Natures State Imagining Alaska As The Last Frontier:

Nature's State Susan Kollin, 2018-06-15 An engaging blend of environmental theory and literary studies *Nature's State* looks behind the myth of Alaska as America's last frontier a pristine and wild place on the fringes of our geographical imagination Susan Kollin traces how this seemingly marginal space in American culture has in fact functioned to alleviate larger social anxieties about nature ethnicity and national identity Kollin pays special attention to the ways in which concerns for the environment not only shaped understandings of Alaska but also aided U S nation building projects in the Far North from the late nineteenth century to the present era Beginning in 1867 the year the United States purchased Alaska a variety of literary and cultural texts helped position the region as a crucial staging ground for territorial struggles between native peoples Russians Canadians and Americans In showing how Alaska has functioned as a contested geography in the nation's spatial imagination Kollin addresses writings by a wide range of figures including early naturalists John Muir and Robert Marshall contemporary nature writers Margaret Murie John McPhee and Barry Lopez adventure writers Jack London and Jon Krakauer and native authors Nora Dauenhauer Robert Davis and Mary TallMountain

Battleground Alaska Stephen Haycox, 2016-04-08 No American state is more antistatist than Alaska And no state takes in more federal money per capita which accounts for a full third of Alaska's economy This seeming paradox underlies the story Stephen Haycox tells in *Battleground Alaska* a history of the fraught dynamic between development and environmental regulation in a state aptly dubbed The Last Frontier Examining inconvenient truths the book investigates the genesis and persistence of the oft heard claim that Congress has trampled Alaska's sovereignty with its management of the state's pristine wilderness At the same time it debunks the myth of an inviolable Alaska statehood compact at the center of this claim Unique isolated and remote Alaska's economy depends as much on absentee corporate exploitation of its natural resources particularly oil as it does on federal spending This dependency forces Alaskans to endorse any economic development in the state putting them in conflict with restrictive environmental constraint *Battleground Alaska* reveals how Alaskans abiding resentment of federal regulation and control has exacerbated the tensions and political sparring between these camps and how Alaska's leaders have exploited this antistatist sentiment to promote their own agendas specifically the opening of the Arctic National Wildlife Refuge to oil drilling Haycox builds his history and critique around four now classic environmental battles in modern Alaska the establishment of the ANWR in the 1950s the construction of the Trans Alaska Pipeline in the 1970s the passage of the Alaska National Interests Lands Conservation Act in 1980 and the struggle that culminated in the Tongass Timber Reform Act of 1990 What emerges is a complex tale with no clear cut villains and heroes that explains why Alaskans as a collective almost always opt for development even as they profess their genuine love for the beauty and bounty of their state's environment Yet even as it exposes the potential folly of this practice Haycox's work reminds environmentalists that all wilderness is inhabited and that human life depends as it always has on the exploitation of the earth's resources

Contesting the Arctic Philip E. Steinberg, Jeremy Tasch, Hannes Gerhardt, Adam Keul, Elizabeth A. Nyman, 2015-02-16 As climate change makes the Arctic a region of key political interest so questions of sovereignty are once more drawing international attention The promise of new sources of mineral wealth and energy and of new transportation routes has seen countries expand their sovereignty claims Increasingly interested parties from both within and beyond the region including states indigenous groups corporate organizations and NGOs and are pursuing their visions for the Arctic What form of political organization should prevail *Contesting the Arctic* provides a map of potential governance options for the Arctic and addresses and evaluates the ways in which Arctic stakeholders throughout the region are seeking to pursue them **The Promise of Wilderness** James Morton Turner, 2012-08-01 From Denali's majestic slopes to the Great Swamp of central New Jersey protected wilderness areas make up nearly twenty percent of the parks forests wildlife refuges and other public lands that cover a full fourth of the nation's territory But wilderness is not only a place It is also one of the most powerful and troublesome ideas in American environmental thought representing everything from sublime beauty and patriotic inspiration to a countercultural ideal and an overextension of government authority *The Promise of Wilderness* examines how the idea of wilderness has shaped the management of public lands since the passage of the Wilderness Act in 1964 Wilderness preservation has engaged diverse groups of citizens from hunters and ranchers to wildlife enthusiasts and hikers as political advocates who have leveraged the resources of local and national groups toward a common goal Turner demonstrates how these efforts have contributed to major shifts in modern American environmental politics which have emerged not just in reaction to a new generation of environmental concerns such as environmental justice and climate change but also in response to changed debates over old conservation issues such as public lands management He also shows how battles over wilderness protection have influenced American politics more broadly fueling disputes over the proper role of government individual rights and the interests of rural communities giving rise to radical environmentalism and playing an important role in the resurgence of the conservative movement especially in the American West Watch the book trailer <https://www.youtube.com/watch?v=JsQ6LAeYKk> *The Humboldt Current* Aaron Sachs, 2007-07-31 A masterly and beautifully written account of the impact of Alexander von Humboldt on nineteenth century American history and culture The naturalist and explorer Alexander von Humboldt 1769-1859 achieved unparalleled fame in his own time Today however he and his enormous legacy to American thought are virtually unknown In *The Humboldt Current* Aaron Sachs traces Humboldt's pervasive influence on American history through examining the work of four explorers J N Reynolds Clarence King George Wallace and John Muir who embraced Humboldt's idea of a chain of connection uniting all peoples and all environments A skillful blend of narrative and interpretation that also discusses Humboldt's influence on Emerson Whitman Thoreau Melville and Poe *The Humboldt Current* offers a colorful passionate and superbly written reinterpretation of nineteenth century American history *This Elusive Land* Melody Hessing, Rebecca Raglon, Catriona Sandilands, 2005 *This Elusive Land* provides an introduction to the

