How to Unlock the Secrets,

Enigmas, and Mysteries of Ancient Egypt and Other Old Civilizations Anna Mancini, 2008-12 How to unlock the secrets enigmas and mysteries of Ancient Egypt and other old civilizations I realized while I was researching Maat the ancient goddess of justice how hard it was for Egyptologists to understand most of the ancient Egyptian artifacts only with their conscious mind Our modern mental structure bars us from entering and comprehending the logic of ancient peoples The difference in understanding the world is why so many aspects of ancient cultures remain enigmatic and strange even for the most intelligent modern scholars The ancient people possessed a much better sense of the energies of life and nature than modern man does These ancients explored the laws and properties of the intangible world and its action upon the material world They gained valuable knowledge that has been preserved in their archeological remains as well as in their archaic legal systems This type of knowledge was often rendered in symbolic dream like language and images that modern scholars are not trained to understand Moreover even when this knowledge is rendered in remarkably clear language how can one fully understand what one has never experienced It is when we dream that we come closer to the mental universe of ancient peoples While dreaming modern man becomes like the ancients aware and concerned about life energy a capacity modern man has now lost in his waking state Through learning a unique technique to decipher their dreams modern scholars would be enabled to understand more fully and perfectly how ancient people perceived the world around them differently In this book you will find an explanation of the technique I teach in my workshops which is based on more than 20 years of personal research of ancient legal systems and the connections between dreams and reality My approach is completely different from and much more practical than other techniques regarding dreams This teaching would be of great help and benefit to all scholars and intelligent people who endeavor to advance our understanding of the ancient Egyptian civilization and of other ancient worlds Anna Mancini Ph D www.amancini.com **Sell Without Selling: The Secret to Closing Big Deals**
