Oscar for Spirited Away the Japanese director Hayao Miyazaki s animated films were dubbed into many languages Some of the films are saturated with religious themes distinctive to Japanese culture How were these themes or what Miyazaki describes as animism received abroad especially considering that they are challenging to translate This book examines how American and German audiences grounded on Judeo Christian traditions responded to the animism in Miyazaki s Nausicaa of the Valley of the Wind 1984 My Neighbor Totoro 1988 Princess Mononoke 1997 Spirited Away 2001 and Ponyo on the Cliff by the Sea 2008 By a close reading of adaptations and film reviews and a study of transitions in their verbal and visual approaches to animism this book demonstrates that the American and German receptions transcended the conventional view

of an antagonistic relationship between animism and Christianity With the ability to change their shapes into forms easily accessible to other cultural arenas the anime films make a significant contribution to inter religious dialogue in the age of secularization

Staying with the Trouble Donna J. Haraway,2016-08-25 In the midst of spiraling ecological devastation multispecies feminist theorist Donna J Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants She eschews referring to our current epoch as the Anthropocene preferring to conceptualize it as what she calls the Chthulucene as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices The Chthulucene Haraway explains requires sym poiesis or making with rather than auto poiesis or self making Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures Theoretically and methodologically driven by the signifier SF string figures science fact science fiction speculative feminism speculative fabulation so far Staying with the Trouble further cements Haraway s reputation as one of the most daring and original thinkers of our time

Studio Ghibli Animation as Adaptations Dominic J. Nardi,Keli Fancher,2025-05-15 This collection investigates how Hayao Miyazaki Isao Takahata and other Studio Ghibli storytellers have approached the process of reimagining literary sources for animation Studio Ghibli is renowned for its original storytelling in films like My Neighbor Totoro but many of its most famous films including Howl s Moving Castle and Ponyo have their origins in pre existing novels manga or fairy tales Studio Ghibli s adaptations seldom directly translate source material to animation but instead transform the works to incorporate themes or imagery central to the studio s sensibilities Studio Ghibli Animation as Adaptations explores how these adaptations often blur genre boundaries and raise questions about what constitutes fidelity to source

material The collection also shows how the studio reinterprets and recontextualizes stories across cultures for Japanese audiences and across mediums like manga **1999 Comic Book Checklist and Price Guide** Maggio Thompson, 1998-10
