Savage Innocence:

Savage Innocence Cassie Edwards, 2006-07 Gray Wolf a tall Chippewa warrior has saved Danette's life and now claims her as his woman and teaches her the pleasures of love

The Dawn of Everything David Graeber, David Wengrow, 2021-11-09 INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history challenging our most fundamental assumptions about social evolution from the development of agriculture and cities to the origins of the state democracy and inequality and revealing new possibilities for human emancipation For generations our remote ancestors have been cast as primitive and childlike either free and equal innocents or thuggish and warlike Civilization we are told could be achieved only by sacrificing those original freedoms or alternatively by taming our baser instincts David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals Revisiting this encounter has startling implications for how we make sense of human history today including the origins of farming property cities democracy slavery and civilization itself Drawing on pathbreaking research in archaeology and anthropology the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter gatherers what were they doing all that time If agriculture and cities did not mean a plunge into hierarchy and domination then what kinds of social and economic organization did they lead to The answers are often unexpected and suggest that the course of human history may be less set in stone and more full of playful hopeful possibilities than we tend to assume The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom new ways of organizing society This is a monumental book of formidable intellectual range animated by curiosity moral vision and a faith in the power of direct action Includes Black and White Illustrations

No One to Meet Raphael Falco, 2025-09-15 A groundbreaking appreciation of Dylan as a literary practitioner WINNER OF THE ELIZABETH AGEE PRIZE IN AMERICAN LITERATURE The literary establishment tends to regard Bob Dylan as an intriguing if baffling outsider That changed overnight when Dylan was awarded the 2016 Nobel Prize in Literature challenging us to think of him as an integral part of our national and international literary heritage No One to Meet Imitation and Originality in the Songs of Bob Dylan places Dylan the artist within a long tradition of literary production and offers an innovative way to understand his unique and often controversial methods of composition Dylan expert Raphael Falco traces the similarities between the way Dylan borrows digests and transforms traditional songs and what Renaissance writers called imitatio Although Dylan's lyrical postures may suggest an avant garde consciousness No One to Meet shows that Dylan's creative process creatively expands methods used by classical and Renaissance authors Drawing on numerous examples including Dylan's previously unseen manuscript excerpts and archival materials Raphael Falco illuminates how the ancient process of poetic imitation handed

down from Greco Roman antiquity allows us to make sense of Dylan s musical and lyrical technique By placing Dylan firmly in the context of an age old poetic practice No One to Meet deepens our appreciation of Dylan s songs and allows us to celebrate him as what he truly is a great writer *Wild Desire* Cassie Edwards,2015-04-01 First in the Wild series from the New York Times bestselling author a captivating tale of forbidden but irresistible love in the Old West Stephanie Helton has long heard tales of the white boy the Navaho kidnapped and called Runner impressed by his speed Now he is a man destined to be his adopted people s leader Thanks to her father s status with the Santa Fe Railroad Stephanie has been hired to photograph the enchanting Southwest and will soon meet Runner in the flesh An inexplicable thrill runs through her at the idea but the reason becomes clear the moment she and the powerful darkly sensual man lock eyes The force between them can only lead to stolen kisses and overwhelming desire But as the railroad betrays the Navaho nation Runner soon finds his soul in torment Can he lead his people yet join his destiny with this woman Stephanie knows only that her heart may break For how can she be both Runner s love and his enemy Praise for Cassie Edwards Breathtaking Cassie Edwards is one of the leading writers of historical Native American romance Fresh Fiction Cassie Edwards captivates with white hot adventure and romance Karen Harper A sensitive storyteller who always touches readers hearts RT Book Reviews Edwards moves readers with love and compassion Bell Book Candle *Her Forbidden Pirate* Cassie Edwards,2009 When Rocco Volpe suggests Amber should be his mistress she turns him down But Amber quickly changes her mind for her son Freddy s sake Rocco might believe Amber had once betrayed him but he still wants his baby son and Amber *Beloved Embrace* Cassie Edwards,2008 New York Times bestselling author Cassie Edwards captivates with this tale of a man and woman from two different worlds who embark on an unforgettable journey of adventure and passion on the high seas From the moment Leana Rutherford s eyes meet the fierce gaze of the pirate keeping her captive she realizes her life is about to change For instead of fearing what the future may bring she finds herself welcoming the chance to be held in the arms of a man who always gets what he wants Abducted from his family as a young boy Brandon Seton has only known the free and stormy seas of a pirate s life But throughout his many voyages and conquests he has never set eyes on a woman like Leana Unfettered by land or law his desire for her spirited beauty may put him at his greatest risk yet but also bring him measureless riches *The Wild Man Within* Edward Dudley,Maximillian E.
