## **Saving Face My Victory Over Skin Cancer:**

**On Saving Face** Michael Keevak, 2022-06-20 In *On Saving Face* Michael Keevak traces the Western reception of the Chinese concept of face during the past two hundred years arguing that it has always been linked to nineteenth century colonialism. Lose face and save face have become so normalized in modern European languages that most users do not even realize that they are of Chinese origin. Face is an extremely complex and varied notion in all East Asian cultures. It involves proper behavior and the avoidance of conflict encompassing every aspect of one's place in society as well as one's relationships with other people. One can give face, get face, fight for face, tear up face and a host of other expressions. But when it began to become known to the Western trading community in China beginning in the middle of the nineteenth century it was distorted and reduced to two phrases only: lose face and save face, both of which were used to suggest distinctly Western ideas of humiliation, embarrassment, honor and reputation. The Chinese were judged as a race obsessed with the fear of losing their face and they constantly resorted to vain attempts to save it in the face of Western correction. Lose face may be an authentic Chinese expression but save face is different. Save face was actually a Western invention. To save or to lose face, the giving of face or the humiliating absence of such a noble gesture have since the nineteenth century been regarded as archetypal features of the puzzling cultural universe that China represented in the eyes of the West. This book is the fruit of many years of meticulous research by Michael Keevak, conclusively argued and importantly enjoyably written. A must for any reader with an interest in Chinese culture. Lars Laamann, SOAS University of London. Revising assumptions that saving face is a term of exclusively Chinese origin, Keevak traces deftly how the expression emerged rather in a shuttle movement between East and West in European colonialist efforts to pinpoint and essentialize Chineseness. This lucidly written book brings us to new understanding of an old term. Emily Sun, Barnard College, Columbia University.

I began to write a few days after my surgery when I was at home recovering. It is a book written while I battled the disease. Since I wrote it while things were happening on its pages I poured my heart. In it are my weaknesses and my strengths. Is a book that provokes many emotions to cry to laugh to reflect. I included photos that illustrate many of the things I talk about. There are testimonies of my husband, my children and other relatives where they reflect the way they

handled the battle It is a book that conveys the love of God and the love of family and friends who accompanied me throughout my process A book inspired by the Holy Spirit I could not have written it without His help It is my desire that every person who reads it receives hope peace love and faith to face any difficult circumstances and experience God's embrace *New Books on Women and Feminism* ,2001 **Forthcoming Books** Rose Arny,2000 [American Book Publishing Record](#) ,2001 *Victory Lane: A Korean War Veteran's Journey Through the VA Health System* Cathy J Lueers,2016-10-05 What is going on with the VA Health System When a Korean War veteran and Purple Heart medalist receives a shocking medical diagnosis he and his daughter scramble across the country in a race against time to find hope and treatment This true story peels back the covers in a rare personal look at real issues confronting the VA health system offering insights and hope to caregivers and the heroes they serve **Best Life** ,2006-11 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life **Consumer Health & Nutrition Index** ,1991 **Road & Rec** ,1996 **The Gifts of Acceptance: Embracing People and Things As They Are** Daniel A Miller,2022-01-27 A Library Journal Best Wellness Book of 2018 2018 Self Help Silver Medal Winner Independent Book Publishers Association 2018 Non Fiction Audio Book Silver Medal Winner Independent Book Publishers Association 2018 Foreword Reviews Book of the Year Award Finalist Family of life's adversities and the limitations of getting older and perhaps toughest of all of yourself You will learn how practicing acceptance helps you Navigate life's ups and downs more easily Enjoy greater trust openness and intimacy with your loved ones and those closest to you Survive control freaks foes and other crazy makers Lift self imposed burdens and obligations and experience less stress frustration and worry Reduce the struggle with your children Strengthen bonds with coworkers and business associates Discover new choices and opportunities in the most discouraging situations Turn setbacks and failures to future successes Find the path to assured self acceptance THE GIFTS OF ACCEPTANCE is a book with the potential to repair relationships revitalize careers and make the world a better place **Men's Health** ,2008-01 Men's Health magazine contains daily tips and articles on fitness nutrition relationships sex career and lifestyle [Index de Périodiques Canadiens](#) ,2001 **The Cancer Whisperer** Sophie Sabbage,2016-03-10 I have cancer Cancer does not have me Sophie Sabbage was diagnosed with late stage incurable lung cancer in October 2014 She was 48 years old happily married with a 4 year old daughter Since that day when doctors told Sophie that her prognosis was poor she has been on a remarkable journey of healing and transformation that has reshaped her vocation as well as changed her life for the better The Cancer Whisperer chronicles Sophie's extraordinary relationship with cancer and the methods that she has used for dealing with fear anger denial and grief The essence of cancer whispering was born of Sophie's determination to take cancer off the battlefield and into the classroom Instead of going to war with it Sophie has chosen to listen to it learn from it and choose her own response to it Sophie offers a radically different way of relating to this disease both mentally and practically she shares the research
