Nature And Culture In Dh Lawrence

Scott Russell Sanders

Nature And Culture In Dh Lawrence:

Nature and Culture in D.H. Lawrence Aidan Burns, 1980-06-18 **D. H. Lawrence's Philosophy of Nature**

Tianying Zang, 2011 This book is a study of D H Lawrence's view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity has been examined between Lawrence's ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism In Lawrence's novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus Dharmakaya by Buddhists and Tao by Taoists His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism

D. H. Lawrence, Ecofeminism and Nature Terry Gifford, 2022-09-30 Shortlisted for the ASLE UKI Prize for Best Academic Monograph This is the first ecocritical book on the works of D H Lawrence and also the first to consider the links between nature and gender in the poetry and the novels In his search for a balanced relationship between male and female characters what role does nature play in the challenges Lawrence offers his readers How far are the anxieties of his characters in negotiating relationships that might threaten their sense of self derived from the same source as their anxieties about engaging with the Other in nature Indeed might Lawrence's metaphors drawn from nature actually be the causes of human actions in *The Rainbow* for example The originality of Lawrence's poetic and narrative strategies for challenging social attitudes towards both nature and gender can be revealed by new approaches offered by ecocritical theory and ecofeminist readings of his books This book explores ecocritical notions to frame its ecofeminist readings from the difference between the Other and otherness in *The White Peacock* and *Lady Chatterley's Lover* anotherness in the poetry of *Birds Beasts and Flowers* psychogeography in *Sea and Sardinia* emergent ecofeminism in *Sons and Lovers* land and gender in *The Boy in the Bush* gender dialogics in *Kangaroo* human animality in *Women in Love* trees as tests in *Aaron's Rod* to radical animism in *The Plumed Serpent* Finally three late tales provide a reassessment of ecofeminist insights into Lawrence's work for readers in the present context of the Anthropocene

Rolf Gardiner: Folk, Nature and Culture in Interwar Britain Mike Tyldesley, 2016-04-08 Folk dancer forester poet and visionary Rolf Gardiner 1902-71 is both a compelling and troubling figure in the history of twentieth century Britain While he is celebrated as a pioneer of organic farming and co founder of the Soil Association Gardiner's organicist outlook was not confined to agriculture alone Convinced that a healthy culture and society could only flourish when it was rooted in the soil Gardiner sought national regeneration too One of the most colourful and controversial figures of the interwar period Gardiner believed Britain's future lay not with its doomed empire but in ever closer union with its kin folk kin tongued neighbours in Germany the Netherlands and Scandinavia Fascinated by the Weimar Republic's myriad youth leagues and life reform movements Gardiner became an important conduit between North Sea and Baltic Yet while an enthusiasm for hiking nudism folk dancing and voluntary

labour camps must have appeared harmlessly eccentric to many in 1920s Britain by the late 1930s Gardiner's continued engagement with Germany was to have altogether darker connotations This volume which brings together seven scholars currently working on different aspects of Gardiner's life and work eschews a straightforwardly biographical approach and instead focuses on the decades when he was at his most dynamic and radical Situating Gardiner within the wider political and cultural contexts of the interwar years and exploring youth culture the origins of the organic movement Anglo German relations and British cultural history it is an essential addition to modern history libraries **Ted Hughes, Nature and Culture** Neil Roberts, Mark Wormald, Terry Gifford, 2018-09-29 The fourteen contributors to this new collection of essays begin with Ted Hughes's proposition that every child is nature's chance to correct culture's error Established Hughes scholars alongside new voices draw on a range of approaches to explore the intricate relationships between the natural world and cultural environments political as well as geographical which his work unsettles Combining close readings of his encounters with animals and places and explorations of the poets who influenced him these essays reveal Ted Hughes as a writer we still urgently need Hughes helps us manage in his words the powers of the inner world and the stubborn conditions of the other world under which ordinary men and women have to live **Nature and Culture** Barbara Novak, 2007-02-12 In this richly illustrated volume featuring more than fifty black and white illustrations and a beautiful eight page color insert Barbara Novak describes how for fifty extraordinary years American society drew from the idea of Nature its most cherished ideals Between 1825 and 1875 all kinds of Americans artists writers scientists as well as everyday citizens believed that God in Nature could resolve human contradictions and that nature itself confirmed the American destiny Using diaries and letters of the artists as well as quotes from literary texts journals and periodicals Novak illuminates the range of ideas projected onto the American landscape by painters such as Thomas Cole Albert Bierstadt Frederic Edwin Church Asher B Durand Fitz H Lane and Martin J Heade and writers such as Ralph Waldo Emerson Henry David Thoreau and Frederich Wilhelm von Schelling Now with a new preface this spectacular volume captures a vast cultural panorama It beautifully demonstrates how the idea of nature served not only as a vehicle for artistic creation but as its ideal form An impressive achievement Barbara Rose The New York Times Book Review An admirable blend of ambition elan and hard research Not just an art book it bears on some of the deepest fantasies of American culture as a whole Robert Hughes Time Magazine **People and Places of Nature and Culture** Rod Giblett, 2014-05-27 Using the rich and vital Australian Aboriginal understanding of country as a model People and Places of Nature and Culture affirms the importance of a sustainable relationship between nature and culture While current thought includes the mistaken notion perpetuated by natural history ecology and political economy that humans have a mastery over the Earth this book demonstrates the problems inherent in this view In the current age of climate change this is an important appraisal of the relationship between nature and culture and a projection of what needs to change if we want to achieve environmental stability *The Culture of Nature in the History of Design* Kjetil

