Savage Courage:

Savage Courage Cassie Edwards, 2002 Willingly into the Fray Catherine McCullagh, 2010-09-01 *Willingly into the Fray* comprises the personal stories of sixty five individual nurses their voices preserved and their words often fraught with emotion and mired in distress at what they have seen endured and railed against carefully retained Many of these stories are told for the first time particularly those of the recent campaigns peacekeeping operations disaster relief and humanitarian missions These are men and women who like those before them often worked in the most primitive conditions as one nurse remarked tellingly with TLC and little more It is typical of Australian Army nurses to proceed willingly into the fray often with little warning but always with courage determination and a strong sense of humour In the hundred or so years since the first intrepid Boer War nurses set out Australian Army nurses have forged a proud and enviable reputation They are justifiably renowned for their determination to provide quality medical care despite extreme privation perilous circumstances and a lack of the most rudimentary medical equipment If this is the reputation they can forge in the face of such adversity then we have much to look forward to over the next one hundred years *Willingly into the Fray* provides a rare opportunity for the reader to take a personal journey through the lives of Army nurses from the early days of 1899 to modern times and to experience the vast changes in society that accompanied those hundred or so years *The Protectionist*, 1911 A monthly magazine of political science and industrial progress **The Works** Alexander Pope, 1751 *Miscellaneous pieces in verse and prose* Alexander Pope, 1751 **The View from Officers' Row** Sherry L. Smith, 1990-02-01 A Choice Outstanding Academic Title Capturing military men in contemplation rather than combat Sherry L. Smith reveals American army officers views about the Indians against whom they fought in the last half of the nineteenth century She demonstrates that these officers and their wives did not share a monolithic negative view of their enemies but instead often developed a great respect for Indians and their cultures Some officers even came to question Indian policy expressed misgivings about their personal involvement in the Indian Wars and openly sympathized with their foe The book reviews the period 1848 1890 from the acquisition of the Mexican Cession to the Battle of Wounded Knee and encompasses the entire trans Mississippi West Resting primarily on personal documents drawn from a representative sample of the officer corps at all levels the study seeks to juxtapose the opinions of high ranking officers with those of officers of lesser prominence who were perhaps less inclined to express personal opinions in official reports No educated segment of American society had more prolonged contact with Indians than did army officers and their wives yet not until now has such an overview of their attitudes been presented Smith's work demolishes the stereotype of the Indian hating officer and broadens our understanding of the role of the army in the American West Home Market Bulletin, 1911 The Iliad of Homer Homer, 1736 *The Iliad of Homer: Several Versions* Homer, How Agamemnon and Achilles fell out at the siege of Troy and Achilles withdrew himself from battle and won from Zeus a pledge that his wrong should be avenged on Agamemnon and the Achaians Sing goddess the wrath of

Achilles Peleus son the ruinous wrath that brought on the Achaiaans woes innumerable and hurled down into Hades many strong souls of heroes and gave their bodies to be a prey to dogs and all winged fowls and so the counsel of Zeus wrought out its accomplishment from the day when first strife parted Atreides king of men and noble Achilles Who among the gods set the twain at strife and variance Apollo the son of Leto and of Zeus for he in anger at the king sent a sore plague upon the host so that the folk began to perish because Atreides had done dishonour to Chryses the priest For the priest had come to the Achaiaans fleet ships to win his daughter s freedom and brought a ransom beyond telling and bare in his hands the fillet of Apollo the Far darter upon a golden staff and made his prayer unto all the Achaiaans and most of all to the two sons of Atreus orderers of the host Ye sons of Atreus and all ye well greaved Achaiaans now may the gods that dwell in the mansions of Olympus grant you to lay waste the city of Priam and to fare happily homeward only set ye my dear child free and accept the ransom in reverence to the son of Zeus far darting Apollo Then all the other Achaiaans cried assent to reverence the priest and accept his goodly ransom yet the thing pleased not the heart of Agamemnon son of Atreus but he roughly sent him away and laid stern charge upon him saying Let me not find thee old man amid the hollow ships whether tarrying now or returning again hereafter lest the staff and fillet of the god avail thee naught And her will I not set free nay ere that shall old age come on her in our house in Argos far from her native land where she shall ply the loom and serve my couch But depart provoke me not that thou mayest the rather go in peace So said he and the old man was afraid and obeyed his word and fared silently along the shore of the loud sounding sea Then went that aged man apart and prayed aloud to king Apollo whom Leto of the fair locks bare Hear me god of the silver bow that standest over Chryse and holy Killa and rulest Tenedos with might O Smintheus If ever I built a temple gracious in thine eyes or if ever I burnt to thee fat flesh of thighs of bulls or goats fulfil thou this my desire let the Danaans pay by thine arrows for my tears
