themes liberation from oppressive powers reconciliation in the face of division and the hope of resurrection in the face of death for instance also deserve to be studied and preached Affirming orthodox teaching while offering a positive take on marginal views Saving Power is a crucial resource for anyone who seeks a fuller understanding of Christ's work Be Saved! Robinson,2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed *Saved by Angels* Bruce Van Natta,2008-06-28 Many people believe in and practice praying to the Lord but the Bible is very clear that the Lord also speaks back to us in various ways This book goes into detail about the 7 different ways that God speaks to us as found in the Bible and how that applies to our lives today It reveals to us that these 7 areas are not just the different ways that God still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with God involves It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that

God desires to have with each of us Throughout the book several Biblical and personal examples are used to validate each section The reader is also given opportunities to see how God has already been talking to them in his her own life and then record these examples at the end of every chapter Each person who reads this book is challenged to grow in his her relationship with the Lord and is given many tools to help accomplish that This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk
