Making The Team:

Making the Team Kelsey Blair, 2017-01-01 When Hannah doesn't make the Grade 8 girls basketball team and her best friend June does Hannah misses playing basketball and being part of a team Worse she and June don't spend as much time together and start growing apart How can Hannah ensure that she makes the team next year while all the other players are playing more and getting better this year As she develops her basketball skills and confidence she realizes she stands a good shot at making the high school team But can she ever get her friendship with June back

Making the Team Timothy Morris, 1997 He concludes with a chapter that asks What does it mean to be literary What distinguishes high art from a baseball novel or a mystery or a romance novel or pornography Making the Team suggests that drawing the line may be a more vital concern not just for scholars but for Americans at large than anything critics have argued about for a very long time

Making the Team Denny Newburn, 2006 John is a keen basketball player He dreams of playing for his country one day His life revolves around basketball team practices and games It's hard to fit in homework and his job delivering papers but John manages Then one day everything changes back cover

Making the Team Laurie Cerny, 2020-04-24 Phoebe O'Brien is glad to finally be starting middle school for one main reason she can try out for the school's equestrian team What she didn't expect however was that making the team would drive a wedge between her and her BFF Kallie She also didn't realize being a member of a team might also require a sacrifice that could possibly jeopardize her own performance at their first equestrian team meet Follow Phoebe and her horse Dakota as they try out for the equestrian team participate in team practices and compete at their first meet Practice and run the same showmanship and horsemanship patterns as they do Experience her encounters both good and bad with the other girls on the team And share in her validation that hard work pays off maybe it's even better than winning a blue ribbon

Making the Team LaurieLee Mitchell, 2019-11-23 Tika has her heart set on getting a spot on the soccer team In this story she has many exchanges with family and friends and they all offer her advice on how best to achieve her goal Ultimately through late night conversation with her beloved bear friend Emri she is reminded of the wisdom she carries within and the importance of listening to your heart She learns that promising I'll be happy when I postpone the happiness we could be luxuriating in today and that we need to be in charge of that happiness ourselves instead of giving that power to others We know that we have innate knowledge that feeling in our gut when all evidence points elsewhere can't be denied We need to remember to trust in this as well as the good advice of others The story also touches on the concept of worry and trying to be what others expect of us Anyone who has ever really really wanted something will relate to this story
