

The background of the image is a scenic landscape featuring rolling mountains and a valley. The sky is a warm, golden-orange color, suggesting a sunset or sunrise. The mountains are silhouetted against the bright sky, with some peaks catching the low light. The overall mood is peaceful and contemplative.

The more I live, the more I think
that humor is the saving sense.

Beyond Simple Belief JF Jeff Etchberger with JL Julie Lopes, 2021-03-16 This book focuses on how God transforms simple belief that which enables us to believe in Jesus Christ as the Son of God who died for our sins into genuine faith like that of Abraham Jacob David and others The biblical texts of the lives of these individuals reveal that genuine belief is the beginning of movement in the process of becoming of being transformed over time This process moves a person's faith beyond simple belief comprised of mental assent to facts to a genuine faith that encompasses trust in God surrender to his will and a heartfelt embrace of what is believed This genuine faith results in obedience to the one believed Many biblical texts make it explicit that it is God the Holy Spirit who does this work of transformation Scripture provides no direct explanation about how that work is accomplished however the texts reveal it when you look for it This book reexamines some of the familiar biblical stories of well known and important biblical characters We focus on how God brought about his transforming work through daily life events to move each one over time from simple belief to genuine faith anchored in deep trust This trust enabled them to obey God in challenging circumstances We pray that this analysis of the great biblical characters as revealed in Scripture will help you understand how God might be working in your own life to transform your simple belief into genuine faith
