Nature Power In The Spirit Of An Okanagan Storyteller:

Nature Power Harry Robinson, 2004 Many of these stories feature the shoo MISH or nature helpers that assist humans and sometimes provide them with special powers Being Lakota Petrillo, Larissa, 2007-12-01 Being Lakota explores contemporary Lakota identity and tradition through the life story narratives of Melda and Lupe Trejo Melda Trejo ne Red Bear 1939 is an Oglala Lakota from Pine Ridge Reservation while Lupe Trejo 1938-99 is Mexican and a long time resident at Pine Ridge Indigenous Storywork Jo-Ann Archibald, 2008-06-01 Indigenous oral narratives are an important source for

and component of Coast Salish knowledge systems Stories are not only to be recounted and passed down they are also intended as tools for teaching Jo Ann Archibald worked closely with Elders and storytellers who shared both traditional and personal life experience stories in order to develop ways of bringing storytelling into educational contexts Indigenous Storywork is the result of this research and it demonstrates how stories have the power to educate and heal the heart mind body and spirit It builds on the seven principles of respect responsibility reciprocity reverence holism interrelatedness and synergy that form a framework for understanding the characteristics of stories appreciating the process of storytelling establishing a receptive learning context and engaging in holistic meaning making **Nature Power** Harry

Robinson, Wendy C. Wickwire, 1992 **Rooted Cosmopolitanism** Will Kymlicka, Kathryn Walker, 2012-04-25 Canadians take pride in being good citizens of the world yet our failure to meet commitments on the global stage raises questions Do Canadians need to transcend national loyalties to become full global citizens Is the very idea of rooted cosmopolitanism simply a myth that encourages complacency about Canada's place in the world In this volume leading scholars assess both in theory and practice the concept of rooted cosmopolitanism using Canada as a test case They show that local identities such as patriotism and Quebec nationalism can but need not conflict with cosmopolitan principles Local ties enable and impede Canada's global responsibilities in areas such as multiculturalism climate change immigration and refugee policy and humanitarian intervention By examining how Canada has negotiated its relations to the world both within and beyond its own borders Rooted Cosmopolitanism evaluates the possibility of reconciling local ties and nationalism with commitments to human rights global justice and international law *Pitch Woman and Other Stories* Coquelle Thompson, Elizabeth Derr

Jacobs, 2007-01-01 Despite the political instability characterizing twentieth century Taiwan the value of baseball in the lives of Taiwanese has been a constant since the game was introduced in 1895 The game first gained popularity on the island under the Japanese occupation and that popularity continued after World War II despite the withdrawal of the Japanese and an official lack of support from the new state power the Chinese Nationalist Party **Native American Spirituality** Lee Irwin, 2000-01-01 This volume offers a stimulating multidisciplinary set of essays by noted Native and non Native scholars that explore the problems and prospects of understanding and writing about Native American spirituality in the twenty first century Considerable attention is given to the appropriateness and value of different interpretive paradigms for Native

religion including both traditional religion and Native Christianity The book also investigates the ethics of religious representation issues of authenticity the commodification of spirituality and pedagogical practices Of special interest is the role of dialogue in expressing and understanding Native American religious beliefs and practices A final set of essays explores the power of and reactions to Native spirituality from a long term historical perspective **Shall We Dance?** Charles Blattberg,2003 Charles Blattberg shows that while a just politics based on dialogue is at the core of Canadians sense of ourselves as citizens our current forms of dialogue are inadequate To some we should be pleading before authorities responsible for upholding a unified foundation for our politics Pierre Trudeau and his followers for example advocate a Charter of Rights and Freedoms that trumps any values not contained within it To others we ought to be true to the longstanding Canadian political tradition of compromise and so negotiate our conflicts a form of dialogue that strives for accommodation rather than trumping Blattberg argues however that both of these approaches have largely failed us To him the preferred form of dialogue in Canadian politics today should be that of conversation As he shows only conversation aims for the genuine reconciliation of conflict only it will help us realize the common good that is at the heart of a truly patriotic Canadian politics Thomas King Eva Gruber,2012 Thomas King is one of North America s foremost Native writers best known for his novels including Green Grass Running Water for the Dreadful Water mysteries and for collections of short stories such as One Good Story That One and A Short History of Indians in Canada But King is also a poet a literary and cultural critic and a noted filmmaker photographer and scriptwriter and performer for radio His career and oeuvre have been validated by literary awards and by the inclusion of his writing in college and university curricula Critical responses to King s work have been abundant yet most of this criticism consists of journal articles and to date only one book length study of his work exists Thomas King Works and Impact fills this gap by providing an up to date comprehensive overview of all major aspects of King s oeuvre as well as its reception and influence It brings together expert scholars to discuss King s role in and impact on Native literature and its processes of canonization and to offer in depth analyses of his multifaceted body of work The volume will be of interest to students and scholars of literature English and Native American studies and to King aficionados **New Possibilities for the Past** Penney Clark,2011-08-22 The place of history in school curricula has sparked heated debate in Canada Is Canadian history dead Who killed it Should history be put in the service of nation Can any history be truly inclusive New Possibilities for the Past advances the debate by shifting the focus from what should be included in a nation s history to how we should think about and teach the past Museum educators secondary school teachers historians and history educators document the state of history education research They go on to consider the implications of the research for classrooms from kindergarten to graduate school and in other contexts such as museums virtual environments and public institutional settings This book takes into consideration the perspectives of indigenous peoples the citizens of Quebec and advocates of citizenship education This volume sets a comprehensive research agenda for educators

policy makers and historians to help students learn about and more importantly understand the significance of the past

