

Natural Healthcare At Home

Christian G. Meyer

Natural Healthcare At Home:

Doctor Mom's Natural Healthcare for Children Kathy Duerr, 2003 You're at home on the weekend or on holiday or it's after 5 p.m. and you don't know how to solve the pain or burn or bite your child has. Dr. Mom's Natural Healthcare for Children offers help. The single mother of three children, Kathy Duerr, describes the real-life treatments that worked with the common childhood illnesses that her children experienced. Divided into three parts, the book includes homeopathic and herbal medicines, infant care from breast feeding to immunisation, and common children's diseases and ailments. *Doctor Mom's Quick Reference Guide to Natural Healthcare at Home* Kathy Duerr, 2000 This is a step-by-step reference guide to empower parents in the use of natural medicine in the home. Containing scientifically sound information endorsed by many physicians, it includes personal stories and experiences, a list of basic supplies, and a variety of commonly used herbs to treat a variety of illnesses and injuries. House Call Melissa M. Dawahare, 2007-12 Are you in pain? Overweight? Tired and fatigued? Stressed and depressed? Sick of treating your symptoms with drugs that don't help? Would you like to find natural ways to solve your health problems? In *House Call: How Ordinary People Have Extraordinary Health*, you'll find natural solutions to all of these health problems and more. You'll find a simple four-part approach to achieving health and wellness naturally without medications. And it's so simple anyone can do it. A human being is like a house with four rooms: a physical room, a mental room, an emotional room, and a spiritual room. If you go into each room on a daily basis and do some light housecleaning, you can achieve optimal health and wellness. With Dr. Dawahare's complete health system, you get detailed help with the entire process, not just a list of to-dos. Dr. Dawahare shows you the secrets of health transformation and how healthy people live as well as how to heal physical pain and disease, how to have more energy, how to heal mental illness and pain, how to end depression and stress, how to heal emotional pain and baggage, how to release excess weight, how to heal spiritual suffering and pain, how to feel balanced and connected. Our Children's Health Bonnie C. Minsky, Lisa E. Holk, 2002 Leading nutritionist Bonnie Minsky takes up the cause of the rapidly declining health of our nation's children. She provides much needed practical information to give back children their inherent state of good health, normal weight, and boundless good energy. **Pharmacological Studies in Natural Oral Care** Durgesh Nandini Chauhan, Prabhu Raj Singh, Nagendra Singh Chauhan, Kamal Shah, 2023-10-10 *Pharmacological Studies in Natural Oral Care*, edited by a natural product scientist, clinician, pharmacologist, and a dental surgeon, the book helps oral care specialists to implement safe and effective natural medicine therapies to complement current practice guidelines. With oral care specialists focusing their attention on the interdisciplinary connections between oral health, heart health, gastrointestinal health, etc., and with increasing antibiotic resistance and stronger antibiotics now reserved for serious active infection, the importance of herbal antibiotics is increasing exponentially. This book helps to implement safe and effective natural medicine therapies to complement the current practice guidelines. *Pharmacological Studies in Natural Oral Care* is a comprehensive compilation and explores all the measures to

utilize the natural oral care obtained from plants animals and mineral drugs for dental care Herbal extracts are used in dentistry for reducing inflammation as antimicrobial plaque agents for preventing the release of histamine and as antiseptics antioxidants antimicrobials antifungals antibacterials antivirals and analgesics They also aid in healing and are effective in controlling microbial plaque in gingivitis and periodontitis thereby improving immunity Audience This important new book will be invaluable to medicinal chemists pharmacologists natural product formulation scientists dental surgeons orthodontists periodontists endodontists prosthodontists maxillofacial surgeons dentists oral hygienists as well as a reference for the pharmaceutical herbal industries and dental libraries

Natural Beverages Alexandru Grumezescu, Alina Maria Holban, 2019-06-21 Natural Beverages Volume Thirteen in the Science of Beverages series takes a multidisciplinary approach to address the shifting beverage landscape towards the global trend of natural beverages As global beverage consumption has progressed towards healthier and natural ingredients researchers and scientists need to understand the latest scientific developments and the proposed health benefits and improved effects Classical examples are presented as a basis for innovation expansion to help new researchers understand this segment of the industry This is a great resource for researchers and scientists in the beverages industry Describes natural beverage production and its impact on nutritional value Provides overall coverage of hot topics and scientific principles in the beverage industry Explores the pros and cons of natural vs artificial beverages in product development Covers the production of all commonly consumed natural beverages