literature about women and the environment in Canada It looks at the ways in which women integrate the social and biophysical settings of their lives and features a range of contexts in which gender mediates inspires and informs a sense of belonging to and in this land Drawing from geographical historical and cultural perspectives the volume reveals the significance of women s experiences in various landscapes Jacket **Ethics of Alaska Travel Writing since 1959**

Benjamin Ferguson,2025-08-28 This book digs into environmental themes in Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate **Plant Functional Traits** Manoj Kumar,Rainer W Bussmann,Nathan G Swenson,2025-02-15 Plant Function Traits Linking Climate and Ecosystem Functioning part of the Plant Biology Sustainability and Climate Change series presents a

wholistic understanding of Plant Functional Traits As global climate change advances natural resources are facing increasing survival challenges hence this book directly addresses that need exploring the morphological physiological and phenological properties of a plant that can be used as a proxy to understand plant environment interactions Users will find great illustrations throughout individual chapters along with case studies that demonstrate applications of functional traits in classifying vegetation of a region into distinct type groups as Plant Functional Types PFTs Additional information includes applications in the development of new generation of Dynamic Global Vegetation Model DGVM and an understanding of the response of vegetation to changing environments Presents foundational insights into multiple functional trait axes Describes the quantification of functional traits from individuals to regions Includes the role of functional traits in developing new vegetation models for assessing the impact of climate change on plants **The Ecological Other** Sarah Jaquette

Ray,2013-05-16 This book engages recent scholarship on trans corporeality disability studies and environmental justice Ray argues that environmental discourse often frames ecological crisis as a crisis of the body therefore promoting ecological health at the cost of social equality Ray urges us to be careful about the ways in which we construct others in our arguments to protect nature **Science and the Social Good** John P. Herron,2010-02-04 Using biographies of three natural scientists

geologist Clarence King forester Robert Marshall and biologist Rachel Carson Science and the Social Good investigates the links between nature s scientific study and social improvement **A History of Western American Literature** Susan

Kollin,2015-12-11 The American West is a complex region that has inspired generations of writers and artists Often portrayed as a quintessential landscape that symbolizes promise and progress for a developing nation the American West is

also a diverse space that has experienced conflicting and competing hopes and expectations While it is frequently imagined as a place enabling dreams of new beginnings for settler communities it is likewise home to long standing indigenous populations as well as many other ethnic and racial groups who have often produced different visions of the land This History encompasses the intricacy of Western American literature by exploring myriad genres and cultural movements from ecocriticism settler colonial studies and transnational theory to race ethnic gender and sexuality studies Written by a host of leading historians and literary critics this book offers readers insight into the West as a site that sustains canonical and emerging authors alike and as a region that exceeds national boundaries in addressing long standing global concerns and developments

Frontiers Past and Future Carl Abbott,2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott s study journeys across the far reaches of science fiction s universe

Critical Norths Sarah Jaquette Ray, Kevin Maier,2017-05-15 For millennia the North has held a powerful sway in Western culture Long seen through contradictions empty of life yet full of promise populated by indigenous communities yet ripe for conquest pristine yet marked by a long human history it has moved to the foreground of contemporary life as the most dramatic stage for the reality of climate change This book brings together scholars from a range of disciplines to ask key questions about the North and how we ve conceived it and how conceiving of it in those terms has caused us to fail the region s human and nonhuman life Engaging questions of space place indigeneity identity nature the environment justice narrative history and more it offers a crucial starting point for an essential rethinking of both the idea and the reality of the North

Rethinking Wilderness Mark Woods,2017-07-30 The concept and values of wilderness along with the practice of wilderness preservation have been under attack for the past several decades In Rethinking Wilderness Mark Woods responds to seven prominent anti wilderness arguments Woods offers a rethinking of the received concept of wilderness developing a positive account of wilderness as a significant location for the other than human value adding properties of naturalness wildness and freedom Interdisciplinary in approach the book combines environmental philosophy environmental history environmental social sciences the science of ecology and the science of conservation biology

