Blow, 1999-08 Researchers are only beginning to realize the pervasiveness of substance abuse such as alcohol and prescription drug misuse among older people thousands of whom need treatment but do not receive it This Treatment Improvement Protocol TIP recommends best practices for identifying screening assessing and treating alcohol and prescription drug abuse among people age 60 and older Sections alcohol use and abuse of psychoactive prescription drugs and OTC medications identification screening and assessment referral and treatment approaches outcomes and cost issues legal and ethical issues tools Bibliography 19 charts and tables Special Report to the U.S. Congress on Alcohol and Health from the Secretary of Health and Human Services, 1993 *Monthly Catalog of United States Government Publications*, 1985 Alcoholism and Women Marc Galanter, 2006-04-11 Solid plausible accurate and loaded with pertinent and highly referenced information regarding clinical and basic research in alcoholism among women and ethnic groups an essential text in the libraries of academicians teachers clinicians researchers and policy makers The quality and scope of the work are groundbreaking and it is convenient to have it all in one source American Journal of Psychiatry Volume 12 highlights the remarkable evolution of alcoholism research during the last few years focusing on gender in alcohol actions and consequences **Social Work Practice with the Elderly** Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism Social Work Practice with the Elderly offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy *Mental Health and the Elderly* Francis J.

Turner,2010-06-15 The demographic shift to a much older population is having a large impact on social work professionals who have traditionally been the primary caretakers of the elderly As more people are living into advanced old age it is becoming increasingly important to understand and treat the wide range of psychological disorders which may affect them rather than simply attributing the disorders to senescence as was frequently done in the past Mental Health and the Elderly A Social Work Perspective is a comprehensive guide to diagnosis and treatment of the range of disorders affecting the elderly

Handbook of Alcoholism Gerald Zernig,Alois Saria,Martin Kurz,Stephanie O'Malley,2000-03-24 While the war on drugs continues to attract world attention it is often overlooked that alcoholism remains a major worldwide health concern No matter what your expertise the CRC Handbook of Alcoholism can help you acquire the necessary skills to treat problem drinkers and alcohol dependent patients In three sections Patient Care Research Addictions Treatment for Older Adults Kathryn Graham,Sarah J Saunders,Margaret C Flower,Carol B Timney,Marilyn White-Campbell,Anne Zeidman,2014-06-23 Here is a detailed description of an innovative approach for treating elderly persons who have alcohol or drug problems During the past few years there has been growing recognition of the special needs of these individuals Addictions Treatment for Older Adults describes the evaluation of the Community Older Persons Alcohol COPA Program This book helps readers understand the nature of substance abuse among the elderly as well as how to identify and intervene with older persons who have alcohol and drug problems including persons who are reluctant to seek treatment Addictions Treatment for Older Adults explains the development of the COPA program and how it works Many case studies and tables provide illuminating details for readers who work with this elderly population Chapters examine characteristics of elderly persons with alcohol or drug problems the typology of COPA clients and their problem areas treatment interventions variables associated with improvement analysis of progress made by clients during and after treatment the factors that seem to predict recovery The in depth descriptions in this book provide much needed information and guidance for professionals striving to meet the treatment and care needs of elderly substance abusers Addictions Treatment for Older Adults should be read by researchers in the substance abuse field and by persons who work with the elderly such as community nurses social workers and physicians In this book they will find the best description to date of the nature of alcohol and drug problems among elderly who live in their communities *Compendium of HHS Evaluations and Relevant Other Studies* ,1990 **Monthly Catalogue, United States Public Documents** ,1985 **Alcohol and Aging** Thomas P. Beresford,Edith Lisansky Gomberg,1995 U S census figures forecast that the percentage of U S citizens over the age of 65 will double between 1980 and 2030 Estimates that between 3 and 10% of this group are prone to alcohol abuse points to the potential for an increasingly ominous health care problem Alcohol and Aging the first comprehensive treatment of the topic written for clinicians covers a wide range of issues unique to elderly alcoholics from diagnosis and treatment to alcohol related medical and cognitive disorders from problems arising from interactions between alcohol and medication to the biochemistry of

intoxication Throughout the book focuses on clinical practical problems and stays away from jargon making it accessible to a wide range of readers Featuring contributions a diverse group of specialists the book will be an invaluable aid to physicians psychiatrists clinical psychologists and social workers who treat alcoholism in the aging population **Compendium of HHS Evaluations and Relevant Other Studies** HHS Policy Information Center (U.S.),1990 Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1986 United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1985
