**Administration and Development in the Arab World** Jamil Jreisat,Zaki R. Ghosheh,2016-03-22 This book first published in 1986 examines the literature on administration human resources and development in the Arab world It emphasizes contemporary societies and their internal dynamics the least known and most critical aspects of Arabic studies

**E-strategies for Resource Management Systems** Eshaa M. Alkhalifa,2010-01-01 This book offers insight into current research practices and trends in Information Resource Management strategies that are implemented electronically Provided by publisher

**German Foreign Policy Towards Emerging Powers** Tomasz Morozowski,2024-10-06 This book examines the complex process of German foreign policy adaptation to a shifting global landscape especially to the rise of new powers Addressing a scholarly audience the book sheds light on the evolution of Germany's post reunification international role beyond the Euro Atlantic structure Grounded within the theoretical framework of neoclassical realism the book analyzes the inner workings of Germany's global policy formation It scrutinizes the state's relations with rising and emerging powers including China Brazil India South Africa Mexico Vietnam Indonesia Nigeria Saudi Arabia and the United Arab Emirates exploring the details of Berlin's approach The book presents the motives goals instruments and future prospects of Germany's foreign policy regarding these states It further explores the dynamics of Germany's civilian and economic power while addressing the growing call for increased responsibility within the European Union as well as in global politics Readers will gain insight into the foundations tools and effectiveness of Germany's foreign policy providing a quintessential case study of how a European state navigates the challenges of a rapidly changing global landscape This makes the book a must read for researchers specializing in German studies as well as for scholars of international relations and foreign policy

**Unveiling Developmental Disparities in the Middle East** Al Mokdad, Mohamad,2024-10-30 Unveiling developmental disparities in the Middle East is essential for understanding the complex socio economic landscape of the region often containing critical inequalities and varied economic growth Despite being rich in resources and cultural heritage many countries in the Middle East face significant challenges including political instability economic volatility and social unrest which hinder equitable development Examining these factors contributing to inequality may help scholars and government officials better address

the barriers to sustainable development Understanding present disparities in the region is crucial for policymakers international organizations and communities aiming to promote inclusive growth and improved quality of life Unveiling Developmental Disparities in the Middle East examines the role of international relations and domestic policies in shaping Middle Eastern economic outcomes with a particular focus on how governance and institutional development have diverged across these regions By examining the influence of oil wealth geopolitical dynamics and historical legacies the book offers a comprehensive understanding of why these nations have evolved so differently despite geographical proximity and cultural ties This book covers topics such as sustainability gender studies and political governance and is a useful resource for government officials policymakers gender scientists healthcare professionals environmental scientists academicians and researchers

The Innovative Pathway on Sustainable Culture Tourism Tatjana Pivac,Rui Alexandre Marçal Dias Castanho,Eliana Martinelli,Eduardo Cândido Cordeiro Gonçalves,2025-08-01 This book explores how tourism can drive positive change in our world It explores the important connections between sustainability tourism and cultural preservation showing how these elements interact and influence each other By examining the effects of tourism on local communities and environments it emphasizes that responsible tourism can truly be a force for good This book features case studies from countries like Saudi Arabia Portugal and China These examples illustrate innovative approaches to support local communities while preserving their cultural heritage Each case study offers a look at how tourism can help enhance social and economic development while also keeping a balance between cultural and environmental needs This book is for everyone policymakers scholars and industry professionals alike It brings together ideas from various fields and provides practical strategies for responsible tourism By inviting readers to rethink tourism's role in our increasingly globalized world it highlights its potential to encourage environmental stewardship and strengthen local identities ensuring that travel enriches our lives and helps preserve the cultural and natural treasures we hold dear **Ownership and**

**Control of Oil** Bianca Sarbu,2014-05-09 Ownership and Control of Oil examines government decisions about how much control to exert over the petroleum industry focusing on the role of National Oil Companies in the production of crude oil since the nationalizations in the 1970s What are the motives for which some producing states opt for less and NOT more control of their oil production sector When can International Oil Companies enter the upstream industry of producing states and under what conditions The diversity of policy choices across producers provides the stage for this investigation different theoretical explanations are confronted with the empirical evidence with the aim of finally proposing an interdisciplinary framework of analysis to explain who controls oil production around the world This book is intended for both specialists and general readers who have an interest in the issue of government control of the petroleum industry Due to its multidisciplinary approach the book is aimed at a large academic public composed of scholars of Political Science International Political Economy Comparative Politics and Middle East Area Studies Moreover this book should be relevant to

international consultants industry professionals and decision makers in countries assessing their experience with existing control structures as well as the many countries in the process of joining the petroleum club of oil producing nations
