside in society and victims of abuse by the penal system during incarceration In addition they are victims of drug and alcohol related incidents or bad judgment and in more cases than we can imagine of wrongful conviction Elaine was almost oblivious to the insane walk two sets of remote controlled steel gates a search room a 70 foot fenced walkway topped with rolls of ice steel razor wire another set of barred gates but this time she was conducted straight to the hospital Every time she made this trip she was appalled at the madness behind the disproportionate security It appeared to her the perimeter towers rifles steel topped clubs pepper spray and stun guns strapped to the hips of every guard were security enough against men who were shackled behind these cement walls p 17 Elaine was alone in Starke Florida She had driven from Michigan alone to meet Horace and to help him with his appeals and also when the time was right to become his wife During the five months since her arrival from Michigan she had made a few acquaintances but hadnt had sufficient time to make a good friend Horace had been her only friend She had neither friends nor family to stand by her side to give comfort and solace as Horace slowly died a suffering death But why Why would a woman who was considered an average societal wife and mother leave family and home even divorcing to marry a man on death row Why enter into an environment where personal diminishment is the daily

experience And especially perplexing why enter into a relationship with a man whose impending death was possibly the only future Why did Elaine do this Did She have a choice It seemed somehow her whole life had prepared her in a special way to follow this course as if a plot had been written Did she feel a martyr Did she feel a fool Did she feel courageous Elaine truly doesn't have answers to any of these questions yet one thing she knows about herself p 21 Even though Horace worked hard in the orange groves all day and led a Honky Tonk band at night in several Lounges in Bartow and Eloise it didn't matter what he could have been His reality was he was marked His being part Japanese at that prejudicial time and Native American as well he was prejudged and condemned by an absurd record of poverty and ethnicity Whether he was laboring in the groves or strumming his guitar playing in lounges at night Horace was a wandering man with a wandering heart in search of fulfillment And for this honky tonk heartbreaker unfortunately the worst was about to come for he was one more person who would not be touched by the American Dream but was about to become part of Americas nightmare page 29 The Court If I can assure you that I would makewell I will assure you that in the event you are sentenced to life or death The Defendant Yes maam The Court that I would do everything within my power to have them protect you but in protecting you not isolate you from sight and hearing of other inmates The Defendant Yes maam I understand Global Media Studies Marwan Kraidy, Patrick D. national broadcasters editors and writers who started in the South are Tom Wicker Walter Cronkite David Brinkley Clifton Daniel Willie Morris Robert Sherrill Nelson Benton Charles Kuralt Larry King Marshall Frady Frank McGee Why has the South produced so many creative journalists and why would so many go North We can't be sure But a couple of thoughts come to mind First Southerners do seem to have a certain romance with the written and spoken word There is a relish for sounds unique expressions and the embellished story Reporting like conversation has always demanded more than the exchange of a few facts and many of our brethren have been only too willing to turn their preoccupation with language and penchant for irrelevant detail into successful careers

The Mojer Mafia Sherry Lynne, 2024-07-09 My parents crazy love for each other is the backbone of the story of the Mojer Mafia They got together in 1962 and our lives were very closely intertwined with my mom's older and younger orphaned siblings from the start We lived together off and on and traveled together and separately across the United States as self-chosen nomads living in at least ninety-two houses in five states for the next twenty years In 1971 my parents Mom's younger orphaned siblings the Smith kids some other relatives and many good friends created a tribe that we called the Mojer Mafia named for the street we lived on at the time My sister brother and I were raised along with the crowd so we had a unique childhood to say the very least Like other mafias the cops were not usually our friends for good reason Also like other mafias we were fiercely loyal and protective of our gang We have been told countless times by thousands of people that we need to write a book about our story and it looks like it falls on me to do it I hope you enjoy this ride of laughter and tears joy and heartache addiction and abuse mistakes and overcoming crime and punishment loss and love

Echoes of Colorado Fern Croley Jones, 2020-04-28 My first view of Colorado was from the arms of my maternal grandmother Mary Clarissa Cade when I was eight months old She brought me to Pueblo while my mother hopefully recovered from typhoid fever in far off Arkansas Two months later Mary realized this little girl would be her responsibility from then on and already Little Fern as I was called was determined to call her grandmother Mama My view changed as I graduated from my baby crib to following her around the garden in the backyard and learning to identify creeping things along the path My grandfather JW Cade taught me to be seen and not heard and go to bed with the chickens which I cheerfully ignored My uncles and aunts and cousins taught me to feel accepted and honor my parents example of love As I grew I realized that Pikes Peak was a beautiful skyline and my tree swing that hung from the backyard elm tree was a place to not only swing but read and sing and dream The last view I treasured even when I finally returned to Arkansas was at night with the star studded sky above just as in Colorado where I dreamed I saw my parents and other dear ones above them looking down at me Along with the music I learned there I knew there were angels singing and watching over me awaiting the time when we would all finally see home
