Savannah in the Old South Walter J. Fraser, 2005 An engaging narrative tells the story of Savannah Georgia from the hopeful arrival of its first permanent English settlers in 1733 to the uncertainties faced by its Civil War survivors in 1865 Reprint **Annual Report of the President and Directors of the Corn and Flour Exchange of the City of Baltimore ...** Chamber of Commerce of Metropolitan Baltimore, 1915 Johnny Mercer Glenn T. Eskew, 2013-11-15 John Herndon Johnny Mercer 1909-76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer's songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T. Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped

redirect American popular music by commodifying these formerly distinctive regional sounds into popular music. When rock n roll diminished opportunities at home, Mercer looked abroad collaborating with international composers to create transnational songs. At heart, Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist, and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience.

The Papers of Jefferson Davis Jefferson Davis, 2003. During the last nine months of the Civil War, virtually all of the news reports and President Jefferson Davis's correspondence confirmed the imminent demise of the Confederate States, the nation Davis had striven to uphold since 1861. But despite defeat after defeat on the battlefield, a recalcitrant Congress, naysayers in the press, disastrous financial conditions, failures in foreign policy and peace efforts, and plummeting national morale, Davis remained in office and tried to maintain the government even after the fall of Richmond until his capture by Union forces on May 10, 1865.

Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers L. Lamar Nisly, 2011. Flannery O'Connor, Tim Gautreaux, and Walker Percy are all Catholic writers from the South and seem to embody very fully both parts of that label. Yet as quickly becomes clear in their writing, their fiction employs markedly different tones and modes of addressing their audience. O'Connor seems intent on shocking her reader, whom she anticipates will be hostile to her deepest beliefs. Gautreaux gently and humorously engages his reader, inviting his expected sympathetic audience to embrace the characters' needed moral growth. Percy satirically lampoons an array of social ills and failings in the Church as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture. Why do these three writers assume such divergent images of their audience? Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common? To answer these questions, Nisly helps readers understand these authors' fiction by examining the role that place and time had in shaping each author's idea of an audience and by extension, his or her manner of addressing that audience. More specifically, Nisly focuses on each author's experience of Catholic community and each author's placement in relation to the Second Vatican Council. Linking together biographical information and a reading of their fiction, Nisly argues that O'Connor's, Gautreaux's, and Percy's sense of audience has been shaped in significant ways by each author's own local experience of Catholicism in his or her home region, as well as the larger global changes of Vatican II that transformed Roman Catholicism.