Telling Our Stories Louis Bird, 2005-08-01 Since the 1970s Louis Bird a distinguished Aboriginal storyteller and historian has been recording the stories and memories of Omushkego Swampy Cree communities along western Hudson and James Bays In nine chapters he presents some of the most vivid legends and historical stories from his collection casting new light on his people s history culture and values Working with the editors and other contributors to provide background and context for the stories he illuminates their many levels of meaning and brings forward the value system and world view that underlie their teachings Students of Aboriginal culture history and literature will find that this is no ordinary book of stories compiled from a remote disconnected voice but rather a project in which the teller deeply engaged in preserving his people s history language and values is committed to bringing his listeners and readers as far along the road to understanding as he possibly can

Western American Literature ,1993 Voices from Four Directions Brian Swann, 2004-01-01 Gathers stories and songs from thirty one native groups in North America including the Inupiaqs the Lushoots the Catawbas and the Maliseets

Colonizing Bodies Mary-Ellen Kelm, 2011-11-01 Recent debates about the health of First Nations peoples have drawn a flurry of public attention and controversy and have placed the relationship between Aboriginal well being and reserve locations and allotments in the spotlight Aboriginal access to medical care and the transfer of funds and responsibility for health from the federal government to individual bands and tribal councils are also bones of contention Comprehensive discussion of such issues however has often been hampered by a lack of historical analysis Promising to remedy this is Mary Ellen Kelm s Colonizing Bodies which examines the impact of colonization on Aboriginal health in British Columbia during the first half of the twentieth century Using postmodern and postcolonial conceptions of the body and the power relations of colonization Kelm shows how a pluralistic medical system evolved She begins by exploring the ways in which Aboriginal bodies were materially affected by Canadian Indian policy which placed restrictions on fishing and hunting allocated inadequate reserves forced children into unhealthy residential schools and criminalized Indigenous healing She goes on to consider how humanitarianism and colonial medicine were used to pathologize Aboriginal bodies and institute a regime of doctors hospitals and field matrons all working to encourage assimilation Finally Kelm reveals how Aboriginal people were able to resist and alter these forces in order to preserve their own cultural understanding of their bodies disease and medicine This detailed but highly readable ethnohistory draws on archival sources archeological findings fieldwork and oral history interviews with First Nations elders from across British Columbia Kelm s cross disciplinary approach results in an important and accessible book that will be of interest not only to academic historians and medical anthropologists but also to those concerned with Aboriginal health and healing today

Spirit Lives in the Mind Louis Bird, 2007-02-09 Louis Bird has spent the last three decades documenting Cree oral traditions and sharing his stories with audiences in Canada the United States and Europe In The Spirit Lives in the Mind the renowned storyteller and historian of the Omushkego shares teachings

and stories of the Swampy Cree people that have been passed down from generation to generation as part of a rich oral tradition

In the Presence of Each Other Johanna C. Kuyvenhoven, 2009-05-23 There can be little doubt that pedagogical practices have increasingly become focused on reading and writing in childhood education *In the Presence of Each Other* is a brilliant ethnography that examines the educational benefits of the use of oral storytelling in the classroom and the ways in which non print literacy enhances children s overall language and communication capacities Presenting a strong argument based on compelling evidence for the incorporation of oral practices in the classroom Johanna Kuyvenhoven follows a group of children in grades four and five as they forge an inclusive learning environment that respects linguistic social and ethnic diversity by sharing stories out loud She traces the positive effects that oral storytelling has on children s vocabularies writing skills as well as for problem solving abilities and empathetic responses that are essential to learning across the disciplines *In the Presence of Each Other* is a ground breaking work not only for educators but also for anyone interested in the practice of storytelling

Native American Representations Gretchen M. Bataille, 2001-12-01 Profiles the teacher who died with the NASA crew when the Challenger exploded in 1986 and describes the various ways her enthusiasm for learning and exploration determination to teach children and love of life continues all over the world

A Forest of Time Peter Nabokov, 2002-02-25 Publisher Description

Animals and Nature Rod Preece, 2011-11-01 No one tradition alone offers a sufficient respect for other species Taken together they may offer a prospect for saner human animal relations From the book Western conceptions of objectivity and individuality have resulted in a readier appreciation of the worth of the animals and nature than has been recognized This provocative book takes issue with the popular view that the Western cultural tradition in contrast to Eastern and Aboriginal traditions has encouraged attitudes of domination and exploitation towards nature particularly animals Preece argues that the Western tradition has much to commend it and that descriptions of Aboriginal and Oriental orientations have often been misleadingly rosy simplified and codified according to current fashionable concepts *Animals and Nature* is the result of six years intensive study into comparative religion literature philosophy anthropology mythology and animal welfare science

[Reading the Fire](#) Jarold Ramsey, 2016-06-01 *Reading the Fire* engages America s first literatures traditional Native American tales and legends as literary art and part of our collective imaginative heritage This revised edition of a book first published to critical acclaim in 1983 includes four new essays Drawing on ethnographic data and regional folklore Jarold Ramsey moves from origin and trickster narratives and Indian ceremonial texts into interpretations of stories from the Nez Perce Clackamas Chinook Coos Wasco and Tillamook repertoires concluding with a set of essays on the neglected subject of Native literary responses to contact with Euroamericans In his finely worked erudite analyses he mediates between an author centered print based narrative tradition and one that is oral anonymous and tribal adducing parallels between Native texts and works by Shakespeare Yeats Beckett and Faulkner
