Naughty Fairy Tales from A to Z Alison Tyler, 2004-08-31

Starting with All McQueen's Men and ending with Zoe White and the Seven Whores these twenty six stories give new meaning to the expression bedtime stories Wicked stepsisters tell how they really earned their reputation The Ugly Duckling seduces her high school crush at her ten year reunion Cinderella transforms for one night into a dominatrix And Goldilocks tries out many things before finding what feels just right Clever flirtatious and always naughty these titillating tales will have readers yearning for more

Folktales Retold Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with

The Horror Sensorium Angela Ndalians, 2012-10-03 Horror films books and video games engage their audiences through combinations of storytelling practices emotional experiences cognitive responses and physicality that ignite the sensorium the sensory mechanics of the body and the intellectual and cognitive functions connected to them Through analyses of various mediums this volume explores how the horror genre affects the mind and body of the spectator Works explored include the films 28 Days Later and Death Proof the video games Resident Evil 4 and Doom 3 the theme park ride The Revenge of the Mummy transmedia experiences associated with The Dark Knight and True Blood and paranormal romance novels featuring Anita Blake and Sookie Stackhouse By examining how these diverse media generate medium specific corporeal and sensory responses it reveals how the sensorium interweaves sensory and intellectual encounters to produce powerful systems of perception

Fairy Tales 101

Jeana Jorgensen, 2022-09-06 What exactly are fairy tales and how did they get their name Have you ever wondered what fairy tales were like before Walt Disney got his hands on them And who the heck are these Grimm brothers Fairy Tales 101 is your one stop shop for these answers and more giving you all the dirt on the people who have shaped fairy tale history and exploring the many ways fairy tales have shape shifted their way into literature and pop culture This book also prepares you to think like a fairy tale scholar by examining how tales are transmitted by whom and why Whether you're a scholar aspiring to join the fairy tale conversation a writer or an artist who uses fairy tales in their work or simply a general fan of fairy tales this is the book for you In addition

to the twenty two essays explaining basic fairy tale concepts methods and theories there are also valuable guides and resources on both classic and adapted fairy tale works to further your studies Looking beyond how fairy tales are utterly wrapped in magic and fantasy we can see that fairy tales have always and ever been about us our views about gender our fantasies about being happy and our deeply held notions about who deserves power Far from being just for kids fairy tales offer clues into the deepest underpinnings of society and this book gives you the tools to explore fairy tales to the fullest so you too can live happily ever after If you want to understand fairy tales like really understand fairy tales and talk about them like a pro seriously read this book Sara Cleto The Carterhaugh School Dr Jorgensen has created an excellent bridge text for readers with a general interest in fairy tales to cross over into a world of fairy tale scholarship Her language throughout the beginner basics is colloquial and accessible as she carries the reader into scholarly thought Katrina Reinert co host of The Fairy Tellers podcast Engaging and witty Dr Jorgensen delivers a masterful introduction into the study of fairy tales with an easily accessible and consumable book that belongs on everyone s bookshelves Maggie Mercil Folklorist *Preserving the Spell* Armando Maggi,2024-05-31 Fairy tales are supposed to be magical surprising and exhilarating an enchanting counterpoint to everyday life that nonetheless helps us understand and deal with the anxieties of that life Today however fairy tales are far from marvelous in the hands of Hollywood they have been stripped of their power offering little but formulaic narratives and tame surprises If we want to rediscover the power of fairy tales as Armando Maggi thinks we should we need to discover a new mythic lens a new way of approaching and understanding and thus re creating the transformative potential of these stories In *Preserving the Spell* Maggi argues that the first step is to understand the history of the various traditions of oral and written narrative that together created the fairy tales we know today He begins his exploration with the ur text of European fairy tales Giambattista Basile s *The Tale of Tales* then traces its path through later Italian French English and German traditions with particular emphasis on the Grimm Brothers adaptations of the tales which are included in the first ever English translation in an appendix Carrying his story into the twentieth century Maggi mounts a powerful argument for freeing fairy tales from their bland contemporary forms and reinvigorating our belief that we still can find new powerfully transformative ways of telling these stories *A List of Books for Boys and Girls* ,1913 **Handmade Tales 2** Dianne de Las Casas,2013-03-21 Children love seeing ordinary objects such as paper and string transformed into extraordinary things This book provides a collection of fun make and take tales that enable educators and librarians to take storytelling to a higher level Can something as simple as a handkerchief rubber band paper plate or piece of rope be used to captivate children during a storytelling An expansion of the original best selling *Handmade Tales* book author and storyteller Dianne de Las Casas provides 25 more clever handmade tales appropriate for pre kindergarten to third grade By following her clear instructions on incorporating inexpensive props comprised of everyday items into these fun make and take stories educators and librarians can exponentially expand the appeal of their storytime efforts Including different types of make and
