Laird R. Blackwell

Masters Of Mystery A Study Of The Detective Story:

Masters of Mystery Henry Douglas Thomson,1969 **Masters of Mystery** H. Douglas Thomson,1937 Masters of mystery Henry D. Thomson,1976 Masters of Mystery. A Study of the Detective Story ,1931 **Doctor-Detectives in the Mystery Novel** Howard Brody,2021-01-18 This is the first book to offer a critical analysis of one variant of the mystery story or novel the use of a physician as the major detective There is little difference between a medical case study and a mystery story The book reviews the works of major authors from R Austin Freeman Helen McCloy Josephine Bell and H C Bailey to Patricia Cornwell Kathy Reichs Aaron Elkins and Colin Cotterill with briefer reviews of minor authors It also addresses historical fictional physician detectives psychological detectives and physician detective nonfiction Physicians and health workers are avid readers of detective fiction and will welcome this volume which addresses their specific interests Its critical analysis of books that have long been viewed as central to detective fiction will also appeal to fans of the mystery story Masters of the "Humdrum" Mystery Curtis Evans,2014-01-10 In 1972 in an attempt to elevate the stature of the crime novel influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as Humdrums condemning their focus on puzzle plots over stylish writing and explorations of character setting and theme This volume explores the works of three prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symons allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath H.C. Bailey's Reggie Fortune and the Golden Age of Detective Fiction Laird R. Blackwell,2017-07-14 H C Bailey s detective Reggie Fortune was one of the most popular protagonists of the Golden Age of detective fiction Fortune appeared in nine novels yet it was in a series of 84 short stories that were published from 1920 to 1940 where he truly shone combining elements of several popular archetypes the eccentric logician the forensic investigator the hard boiled interrogator the psychological profiler the defender of justice This critical study examines the Fortune stories in the context of other popular detective fiction of the era Bailey s classics are distinguished by well clued puzzles brilliant sleuthing vivid description and social critique with Fortune evoking images of Don Quixote and the Arthurian Knights in his pursuit of truth and justice in an uncaring world **An Introduction to the Detective Story** LeRoy Panek,1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author s Preface *Mysteries Unlocked* Curtis Evans,2016-04-19 In honor of the 70th birthday of Professor Douglas G Greene mystery genre scholar and publisher this book offers 24 new essays and two reprinted classics on detective fiction by contributors around the world including ten Edgar Mystery Writers of America winners and nominees The essays cover a myriad of authors and books from more than a

century from J S Fletcher's *The Investigators* originally serialized in 1901 to P D James *Death Comes to Pemberley* published at the end of 2011. Subjects covered include detective fiction in the Edwardian era and the Golden Age between the two world wars, hard-boiled detective fiction, mysteries and intellectuals, and pastiches, short stories and radio plays.

The Annotated Innocence of Father Brown G. K. Chesterton, 2012-04-26. Father Brown, an ordinary priest whose unremarkable exterior conceals extraordinary crime-solving ability, is celebrated for his solutions to metaphysical mysteries, a genre perfected by his creator G. K. Chesterton. More than lighthearted comedies built around puzzling crimes, these superbly written tales contain deeply perceptive philosophical reflections. *The Innocence of Father Brown* 1911 was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best. In this annotated edition of the collection, the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as *The Blue Cross*, *The Secret Garden*, *The Invisible Man*, *The Hammer of God*, *The Eye of Apollo*, and seven more, as well as an informative introduction and an extensive bibliography. Included also are eight illustrations reproduced from the first edition. The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown.

Mystery Fanfare Michael L. Cook, 1983. This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981. Added to it are indexes of many magazines of related nature. This includes magazines that are primarily oriented to boys, book collecting, the paperbacks, and the pulp magazine hero characters, since these all have a place in the mystery and detective genre.

A Counter-History of Crime Fiction Maurizio Ascari, 2007-09-05. This book takes a look at the evolution of crime fiction. Considering criminography as a system of inter-related sub-genres, it explores the connections between modes of literature such as revenge tragedies, the gothic, and anarchist fiction, while taking into account the influence of pseudo-sciences such as mesmerism and criminal anthropology.

Detective Fiction W. B. Stevenson, 2013-08-22. This 1958 guide to detective fiction is divided into *The Old Masters* and *The Moderns*.

Clues: A Journal of Detection, Vol. 37, No. 2 (Fall 2019) Elizabeth Foxwell, 2020-04-06. For over two decades *Clues* has included the best scholarship on mystery and detective fiction. With a combination of academic essays and nonfiction book reviews, it covers all aspects of mystery and detective fiction material in print, television, and movies. As the only American scholarly journal on mystery fiction, *Clues* is essential reading for literature and film students and researchers, popular culture aficionados, librarians, and mystery authors, fans, and critics around the globe.

The Story of Classic Crime in 100 Books Martin Edwards, 2017-08-01. This is an exemplary reference book sure to lead readers to gems of mystery and detective fiction. Publishers Weekly starred review. This book tells the story of crime fiction published during the first half of the twentieth century. The diversity of this much-loved genre is breathtaking and so much greater than many critics have suggested. To illustrate this, the leading expert on classic crime discusses one hundred books ranging from *The Hound of the Baskervilles* to *Strangers on a Train*, which highlight the entertaining plots, the

literary achievements and the social significance of vintage crime fiction This book serves as a companion to the acclaimed British Library Crime Classics series but it tells a very diverse story It presents the development of crime fiction from Sherlock Holmes to the end of the golden age in an accessible informative and engaging style Readers who enjoy classic crime will make fascinating discoveries and learn about forgotten gems as well as bestselling authors Even the most widely read connoisseurs will find books and trivia with which they are unfamiliar as well as unexpected choices to debate Classic crime is a richly varied and deeply pleasurable genre that is enjoying a world wide renaissance as dozens of neglected novels and stories are resurrected for modern readers to enjoy The overriding aim of this book is to provide a launch point that enables readers to embark on their own voyages of discovery

A Reference Guide for English Studies Michael J. Marcuse, 2023-11-15

American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988

100 Masters of Mystery and Detective Fiction: Margery Allingham Fiona Kelleghan, 2001 This collection surveys 100 of the writers who have made the most lasting contribution to the genre Most articles are 2 500 words with longer articles on such major figures as Raymond Chandler Dashiell Hammett Ellery Queen and Rex Stout Handy ready reference listings are designed to accommodate the unique characteristics of mystery and detective fiction including author s pseudonyms types of plots principal series and principal series characters and even a glossary of terms peculiar to the genre Reference elements include a complete up to date list of authors works a glossary of mystery and detective fiction terms annotated bibliographies a time line an index of series characters and a list of authors by plot type

Comic Crime Earl F. Bargainnier, 1987 The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime

The Private Life of Sherlock Holmes Vincent Starrett, 2025-01-01 T00:00:00Z First published in the US by the Macmillan Company New York 1933 Long considered one of the benchmark works of Holmesian scholarship this is a richly informative biography of the great fictional detective Sherlock Holmes Dr Julian Wolff revered Commissionaire of the Baker Street Irregulars called this the greatest book about Sherlock Holmes ever written

This is likewise one of the factors by obtaining the soft documents of this **Masters Of Mystery A Study Of The Detective Story** by online.
