A Naturalist Buys an Old Farm Edwin Way Teale, 1974 A classic work of natural history is once again available in a paper edition      Naturalist Buys Old Farm Edwin Way Teale, 1975-09-01      Hidden in Plain Sight David K. Leff, 2012-07-10 The art of discovering cultural and natural treasures in everyday landscapes In the course of the mundane routines of life we encounter a variety of landscapes and objects either ignoring them or looking without interest at what appears to be just a tree stone anonymous building or dirt road But the deep traveler according to Hartford Courant essayist David K Leff doesn't make this mistake Instead the commonplace elements become the most important By learning to see the magic in the mundane we not only enrich daily life with a sense of place we are more likely to protect and make those places better Over his many years working at the Connecticut Department of Environmental Protection and writing about the state's landscape Leff gained unparalleled intimacy while traveling its byways and back roads In Hidden in Plain Sight Leff's essays and photographs take us on a point by point journey revealing the rich stories behind many of Connecticut's overlooked landmarks from the Merritt Parkway and Cornwall's Cathedral Pines to roadside rock art and centuries old milestones

**Through a Naturalist's Eyes** Michael J. Caduto, 2016-10-04 A journey through the natural world of New England with an expert guide and reflections on the relationship between nature and humankind      **Rebecca of Hickory Point Farm** Rebecca Kordatzky, 2025-08-19 Twenty five year old Fred Wilson eager for adventure was sure to find it by following the national decree Go west young man Go west His dream To own a ranch and be a cowboy Hello Abilene Kansas There had to be plenty of excitement there the destination of many Texas cattle drives along the Chisholm Trail His Kansas Adventure began on January 18 1901 Fred and his younger brother Randall rented a 1 000 acre ranch along the Smoky Hill River southwest of Abilene Kansas from Mr Hoover Yes Adventure aplenty new friends doing their own housekeeping running a ranch dealing with smallpox and influenza adjusting to snow rain and drought Join Rebecca Fred's granddaughter as she shares his journey via the letters he sent and received that year Along the way stop off at Hickory Point Farm with her to learn more about life on a farm about fifty years later Allow the Time Capsule Connections to establish stronger visualizations and deepen your understanding of the settings Let the themes soak into your heart family friendship and growth of love Stop to reflect on and appreciate the gifts of history and heritage      **The Best of Pickering** Sam Pickering, 2009-12-22 Praise for Sam Pickering Pickering has all of Thurber's humor and he writes as well as E B White He writes with passion wit and a strange personal note of self mockery he is humanely educated wise and capable of a wide range of stylistic effects Jay Parini he writes in the tradition of Montaigne hammering together a ramshackle affair of surprising nooks crannies and additions all under the same roof The Oxford American Pickering has the natural essayist's intimate yet distanced take on the world that combines a devotion to particulars with a near indifference to the status and achievement mongering that marks modern life Publishers Weekly Pickering writes with the sensitivity and craft of a poet

finding meaning in the commonplace and ordinary Library Journal Pickering's genre is unique but I'm not sure anyone else can write this stuff I can live with that as long as Pickering himself continues to wend through the forests classrooms airports billiards championships hometown parades and his inner world of Tennessee gags and characters Hartford Courant His writing is as unique and recognizable as the music of Mozart the painting of Picasso or the poetry of Dickinson Yet most Americans likely know Sam Pickering the University of Connecticut English professor from the movie Dead Poets Society In the film Robin Williams plays an idiosyncratic instructor based on Pickering who employs some over the top teaching methods to keep his subjects fresh and his students learning Fewer probably know that Pickering is the author of more than 16 books and nearly 200 articles or that he's inspired thousands of university students to think in new ways And while Williams may have captured Pickering's madcap classroom antics he didn't uncover the other side of the author Sam Pickering as one of our great American men of letters The Best of Pickering amply demonstrates Pickering's amazing powers of perception and gives us insight into the mind of a writer nearly obsessed with turning his back on the conventional trappings of American success a writer who seems to prefer lying squirrel's eye level next to a bed of daffodils in the spring or trespassing on someone else's property to pursue a jaunt through joe pye weed and goldenrod Indeed Pickering's philosophy at least on paper may very well be Now is the only time If you haven't met Sam Pickering before prepare to be surprised and delighted by these wry and sometimes self-deprecating essays that are witty and elegant and concrete yet wander widely and include Pickering's well-trod fictional Southern town of Carthage Tennessee full of strange goings on This definitive collection of the best of Pickering is a must for Pickering fans and a fine introduction for the uninitiated to one of our greatest men of letters
