Savage Girl:

The Savage Girl Alex Shakar, 2023-12-15 A crystalline satire of a preening media elite too exhausted with pillaging the minds of consumers to notice the collapsing world around them Kirkus What is the next trend the next killer app This question is very much on the mind of Ursula Van Urden a burned out art student who after her supermodel sister Ivy's widely publicized suicide attempt has found work as a trendspotter for Tomorrow Ltd in the volcano shadowed metropolis of Middle City Armed with only a sketch pad and a mandate to find the future Ursula discovers a homeless girl who hunts her own food and lives on the street This savage girl becomes Ursula's first trend and the basis for an advertising scheme that goes madly disastrously awry An exceptionally written novel that puts an obsession with pop culture under the microscope The Savage Girl is a book that cannot be ignored and Alex Shakar is a writer brimming with talent Praise for The Savage Girl A New York Times Notable Book An exceptionally smart and likable first novel that tries valiantly to ransom Beauty from its commercial captors Jonathan Franzen A brutally funny first novel that skewers America's marketing mentality and fractured consciousness Time Out New York It's exciting to meet a new novelist who's not afraid of heights New York Times Book Review The most sensitive observant and shrewdest of writers are preternaturally attuned to the undercurrents that twist and warp society and Shakar a seer with extraordinary literary skills and a piquant sense of humor will join the ranks of George Orwell Aldous Huxley and Tom Wolfe Chicago Tribune

Thought John Robertson,2023-06-22 Between the cliché that a week is a long time in politics and the aspiration of many political philosophers to give their ideas universal timeless validity lies a gulf which the history of political thought is uniquely qualified to bridge For that history shows that no conception of politics has dispensed altogether with time and many have explicitly sought legitimacy in association with forms of history Ranging from Justinian's law codes to rival Protestant and Catholic visions of political community after the Fall from Hobbes and Spinoza to the Scottish Enlightenment and from Kant and Savigny to the legacy of German Historicism and the Algerian Revolution this volume explores multiple ways in which different conceptions of time and history have been used to understand politics since late antiquity Bringing together leading contemporary historians of political thought *Time History and Political Thought* demonstrates just how much both time and history have enriched the political imagination *In the Field Marshal's Shadow* Brian McClellan,2015-11-17 Five stories from the Powder Mage Universe including the never before published *Green Eyed Vipers Hope's End The Girl of Hrusch Avenue Green Eyed Vipers The Face in the Window Return to Honor* *Bibliotheca Grenvilliana* Thomas Grenville,British Museum. from waters that lead into Lake Winnipeg after a land bridge is crossed The Red River of North Dakota flows directly into Lake Winnipeg Many Viking remains and artefacts have been found in Minnesota and Wisconsin If the Vikings who settled in Lance Meadows found their way north into Hudson Bay losing their boats to ice could easily happen The only way out of this desolate place is south into the interior of North America In *Quest of the White Mandans* Book One is my version of how these people came to be the White Mandans I have brought them to the shores of lake Winnipeg in book one God willing I will take them further to their final home on the Missouri River in North Dakota in Book Two

Encounters with the Other Martin Calder, 2021-12-28 *Encounters with the Other* brings together a range of eighteenth century texts in which the exploration of lingua incognita figures as a prominent topos Drawing mostly on a corpus of French texts but also including a number of works in English Martin Calder attempts to realign well known texts with more canonically marginalized works The originality of the perspectives offered by this book lies in the comparative reading of works not previously conjoined *Encounters with otherness* are marked by a transgression of the limits of language occurring when language becomes alien or unfamiliar Alterity may take various forms a foreign language a familiar language marked by the traits of foreignness something unrecognizable as language or even one's own language breaking down as in madness Unfamiliar language may be produced by a foreigner by a child who cannot yet speak in extreme cases by something unrecognizably human in all cases by an agency somehow marked by difference Narratives of encounters with otherness have written into them narratives of the discovery of the self Implicitly informed by the reading techniques associated with literary theory *Encounters with the Other* offers an insightful commentary on issues surrounding colonialism cultural difference gender and the importance of language to identity Martin Calder's work challenges certain Eurocentric notions and exposes the problematic links between Enlightenment rationality and colonial expansion This book is of interest both to undergraduate students and to academic researchers and to a more general readership concerned with understanding the relationship between Europe the West and a wider world

Bride of New France Suzanne Desrochers, 2025-04-25 A richly imagined novel is about a young French woman sent to settle in the New World Transporting readers from cosmopolitan seventeenth century Paris to the Canadian frontier this vibrant debut tells of the struggle to survive in a brutal time and place Laure Beausejour has been taken from her destitute family and raised in an infamous orphanage to be trained as a lace maker Striking and willful she dreams of becoming a seamstress and catching the eye of a nobleman But after complaining about her living conditions she is sent to Canada as a *filles du roi* expected to marry a French farmer there Laure is shocked by the primitive state of the colony and the mingling of the settlers with the native tribes When her ill matched husband leaves her alone in their derelict hut for the winter she must rely on her wits and her clandestine relationship with an Iroquois man for survival
