Nature and Human Nature Hartley Burr Alexander,1923 *Nature and Human Nature* Hartley Burr Alexander,2013-10
This is a new release of the original 1923 edition *Nature and Human Nature* Hartley Burr Alexander,1923 Nature Sir Norman Lockyer,1924 **Dictionary Of Modern American Philosophers** John R. Shook,2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought **Essays on the Context, Nature, and Influence of Isaac Newton's Theology** J.E. Force,R.H. Popkin,2012-12-06 This collection of essays is the fruit of about fifteen years of discussion and research by James Force and me As I look back on it our interest and concern with Newton s theological ideas began in 1975 at Washington University in St Louis James Force was a graduate student in philosophy and I was a professor there For a few years before I had been doing research and writing on Millenarianism and Messianism in the 17th and 18th centuries touching occasionally on Newton I had bought a copy of Newton s Observations upon the Prophecies of Daniel and the Apocalypse of St John for a few pounds and occasionally read in it In the Spring of 1975 I was giving a graduate seminar on Millenarian and Messianic ideas in the development of modern philosophy Force was in the seminar One day he came very excitedly up to me and said he wanted to write his dissertation on William Whiston At that point in history the only thing that came to my mind about Whiston was that he had published a or the standard translation of Josephus which I also happened to have in my library Force told me about the amazing views he had found in Whiston s notes on Josephus and in some of the few writings he could find in St Louis by or about Whiston who was Newton s successor as Lucasian Professor of mathematics at Cambridge and who wrote inordinately on Millenarian theology *John Dewey and Chinese Education* ,2022-02-22 This book celebrates the centennial of Dewey s visit to China 1919 1921 Reflecting on the history of Dewey s visit is critical to understanding China s modernization and to reevaluating the early efforts of the radical intellectuals in the May Fourth Movement 1919 some of whom were Dewey s students at Columbia University This study also helps us to critically reflect on the China US relationship for our contemporary world The historical philosophical and comparative perspectives applied in this book may shed light on current conflicts Dewey s

thoughts were well received by different scholars but also misperceived or misinterpreted in different historical periods This project tries to understand the challenges of both cultures Chinese and Western by using this historical episode as a distant mirror to better perceive and understand the present By reviewing this historical event we also find new space to reinterpret Eastern philosophies such as Confucianism and Buddhism We find that there s some surprising commonalities shared by Confucianism Buddhism and Deweyan pragmatism that provide possibilities for seeking a more inclusive conceptual framework for education in the West as well as the East **Human Nature in American Thought** Merle Eugene

Curti,1980 The Yale Review George Park Fisher,George Burton Adams,Henry Walcott Farnam,Arthur Twining Hadley,John Christopher Schwab,William Fremont Blackman,Edward Gaylord Bourne,Irving Fisher,Henry Crosby Emery,Wilbur Lucius Cross,1925 **The Los Angeles Central Library** Kenneth A. Breisch,2016-12-21 In the most comprehensive investigation of the Los Angeles Public Library s early history and architectural genesis ever undertaken Kenneth Breisch chronicles the institution s first six decades from its founding as a private library association in 1872 through the completion of the iconic Central Library building in 1933 During this time the library evolved from an elite organization ensconced in two rooms in downtown LA into one of the largest public library systems in the United States with architect Bertram Grosvenor Goodhue s building a beloved LA landmark as its centerpiece Goodhue developed a new style fully integrating the building s sculptural and epigraphic program with its architectural forms to express a complex iconography Working closely with sculptor Lee Oskar Lawrie and philosopher Hartley Burr Alexander he created a great civic monument that combined with the library s murals embodies an overarching theme the light of learning A building should read like a book from its title entrance to its alley colophon wrote Alexander a narrative approach to design that serves as a key to understanding Goodhue s architectural gem Breisch draws on a wealth of primary source material to tell the story of one of the most important American buildings of the twentieth century and illuminates the formation of an indispensable modern public institution the American public library **Anglican Theological Review** Samuel Alfred Browne

Mercer,Leicester Crosby Lewis,1925 A New Testament bibliography for 1914 to 1917 inclusive by Frederick C Grant v 1 p 58 91 **The Publishers' Circular and Booksellers' Record** ,1926 **The American Journal of Sociology** Albion W.
