Nature Worship In The Bible:

Nature Worship in the Bible J. E. Thorol Rogers, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Spirit of the Bible, Or, the Nature and Value of the Jewish and Christian Scriptures Discriminated: The Apocrypha and the New Testament* Edward Higginson, 1853 *The Spirit of the Bible; Or, the Nature and Value of the Jewish and Christian Scriptures Discriminated in an Analysis of Their Several Books* Edward HIGGINSON, 1853 *The Bible, Baconianism, and Mastery Over Nature* Cameron Wybrow, 1991 Modern scholars have frequently asserted that Western technological mastery over nature sprang from the triumph of Biblical over pagan modes of thought In a spirited response to the views of Berger Collingwood Cox Foster Jaki Roszak Toynbee White and others the author disproves this hypothesis By a careful exposition of pagan Biblical and early modern texts he shows that the theme of mastery is no more pronounced in Biblical than in pagan thought and that Bacon s science entailed a rejection of both Further he shows that the radical character of modern mastery was effectively concealed by the Baconians whose slipshod but rhetorically successful interpretation of Biblical dominion supplied the spiritual justification for the modern conquest of nature *The People's Bible* Joseph Parker, 1901 *The Church of Christ: a Treatise on the Nature, Powers, Ordinances, Discipline, and Government of the Christian Church. By the Late J. Bannerman. Edited by His Son (D. D. Bannerman).* James BANNERMAN (Professor of Theology, New College, Edinburgh.), 1868 **Nature in Scripture** Ephraim Chamberlain Cummings, 1885 *Judaism and Environmental Ethics* Martin D. Yaffe, 2002-05-09 Martin D Yaffe s *Judaism and Environmental Ethics A Reader* is a well conceived exploration of three interrelated questions Does the Hebrew Bible or subsequent Jewish tradition teach environmental responsibility or not What Jewish teachings if any appropriately address today s environmental crisis Do ecology Judaism and philosophy work together or are they at odds with each other in confronting the current crisis Yaffe s extensive introduction analyzes and appraises the anthologized essays each of which serves to deepen and enrich our understanding of current reflection on Judaism and environmental ethics Brought together in one volume for the first time the most important scholars in the field touch on diverse disciplines including deep ecology political philosophy and biblical hermeneutics This ambitious book illustrates precisely because of its interdisciplinary focus how longstanding disagreements and controversies may spark further interchange among ecologists Jews and philosophers Both accessible and thoroughly scholarly this dialogue will benefit anyone interested in ethical and religious considerations of contemporary ecology *The Light by which We See Light, or Nature and the Scriptures* Tayler Lewis, 2025-08-02 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made

available to the public in good condition in order to preserve their cultural heritage **Biblical Folklore** Daniel Vincent,2007 This book takes a new look at the Bible and its people from the dimension of its folk elements *This Sacred Earth* Roger S. Gottlieb,1996 This is the first comprehensive survey of the critical connections between religion nature and the environment It includes writings from sacred texts and a broad spectrum of new eco theological selections Historical and contemporary selections from key authors and a multicultural range of sources make *This Sacred Earth* an invaluable teaching resource and a unique introduction to the theory and practice of religious environmentalism *Nature and Time, Volume III* Dong In Baek,2025-04-14 Can theology mend a divided nation In *Nature and Time Volume III* Baek Dong In invites the reader on a transformative journey that bridges profound theological concepts with the urgent quest for peace on the Korean Peninsula Moving beyond abstract doctrines this book brings the Trinity and the active work of the Holy Spirit into the real world challenges of a nation longing for unity Discover how the divine relationship within the Trinity offers a powerful model for reconciling unity and difference just as North and South Korea seek harmony without losing their unique identities Experience the Holy Spirit not as a distant comforter but as a dynamic force driving change healing wounds and inspiring hope Blending theology Scripture and philosophy Baek Dong In crafts a practical framework for peace that resonates with the lived experiences of the Korean people This isn't just a book for theologians it's for anyone who believes faith can ignite real world transformation Join the conversation and explore how timeless spiritual truths can pave the way toward a more peaceful united Korea **The Bible Study Union Lessons** ,1910 **Haunted by Paradise** James Bernard Murphy,2021-01-07 The Bible today is weaponized by both liberals and conservatives each side cherry picking their favorite verses Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates why even the devil quotes Scripture If so you will enjoy this book *Haunted by Paradise* reveals the unity and coherence of the Bible in the light of paradise The Bible begins in Eden and ends in the new Jerusalem in between the Bible is haunted by the memory of paradise lost and the hope for paradise regained With paradise as the interpretive key Murphy unlocks biblical ethics He shows that there is no Old Testament ethics or New Testament ethics only a unified biblical ethics In sixteen short chapters this book addresses urgent moral questions about issues ranging from capital punishment to war including divine justice homosexuality marriage nature racism patriarchy and work In each chapter Murphy shows how the Bible negotiates the tension between divine ideals and human realities **Nature and Scripture in the Abrahamic Religions: 1700-Present** Scott Mandelbrote,Jitse van der Meer,2009-01-31 The four companion volumes of *Nature and Scripture in the Abrahamic Religions* contribute to a contextual evaluation of the mutual influences between scriptural exegesis and hermeneutics on the one hand and practices or techniques of interpretation in natural philosophy and the natural sciences on the other We seek to raise the low profile this theme has had both in the history of science and in the history of biblical interpretation Furthermore questions about the interpretation of scripture continue to be provoked by current theological reflection on scientific theories

We also seek to provide a historical context for renewed reflection on the role of the hermeneutics of scripture in the development of theological doctrines that interact with the natural sciences Contributors are J Matthew Ashley Robert E Brown Elizabeth Chmielewski Edward B Davis Henri Wijnandus de Knijff Marwa Elshakry Richard England Menachem Fisch George Harinck Bernhard Kleeberg Scott Mandelbrote G Blair Nelson Alexei V Nesteruk Jitse M van der Meer Rob P W Visser and William Yarchin

Nature and Scripture in the Abrahamic Religions: God, Scripture and the rise of modern science (1200-1700) Jitse M. van der Meer, Scott Mandelbrote, 2008 These volumes describe how the development of the different styles of interpretation found in reading scripture and nature have transformed ideas of both the written word and the created world
