History of Cheyenne, Wyoming Sharon Lass Field,1989 *6692 Pisces the Sailfish* Don Darkes, This is the True story of my Family Adventure and Disaster and the best thing that ever happened to me The number 6692 is the date June 6th 92 when the curse that was placed upon the vessel finally destroyed her Although the ship was originally cursed when she was built and originally named Pisces the Star sign some believe she incurred additional bad luck because I effectively renamed her by painting a Sailfish outline around her name Pisces and turning her into a the fish instead of a star sign I also left port on a Friday Renaming a boat and leaving port on a Friday is considered bad luck by sailors This True Family Adventure and Travel story follows my young family s adventures after we abandoned our secure comfortable and meaningless existence in suburbia to follow our dream This often humorous account relates how we unwittingly bought a jinxed yacht watched it smash itself to pieces and with no prior experience skills or training rebuilt it sailed away rediscovered paradise punished betrayal found ancient treasure and survived sharks crazed lemurs gossiping walruses a lynch mob a curse explosive gas flaming epoxy and oozing quicksand It also relates how in answer to my prayer we lost everything we owned and experienced heart breaking generosity that altered our lives and welded our family even closer together The book explains why we celebrate June 6th every year as Pisces Day with a family meal of Prawns and Rice The book also reveals why and how I tried to commit murder Despite encouragement from family friends and total strangers to write this book I refused to do so for almost twenty years whilst I waited for someone that I tried to murder to die During that time it has remained trapped inside me like the key log holding its fellows prisoner within a logjam I believe that once this book breaches the flood gates it will release my other novels from the dam After several short stories based upon opening chapters of this book reached the finals and were published in a daily newspaper s annual True Short Story competition I was inundated by requests from readers for the rest of the tale which I ignored at the time for reasons which may become apparent I hope this book will appeal to readers of true adventure or travel cruising sailors would be sailors dreamers adventurers and adventure travellers Similarly it should appeal to anyone who dreams of escaping from their self made prisons but perhaps lacks the courage or will to actually do it Women in particular may identify with the multifaceted heroine

a strong female who is simultaneously my wife lover partner best friend a mother and our anchor Although 6692 Pisces and the Sailfish will perhaps resonate with those who experienced the final years of Apartheid in South Africa it should also be of interest to readers who would like to learn a little about some of Africa s amazing people and exotic cultures Similarly although it is a true life story this tale does not revolve upon the depressing issues that we read about in the news every day to which many of us have become desensitised Likewise unlike many of the sailing accounts I have read it does not dwell upon technical aspects of sailing that are meaningless to the average person and especially to me who is branded a heretic by most sailors when I tell them Sailing is the price I reluctantly pay for the time I enjoy anchored safely in a new port Finally although I vowed that I would never own another boat I currently find myself building another one together with my now grown up family Although we have yet to set sail again our journey has already begun anew Our Journey our adventures and those of the fascinating people we have met over the last two years are already well on their way to populating the sequel to this book 2nd Time Lucky *Texas Family Rescue* Cathy Gillen Thacker, Patricia Thayer, 2020-03-03 A daring proposal Wanted Texas Daddy by Cathy Gillen Thacker No one in Laramie Texas knows about Sage Lockhart s friends with benefits arrangement with sexy cowboy Nick Monroe And now Sage wants something more from Nick she wants to have his baby Nick s always wanted to take things with Sage to the next level and having a child with her is an adventure he can t refuse But neither of them realizes just how complicated things can get Dylan s Last Dare by Patricia Thayer Sidelined by an injury bull riding champion Dylan Gentry isn t used to taking orders But he meets his match in beautiful no nonsense physical therapist Brenna Farren And once the handsome cowboy learns that Brenna is pregnant his protective instincts kick in Dylan thinks he s learned all there is to know about taking risks But accepting Brenna and her unborn baby into his life might just be his biggest dare of all The Court Journal ,1833 Tap Root ,1943-02 The Unoffical Guide? to South Florida including Miami and the Keys Levin Marcia, Joe Surkiewicz, Molly Arost Staub, 2001-09-29 The Unofficial Guides are the Consumer Reports of travel guides offering candid evaluations of their destinations attractions hotels restaurants shopping nightlife sports and more all rated and ranked by a team of unbiased inspectors so even the most compulsive planners can be sure they re spending their time and money wisely Each guide addresses the needs of everyone from families to business travelers with handy charts that demonstrate how each place stacks up against the competition Plus all the details are pulled out so they re extremely easy to scan Mention Miami and most people are hit with a flood of images broad beaches bright sun Art Deco architecture and perfectly tanned supermodels on Rollerblades The Keys evoke different images hammocks and cool drinks hot music and raucous nightlife world class sportfishing and Hemingway propping up a bar Whether you crave both of these scenes or only one The Unofficial Guide to South Florida including Miami the Keys is the book for you packed with insider advice and the complete ratings and rankings for which the Unofficial Guides are known The Top 5 Ways The Unofficial Guide to South Florida including Miami the Keys Can Help You Have the Perfect Trip 1 A complete guide to all the
