Keillor, John M. H. Kelly, 2013-03-27 This book is a one stop reference resource for the vast variety of musical expressions of the First Peoples cultures of North America both past and present Encyclopedia of Native American Music of North America documents the surprisingly varied musical practices among North America's First Peoples both historically and in the modern context It supplies a detailed yet accessible and approachable overview of the substantial contributions and influence of First Peoples that can be appreciated by both native and nonnative audiences regardless of their familiarity with musical theory The entries address how ethnomusicologists with Native American heritage are revolutionizing approaches to the discipline and showcase how musicians with First Peoples heritage are influencing modern musical forms including native flute orchestral string playing gospel and hip hop The work represents a much needed academic study of First Peoples musical cultures a subject that is of growing interest to Native Americans as well as nonnative students and readers

Under the Eagle Samuel Holiday, Robert S. McPherson, 2013-08-13 Samuel Holiday was one of a small group of Navajo men enlisted by the Marine Corps during World War II to use their native language to transmit secret communications on the battlefield Based on extensive interviews with Robert S McPherson Under the Eagle is Holiday's vivid account of his own story It is the only book length oral history of a Navajo code talker in which the narrator relates his experiences in his own voice and words Under the Eagle carries the reader from Holiday's childhood years in rural Monument Valley Utah into the world of the United States's Pacific campaign against Japan to such places as Kwajalein Saipan Tinian and Iwo Jima Central to Holiday's story is his Navajo worldview which shapes how he views his upbringing in Utah his time at an Indian boarding school and his experiences during World War II Holiday's story coupled with historical and cultural commentary by McPherson shows how traditional Navajo practices gave strength and healing to soldiers facing danger and hardship and to veterans during their difficult readjustment to life after the war The Navajo code talkers have become famous in recent years through books and movies that have dramatized their remarkable story Their wartime achievements are also a source of national pride for the Navajos And yet as McPherson explains Holiday's own experience was as much mental and spiritual as it was physical This decorated marine served under the eagle not only as a soldier but also as a Navajo man deeply aware of his cultural obligations

Framing Languages and Literacies Margaret R. Hawkins, 2013-04-12 In this seminal volume leading language and literacy scholars clearly articulate and explicate major social perspectives and approaches in the fields of language and literacy studies Each approach draws on distinct bodies of literature and traditions and uses distinct identifiers labels and constellations of concepts each has been taken up across diverse global contexts and is used as rationale and guide for the design of research and of educational policies and practices Authors discuss the genesis and historical trajectory of the approach with which they are associated offer their unique perspectives rationales and engagements and investigate implications for understanding language and literacy use in and out of schools The premise of the book is that understanding concepts perspectives and approaches requires knowing the context in which they were

created the rationale or purpose in creating them and how they have been taken up and applied in communities of practice Accessible yet theoretically rich this volume is indispensable for researchers students and professionals across the fields of language and literacy studies Both Sides of the Bullpen Robert S. McPherson,2017-10-19 Between 1880 and 1940 Navajo and Ute families and westward trending Anglos met in the bullpens of southwestern trading posts to barter for material goods As the products of the livestock economy of Navajo culture were exchanged for the merchandise of an industrialized nation a wealth of cultural knowledge also changed hands In Both Sides of the Bullpen Robert S McPherson reveals the ways that Navajo tradition fundamentally reshaped and defined trading practices in the Four Corners area of southeastern Utah and southwestern Colorado Drawing on oral histories of Native peoples and traders collected over thirty years of research McPherson explores these interactions from both perspectives as wool blankets and silver crossed the counter in exchange for flour coffee and hardware To succeed traders had to meet the needs and expectations of their customers often interpreted through Navajo cultural standards From the organization of the post building to gift giving health care and burial services and a credit system tailored to the Navajo calendar every feature of the trading post served trader and customer alike Over time these posts evolved from ad hoc business ventures or profitable cooperative stores into institutions with a clearly defined set of expectations that followed Navajo traditional practices Traders spent their days evaluating craft work learning the financial circumstances of each Native family following economic trends in the wool and livestock industry back east and avoiding conflict In detail and depth the many voices woven throughout Both Sides of the Bullpen restore an underappreciated era to the history of the American Southwest They show us that for American Indians and white traders alike in the Four Corners region during the late 1800s and early 1900s barter was as much a cultural expression as it was an economic necessity The Garland Encyclopedia of World Music Ellen Koskoff,2017-09-25 This volume makes available the full range of the American Canadian musical experience covering for the first time in print all major regions ethnic groups and traditional and popular contexts From musical comedy to world beat from the songs of the Arctic to rap and house music from Hispanic Texas to the Chinese communities of Vancouver the coverage captures the rich diversity and continuities of the vibrant music we hear around us Special attention is paid to recent immigrant groups to Native American traditions and to such socio musical topics as class race gender religion government policy media and technology **Translating Southwestern Landscapes** Audrey Goodman,2022-02-08 Winner of the Western Literature Association s Thomas J Lyon Award Whether as tourist s paradise countercultural destination or site of native resistance the American Southwest has functioned as an Anglo cultural fantasy for more than a century In Translating Southwestern Landscapes Audrey Goodman excavates this fantasy to show how the Southwest emerged as a symbolic space from 1880 through the early decades of the twentieth century Drawing on sources as diverse as regional magazines and modernist novels Pueblo portraits and New York exhibits Goodman has crafted a wide ranging history that explores the invention translation and representation of the

