The Persian Gulf, 1975, the Continuing Debate on Arms Sales United States. Congress. House. Committee on International Relations. Special Subcommittee on Investigations, 1976. *Beneath the Veil: Fall of the House of Saud* David Oualaalou, 2018-10-30. Saudi Arabia faces a time of uncertainty. The life its rulers once enjoyed from the sale of oil is now threatened by newly emerging reserves from Iran and the United States. Saudi Arabia's aged ailing monarch has defied decades of custom by naming his son as next in line for the throne. Already the future heir's ill conceived policies have brought trouble to the house of Al Saud. Proxy wars rage in the Middle East and foreshadow a confrontation with an increasingly powerful Iran. Meanwhile unrest grows at home. Discontented Saudi youth grow restless from high unemployment and a repressive society. The monarchy itself arrests members of its own family without cause while the religious establishment exerts its repressive influence over society. Saudi Arabia finds itself weakening as the Middle East transforms. Within the pages of this work one glimpses a vision of the future: the inevitable demise of Saudi Arabia.

**"Unmitigated Disaster"** Louis D. Cruz, 2012-10. A story of America is moving forward. And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat. America the Party of NO has a man who will insist to see your ID Birth Certificate but won't release his Tax Returns at the least 5-6 of them so the voting electorate will know how to trust him. There are many perfectly legal ways for all weasels to get out of paying taxes. Especially if you can afford armies of creative accountants to find them all. In our own Country's Congressional Leaders there is Nothing but shameless lies and dishonor. That explains what's going on here. If election in November is to be decided on the several issues: Romney the Lying and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years. Even drifting into that realm risks reminding voters of Obama's clear advantage in leadership. America Bush has been out of office for almost 4 years. Are YOU really going to continue to blame him? This is what the Republicans are saying. Honestly if that's where the blame lies absolutely. It wouldn't matter even if it's been 100, 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions.