Fallan,2019-03-26 *The Culture of Nature in the History of Design* confronts the dilemma caused by design's pertinent yet precarious position in environmental discourse through interdisciplinary conversations about the design of nature and the nature of design. Demonstrating that the deep entanglements of design and nature have a deeper and broader history than contemporary discourse on sustainable design and ecological design might imply, this book presents case studies ranging from the eighteenth to the twenty-first century and from Singapore to Mexico. It gathers scholarship on a broad range of fields/practices from urban planning/landscape architecture and architecture to engineering design/industrial design/furniture design and graphic design. From adobe architecture to the atomic bomb from the bonsai tree to Biosphere 2 from pesticides to photovoltaics from rust to recycling, the culture of nature permeates the history of design. As an activity and a profession always operating in the borderlands between human and non-human environments, design has always been part of the environmental problem whilst also being an indispensable part of the solution. The book ventures into domains as diverse as design theory/research/pedagogy/politics/activism/organizations/exhibitions and fiction and trade literature to explore how design is constantly making and unmaking the environment and conversely how the environment is both making and unmaking design. This book will be of great interest to a range of scholarly fields from design education and design history to environmental policy and environmental history.

D. H. Lawrence Scott Russell Sanders,1974 *Studies in Lawrence's five major novels: Sons and Lovers, The Rainbow, Women in Love, The Plumed Serpent, and Lady Chatterley's Lover*

The Nature of Being Human Harold Fromm,2009-05-04 Although the physical relationship between the natural world and individuals is quantifiable, the psychosocial effect of the former on the latter is often less tangible. What, for instance, is the connection between the environment in which we live and our creativity? How is our consciousness bounded and delimited by our materiality? And from whence does our idea of self and our belief in free will derive, and when do our surroundings challenge these basic assumptions? Ecocritic Harold Fromm's challenging exploration of these and related questions twines his own physical experiences and observations with insights gathered from both the humanities and the sciences. Writing broadly and personally, Fromm explores our views of nature and how we write about it. He ties together ecology, evolutionary psychology, and consciousness studies to show that our perceived separation from our surroundings is an illusory construct. He argues for a naturalistic vision of creativity, free will, and the literary arts unimpeded by common academic and professional restraints. At each point of this intellectual journey, Fromm is honest, engaging, and unsparing. Philosophical, critical, often personal, Fromm's sweeping interdisciplinary and sometimes combative essays will change the way you think about your place in the environment.

Arundhati Roy's *The God of Small Things* Alex Tickell,2007-05-07 On publication, Arundhati Roy's first novel *The God of Small Things* (1997) rapidly became an international bestseller, winning the Booker Prize and creating a new space for Indian literature and culture within the arts, even as it courted controversy and divided critical opinion. This guide to Roy's ground-breaking novel offers an accessible introduction to the text and contexts of *The God of Small Things*, a critical

history surveying the many interpretations of the text from publication to the present a selection of new essays and reprinted critical essays by Padmini Mongia Aijaz Ahmad Brinda Bose Anna Clarke milienne Baneth Nouailhetas and Alex Tickell on *The God of Small Things* providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of *The God of Small Things* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Roy's text *Mimicry and Display in Victorian Literary Culture* Will Abberley, 2020-06-11 The book reveals how Victorians biologized appearance reimagining imitation concealment and self presentation as evolutionary adaptations **The Mimetic Nature of Dream Mentation:**

American Selves in Re-formation Jeannette Marie Mageo, 2022-01-12 Based on over a decade of research this book connects dream studies to cognitive anthropology to perspectives in the humanities on mimesis ambiguity and metaphor to current dream research in psychology and to recent work in economic and political relations Traveling the dreamscapes of a variety of young people Mimesis and the Dream explores their encounters with American cultures and the identities that derive from these encounters While ethnographies typically concern shared social habits and practices this book concerns shared aspects of subjectivity and how people represent and think about them in dreams Each chapter grounds theory in actual cases It will be compelling to scholars in multiple disciplines and illustrates how dreaming offers insights into twenty first century debates and problems within these disciplines bringing a vital theoretically eclectic approach to dream studies