Beyond the Moon Crater Myth Katherine Johnson Ringsmuth,2007

Searching for Fannie Quigley Jane G. Haigh,2007 2008 WILLA Literary Awards finalist At the age of 27 Fannie Sedlacek left her Bohemian homestead in Nebraska to join the gold rush to the Klondike From the Klondike to the Tanana Fannie continued north finally settling in Katishna near Mount McKinley This woman later known as Fannie Quigley became a prospector who staked her own claims and a cook who ran a roadhouse She hunted and trapped and thrived for nearly forty

years in an environment that others found unbearable Her wilderness lifestyle inspired many of those who met her to record their impressions of this self sufficient woman who died in 1944 To many of the 700 000 annual visitors to Denali National Park she is a symbol of the enduring spirit of the original pioneers Searching for Fannie Quigley A Wilderness Life in the Shadow of Mount McKinley goes beyond the mere biographical facts of this unique woman s journey It also tells historian Jane G Haigh s own story of tracking and tracing the many paths that Fannie Quigley s intriguing life took Uncovering remote clues digging through archives and listening to oral accounts from a wide array of sources Haigh has fashioned this rich lode into a compelling narrative In Searching for Fannie Quigley Haigh separates fact from fiction to reveal the true story of this highly mythologized pioneer woman Applied Demography in the 21st Century Steve H. Murdock, David A. Swanson, 2008-03-22 The topic of Applied Demography is clearly evolving as its practitioners become involved in the emerging trends of the Twenty First Century This book derived from the first post 2000 national conference on Applied Demography held in San Antonio Texas January 7 9 2007 at The University of Texas The conference presented a unique opportunity and this resulting work provides a cross sectional view of Applied Demography and an evaluation of its likely future Dominion of Bears Sherry Simpson, 2013-10-18 Long ago we invited bears into our stories our dreams our nightmares our lives We have always sought them out where they live for their hides their meat their beauty their knowingness Human country and bear country exist side by side As Sherry Simpson suggests the relationship between bears and humans is ancient and ongoing and in Alaska profoundly and often uncomfortably close A huge number of North America s bears live in Alaska including at least 31 000 brown bears 100 000 black bears and 3 500 polar bears And nearly every aspect of Alaskan society reflects their presence from hunting to tourism marketing to wildlife management to urban planning A long time Alaskan Simpson offers a series of compelling essays on Alaskan bears in both wild and urban spaces because in Alaska bears are found not only in their natural habitat but also in cities and towns Combining field research interviews and a host of up to date scientific sources her finely polished prose conveys a wealth of information and insight on ursine biology behavior feeding mating social structure and much more Simpson crisscrosses the Alaskan landscape in pursuit of bears as she muses marvels and often stands in sheer awe before these charismatic creatures Firmly grounded in the expertise of wildlife biologists hunters and viewing guides she shows bears as they actually are not as we imagine them to be She considers not only the occasionally aggressive behavior bears need to survive but also the violence exacted upon them by trophy hunters advocates of predator control or suburbanites who view bears as land sharks that threaten the safety of their families Shifting effortlessly between fascinating facts and poetic imagery Simpson crafts an extended meditation on why we are so drawn to bears and why they continue to engage our imaginations populate indigenous mythologies and help define our essential visions of wilderness As Simpson observes The slightest evidence that bears share your world or that you share theirs can alter not only your sense of the landscape but your sense of yourself within that landscape Cormac

McCarthy Sara Spurgeon,2011-06-02 A collection of original stimulating interpretations of key texts by Cormac McCarthy designed for students and edited and written by leading scholars in the field *Pioneering Conservation in Alaska* Ken Ross,2017-10-01 A companion volume to *Environmental Conflict in Alaska* *Pioneering Conservation in Alaska* chronicles the central land and wildlife issues and the growth of environmental conservation in Alaska during its Russian and territorial eras The Alaskan frontier tempted fur traders whalers salmon fishers gold miners hunters and oilmen to take what they could without regard for long term consequences Wildlife species ecosystems and Native cultures suffered sometimes irreparably Damage to wildlife and lands drew the attention of environmentalists including John Muir who applied their influence to enact wildlife protection laws and set aside lands for conservation Alaska served as a testing ground for emergent national resource policy in the United States as environmental values of species and ecosystem sustainability replaced the unrestrained exploitation of Alaska s early frontier days Efforts of conservation leaders and the territory s isolation small human population and late development prevented widespread destruction and gave Americans a unique opportunity to protect some of the world s most pristine wilderness Enhanced by more than 100 photographs *Pioneering Conservation in Alaska* illustrates the historical precedents for current natural resource disputes in Alaska and will fascinate readers interested in wildlife and conservation

Natures State Imagining Alaska As The Last Frontier: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Natures State Imagining Alaska As The Last Frontier : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Natures State Imagining Alaska As The Last Frontier Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Natures State Imagining Alaska As The Last Frontier PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Natures State Imagining Alaska As The Last Frontier PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Natures State Imagining Alaska As The Last Frontier free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Natures State Imagining Alaska As The Last Frontier Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Natures State Imagining Alaska As The Last Frontier is one of the best book in our library for free trial. We provide copy of Natures State Imagining Alaska As The Last Frontier in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Natures State Imagining Alaska As The Last Frontier. Where to download Natures State Imagining Alaska As The Last Frontier online for free? Are you looking for Natures State Imagining Alaska As The Last Frontier PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Natures State Imagining Alaska As The Last Frontier. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Natures State Imagining Alaska As The Last Frontier are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Natures State Imagining Alaska As The Last Frontier. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book?
