Saving Christianity From Empire:

Saving Christianity From Empire Jack Nelson-Pallmeyer, 2005-02-08 Nelson Pallmeyer calls into question the imperialistic tendencies of the United States using the life of Jesus to offer a critique of such tendencies **Reviews in Theology and Mission**, Universal Salvation in Late Antiquity Michael Bland Simmons, 2015 A new study of Porphyrian soteriology or the concept of the salvation of the soul in the thought of Porphyry of Tyre Christian America and the Kingdom of God Richard T. Hughes, Christina Littlefield, 2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work Christian America and the Kingdom of God spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation The Church in the Time of Empire David Woodyard, 2011-12-16 Literature abounds on the nature of empire and the ways in which America embodies it As a nation we have rigorously attempted to define the reality in which other peoples live One could think of empire as jurisdiction without boundaries As the nation that got right we have an obligation to impose our social political and economic orders on other nations Several decades of perpetual wars document that Unfortunately religious legitimization is prominent and persistent We designate ourselves as the biblical city on a hill an indispensable nation and even God s chosen people This echoes in the declaration of President George W Bush that God wanted me to bomb Iraq What is missing in the literature is centering the issue in the life and mission of the church Has the church been a co conspirator in the authorization of the American empire Has the church an obligation to terminate the symbol lending that anoints empire with holy water Is scripture a warrant for seeing the biblical people as a community of perpetual resistance Can the sacraments be instrumental in establishing opposition to empire Can the church be Rome in reverse **The Arrogance of Nations, paperback edition** Neil Elliott, 2010 Elliott offers a fresh and surprising reinterpretation of Paul s letter to the Romans in the context of Roman imperial ideology bringing to the text the latest insights from classical studies rhetorical criticism postcolonial criticism and people s history By setting the letter alongside Roman texts Cicero Virgil the Res Gestae of Augustus Seneca poets from the age of Nero as well as later historians and satirists Elliott provides a dramatic new reading of the letter as Paul s confrontation with the arrogance of empire and an emerging Christianity already tempted by the seductive ideology of imperial power **Spaces of Security and Insecurity** Alan Ingram, 2016-04-01 Drawing on critical geopolitics and related strands of social theory this book combines new case studies with theoretical and methodological reflections on the geographical analysis of security and insecurity It brings together a mixture of early career

and more established scholars and interprets security and the war on terror across a number of domains including international law religion migration development diaspora art nature and social movements At a time when powerful projects of globalization and security continue to extend their reach over an increasingly wide circle of people and places the book demonstrates the relevance of critical geographical imaginations to an interrogation of the present

Preaching the Sermon on Themount , A Palestinian Christian Cry for Reconciliation Naim Stifan Ateek,2008 From the text The background is clear Jerusalem has been conquered and re conquered more than 37 times The latest conquest in 1967 was by the Israeli army After the war Israel took in not only the 5 square kilometers of Arab East Jerusalem but also 65 square kilometers of surrounding open country and villages most of which never had any municipal link to Jerusalem Overnight they became part of Israel s eternal and indivisible capital The history of Jerusalem has been written with blood The first part of this sequel to Justice and Only Justice focuses on events since the Intifada of 1987 including the violence that has come from Israel s aggression and from the use of suicide bombers by Palestinians The second part of the book draws on scripture lifting up biblical figures such as Samson Jonah Daniel and Jesus as it examines issues of ownership of the land In the final section Ateek presents a strategy to achieve peace and justice nonviolently that will promote justice for the Palestinians and security for both Israel and Palestine

BOOK JACKET **Walk Humbly with the Lord** Viggo Mortensen,Andreas Osterund Nielsen,2010-12-17 In June of 1910 delegates gathered in Edinburgh for the first World Missionary Conference One hundred years later the 2010 Church and Mission in a Multireligious Third Millennium conference sought to reconcile a century of seismic shifts in the worldwide landscape of the church with its ongoing mandate to make disciples of all nations Arising out of that recent conference Walk Humbly with the Lord presents a broad multinational spectrum of contemporary approaches to both theology and missiology Recognizing that the old Western notion of Christendom which formed the cultural backdrop of Edinburgh 1910 is now long obsolete the book s twenty seven forward thinking contributors respond to globalization and the enormous growth of religious pluralism worldwide offering reflections on the future of missiology and the relationship of church and mission Together they speculate about the possible shape of Christianity in a multireligious age as God works out new and unforeseen schemes in the reconciliation of the world I wish I could have been at the conference from which this book comes Viggo Mortensen and Andreas Nielsen have assembled a marvelous collection of reflections on mission that will be especially helpful to Christians committed to living faithfully and missionally in today s pluralistic world If a new postsecular reality is emerging as some are saying these essays will help the church be a sign of hope and stability in such a new age

Saving Paradise Rebecca Ann Parker, Rita Nakashima Brock, 2008-07-01 A fascinating theological study of how early Christianity's message of love and community has evolved into one of punishment and empire During their first millennium Christians filled their sanctuaries with images of Christ as a living presence as a shepherd teacher healer or an enthroned god He is serene and surrounded by lush scenes depictions of this world as paradise Yet once he appeared as crucified dying was virtually all Jesus seemed able to do and paradise disappeared from the earth *Saving Paradise* turns a fascinating new lens on Christianity from its first centuries to the present day asking how its early vision of beauty evolved into a vision of torture and what changes in society and theology marked that evolution It also retrieves for today a life affirming Christianity that the world sorely needs