Soulcraft Bill Plotkin, 2003 In contemporary America we lack ceremony and initiation rites to pass from one part of life to the next *Book Review Digest*, 1927 **Ecocriticism and the Idea of Culture** Helena Feder, 2016-04-29 Ecocriticism and the Idea of Culture Biology and the Bildungsroman draws on work by Kinji Imanishi Frans de Waal and other biologists to create an interdisciplinary materialist notion of culture for ecocritical analysis In this timely intervention Feder examines the humanist idea of culture by taking a fresh look at the stories it explicitly tells about itself These stories fall into the genre of the Bildungsroman the tale of individual acculturation that participates in the myth of its complete separation from and opposition to nature which Feder argues is culture's own origin story Moving from Voltaire's *Candide* to Mary Shelley's *Frankenstein* and from Virginia Woolf's *Orlando* to Jamaica Kincaid's *Lucy* the book dramatizes humanism's own awareness of the fallacy of this foundational binary In the final chapters Feder examines the discourse of animality at work in this narrative as a humanist fantasy about empathy one that paradoxically excludes other animals from the ethical community to justify the continued domination of both human and nonhuman others *The Novels of E.M. Forster* Avtar Singh, 1996-12 In *The Study Of E M Forster S Enigmatic Fiction* The Author Has Attempted A Profile Of This Modern Janus The Essence Of Whose Personality Inheres In The Subtlety Of The Hints He Drops And The Glimpses He Affords Into The Dark Recesses Of

The Minds Involved In A Mysterious Universe The Elusiveness Of His Work Produces An Art Which Though Concrete And Tangible Is Punctuated By Reticences Inter Spersed With Hesitations Qualifications And Suggestions Pregnant With Deep Meanings Like The Melodious Stirrings Of Music The Book Is Primarily Based On The Author S Doctoral Dissertation Ethics And Aesthetics In The Novels Of E M Forster According To Dr Singh The Categories In Which Forster Ranges People Are Primarily Ethical The Pattern He Imposes On Experience Is The Pattern Of His Ethical Vision This Vision Is Fresh And Independent Affair Its Tone Is Inquiring Not Dogmatic His Analysis Shows That The Aesthetic Pleasure That Forster S Novels Communicate Depends Mainly On His Gifts Of Characterization His Mastery Of Dialogue His Delicately Poised Irony His Flexible Prose And His Ingenuity In Unfolding Themes So That Each Novel Has A Meaning That Transcends The Sum Of Its Parts The Book Enables Us To Understand E M Forster By Placing Him In Relation To The Thoughts Of Some Of The Leading Thinkers Of 20Th Century And The Socio Political Milieu Its Daring Adventures Its Narrow Prejudices Its Peculiar Social Norms Which Determined The Scope Of His Work His Approach Is Refreshingly Original And He Makes Quite Perceptive Comments On The Complecity Of Forster S Art In Comparison With Henry James D H Lawrence Joseph Conrad George Orwell And Andre Gide As Also On His Craftsmanship As A Novelist Modern Etruscans Chiara Zampieri, Martina Piperno, Bart Van den Bossche, 2023-10-16 L trurie est la mode French archaeologist Salomon Reinach bluntly stated in 1927 Since the beginning of the nineteenth century Etruria had not only been attracting the attention of archaeologists and specialists of all sorts but it had also been a fascinating and in some cases captivating destination for poets novelists painters and sculptors from all over Europe This volume deals with the impact of the constantly expanding knowledge on the Etruscans and their mysterious civilisation on Italian French English and German literature arts and culture with particular regard to the modernist period 1890 1950 The volume brings a distinctive point of view to the subject by approaching it from an interdisciplinary and comparative perspective and by looking at a quite diverse range of topics and artefacts which includes but is not limited to the study of drawings art works travel essays novels cooking recipes schoolbooks photographs and movies By exploring a new paradigm to understand ancient cultures beyond the traditional ideas and models of reception of the classics and by challenging the alleged fracture between the so called two cultures of humanities and natural sciences Modern Etruscans will be of interest to scholars from various disciplines Designed as a learning tool for university courses on the interplay between literature and science in the twentieth century it is suited as recommended reading for students in the humanities **Pastoral** Terry Gifford, 2019-10-16 Updated throughout this new edition provides a clear and invaluable introduction to the study of pastoral Terry Gifford traces the history of the genre from its classical origins through to contemporary writing and introduces the major writers and critical issues relating to pastoral Gifford breaks the term down into three accessible concepts pastoral anti pastoral post pastoral and provides up to date examples from literature and film New chapters explain the continuing tradition of georgic literature and the recent evolution of pastoral in their historical

contexts Pastoral is essential and engaging reading for students and academics alike *Generations and Geographies in the Visual Arts: Feminist Readings* Griselda Pollock, 2005-08-12 Great collection from for top feminist art historians and thinkers Includes Griselda Pollock and Mieke Bal International perspective focusing on gender and race
