## **Natures Serenade:**

Natures serenade: the four seasons Antonio Vivaldi, 1991      **Harmonious Flight** Tracie Skarbo, 2011 Harmonious Flight is a compilation of personal poems by new author Tracie Skarbo. She shares her ideas about human behavior, personal experiences, interactions with nature, personal growth, and life itself. Skarbo first began writing as a young girl. I can remember sitting at my small desk with a blue toy typewriter, bringing stories into fruition. I would be hunting and pecking away at the keys in my room while dreaming the big dream of eventually seeing my words in print. Her dream has finally come true. When I get an idea, it is like a child having a tantrum until I pacify it. The idea will be there bouncing about in my head until I give it the words it deems appropriate. Only then will it stop screaming in my ear; the text and words of meaning seem to lull the ideas to sleep. Then and only then can I get some shut eye of my own. About the Author: Tracie Skarbo was motivated to write by her father, who was her biggest supporter. He was always behind me, rallying me on with my writing. I would always see him with a book in hand. He gave me a great appreciation for the written word and the power and responsibility that writers have to shape those who read their words. He also taught me to respect nature and to value the beauty within it. My reflections on my environment are just an extension of this. Skarbo was raised on Vancouver Island and is working on her next two books. Publisher's website: <http://www.strategicpublishinggroup.com/title/HarmoniousFlight.html>
