Elopement She is ready to settle for a marriage without love He never wants to marry But their meeting is explosive After an unrequited dalliance Cecilia Gaywood is certain that she will not be able to hold her husband's attention for long Thus she seeks a loveless but comfortable union Archie Montagu has never considered marriage seriously But when he meets Cecilia he cannot help but be intrigued Cecilia tries to fight her attraction to him but despite their efforts a friendship slowly blossoms between them But when the two accidentally elope they soon find themselves married Cecilia is still certain that she cannot hold her husband's attention for long and with Archie disappearing and receiving strange letters she fears she is losing her his attention much sooner than she anticipated

Three Wishes Upon a Tombstone Can they turn friendship into love Especially when she has no desire to remarry On the four year anniversary of her husband's death Rosie decides that it is time she starts living her life again instead of simply surviving She makes three wishes on her husband's tombstone She wants to start a charity she wants to host the party of the season and she wants another child And where does her childhood friend Gregory fit into this Absolutely nowhere The desire she starts feeling for him is highly inconvenient especially when it turns into more than attraction If you like steamy stories from the Regency and Victorian Era this box set might be for you This is a box set of the last four novels in the Lust and Longing series They are Historical Regency Romances about love and lust friends to lovers arranged marriages secret affairs and accidental elopements all with a happy ever after *Eternal Winter* K L Jones, 2019-08-28 The fragile balance of the Isle is shaken when a fallen god rises to challenge the iron might of Mage Grapple Faced with an uncertain future the Isle must look to the past for answers Bitter feuds resurface and old secrets are exposed revealing more of Mage De Winter's dark past When the very foundations of power on the Isle are destroyed chaos seems set to reign throwing the turbulent brilliance of Mistral's life into darkness How far would you go to protect those you love Would you fight for them Kill for them Die in their place For some there are no limits *Eternal Winter* is the epic fourth book in the dark fantasy series *Isle of Dreams* *When the walls came tumbling down - eBook* Marianne Jansson, Riitta Lemmetyinen, 2022-08-08 If the Son makes you free you will be free indeed John 8:36 Jesus Christ addresses his listeners with this marvellous promise His message of the Gospel brings people into communion with God and frees them from the bondage of sin guilt fear and despair At the same time he establishes the fellowship of believers and unites them by his Spirit and his love Blessed be the tie that binds our hearts in Christian love the fellowship of kindred minds is like to that above John Fawcett 1782 Therefore it is not surprising that people throughout the centuries have been attracted by communities marked by Christian faith love and hope The expectation to believe live and serve together within a group of fellow Christians has inspired countless people to join these organizations some of which have therefore grown to an amazing size Obviously these organizations like all others need a certain structure For whatever reason this structure is often strongly hierarchical giving a lot of power to the leader's Due to the comprehensive spiritual setting of these organizations the position and decision of the leadership is normally justified by spiritual arguments as well The leader's have been intrusted

by God with their responsibility for the group and therefore the members should respect them accordingly and obey their instructions Unfortunately there seems to be a tendency that such leadership breaks away from its biblical basis and turns into a kind of authoritarian rule substantiated by Bible verses This means that the freedom of the Gospel and the rules of the structure often enter in conflict If aberrations from the basis of faith in Jesus Christ are detected they should be corrected This presupposes however that the teachings and rules of these organizations are known and can be verified on the basis of the Bible From the very beginning the Christians have been exhorted to check the preaching and teaching which they receive from their leaders whether it matches with the Gospel of Jesus Christ The two authors of this book Marianne and Riitta have experienced the attraction of Christian fellowship within the Sisterhood of Mary in Darmstadt Germany Subsequently they have lived and suffered the conflict between the spiritually and psychologically rigid structure of the organization and the freedom of the Gospel which they came to know They describe their experiences of the time after the walls had come tumbling down And they undergo the arduous task to decipher the code of the spiritual system of the Sisterhood and assess it on the basis of the Biblical Gospel It is my hope that their work might serve as an example to many Christians to become aware more clearly of the treasure of the Gospel of Jesus Christ And that this awareness enables them to listen to preaching and teaching more attentively joining themselves with the people at Berea who welcomed Paul's message very eagerly examining the Scriptures daily to see whether these things were so Acts 17:11 If in this way this book contributes to further Christian maturity Riitta's and Marianne's painful pilgrimage would not have been in vain