Southwest Its principal players include amateur ethnographer Charles Lummis who conflated the critical work of cultural translation pulp novelist Zane Grey whose bestselling novels defined the social meanings of the modern West fashionable translator Mary Austin whose re expressions of Indian song are contrasted with recent examples of ethnopoetics and modernist author Willa Cather who demonstrated an immaterial feeling for landscape from the Nebraska Plains to Acoma Pueblo Goodman shows how these writers as well as photographers such as Paul Strand Ansel Adams and Alex Harris exhibit different phases of the struggle between an Anglo calling to document Native and Hispanic difference and America s larger drive toward imperial mastery In critiquing photographic representations of the Southwest she argues that commercial interests and eastern prejudices boiled down the experimental images of the late nineteenth century to a few visual myths the persistence of wilderness the innocence of early portraiture and the purity of empty space An ambitious synthesis of criticism and anthropology art history and geopolitical theory *Translating Southwestern Landscapes* names the defining contradictions of America s most recently invented cultural space It shows us that the Southwest of these early visitors is the only Southwest most of us have ever known *Sovereign Acts* Frances Negrón-Muntaner, 2017-11-21 While the sovereign nation state is considered the world s political norm millions of colonial subjects immigrants refugees and native peoples appear to be without sovereignty What claims have they to sovereignty If they cannot ever constitute themselves into sovereign nation states are they out of the political game Can a framework like sovereignty used historically to exploit dispossess and even exterminate people be a part of a struggle for political freedom Editor Frances Negr n Muntaner and the contributors to *Sovereign Acts* engage in a debate around these questions with surprising results Moving the idea of sovereignty beyond the narrow confines of the nation state beyond the concept of a power that one either has or lacks this paradigm shifting work examines the multiple ways that Indigenous nations and U S territorial peoples act as sovereign and the possible limits of such sovereign acts within the current globalized context A valuable contribution to the debate around indigenous and other conceptions of sovereignty *Sovereign Acts* goes further than legal frameworks to investigate the relationships among sovereignty gender sexuality representation and the body From activist style and choreography to the politics of recognition the scholars and artists featured in this unique volume map out how people disrupt modern notions of sovereignty attempt to redefine what being sovereign means or seek alternative political vocabularies Sovereignty is not only after all a kingdom and a crown CONTRIBUTORS Michael Lujan Bevacqua Glen Coulthard Jennifer Nez Denetdale Adriana Mar a Garriga L pez Jessica A F Harkins Brian Klopotek Davianna Pomaika i McGregor Frances Negr n Muntaner Yasmin Ram rez Mark Rifkin Madeline Rom n Stephanie Nohelani Teves Fa anofa Lisaclaire Uperesa **Final Environmental Impact Statement on Public Service Company of New Mexico's Proposed New Mexico Generating Station and Other Possible End Uses of the Ute Mountain Land Exchange ,1983 New Mexico Generating Station and Other Possible End Uses of the Ute Mountain Land Exchange, Public Service Company of New Mexico's Proposal D,**

Collaborating at the Trowel's Edge Stephen W. Silliman,2022-08-23 A fundamental issue for twenty first century archaeologists is the need to better direct their efforts toward supporting rather than harming indigenous peoples Collaborative indigenous archaeology has already begun to stress the importance of cooperative community based research this book now offers an up to date assessment of how Native American and non native archaeologists have jointly undertaken research that is not only politically aware and historically minded but fundamentally better as well Eighteen contributors many with tribal ties cover the current state of collaborative indigenous archaeology in North America to show where the discipline is headed Continent wide cases from the Northeast to the Southwest demonstrate the situated nature of local practice alongside the global significance of further decolonizing archaeology And by probing issues of indigenous participation with an eye toward method theory and pedagogy many show how the archaeological field school can be retailored to address politics ethics and critical practice alongside traditional teaching and research methods These chapters reflect the strong link between politics and research showing what can be achieved when indigenous values perspectives and

knowledge are placed at the center of the research process They not only draw on experiences at specific field schools but also examine advances in indigenous cultural resource management and in training Native American and non native students Theoretically informed and practically grounded Collaborating at the Trowel s Edge is a virtual guide for rethinking field schools and is an essential volume for anyone involved in North American archaeology professionals students tribal scholars or avocationalists as well as those working with indigenous peoples in other parts of the world It both reflects the rapidly changing landscape of archaeology and charts new directions to ensure the ongoing vitality of the discipline

Gullah Spirituals Eric Sean Crawford, 2021-07-16 In Gullah Spirituals musicologist Eric Crawford traces Gullah Geechee songs from their beginnings in West Africa to their height as songs for social change and Black identity in the twentieth century American South While much has been done to study preserve and interpret Gullah culture in the lowcountry and sea islands of South Carolina and Georgia some traditions like the shouting and rowing songs have been all but forgotten This work which focuses primarily on South Carolina s St Helena Island illuminates the remarkable history survival and influence of spirituals since the earliest recordings in the 1860s Grounded in an oral tradition with a dynamic and evolving character spirituals proved equally adaptable for use during social and political unrest and in unlikely circumstances Most notably the island s songs were used at the turn of the century to help rally support for the United States involvement in World War I and to calm racial tensions between black and white soldiers In the 1960s civil rights activists adopted spirituals as freedom songs though many were unaware of their connection to the island Gullah Spirituals uses fieldwork personal recordings and oral interviews to build upon earlier studies and includes an appendix with more than fifty transcriptions of St Helena spirituals many no longer performed and more than half derived from Crawford s own transcriptions Through this work Crawford hopes to restore the cultural memory lost to time while tracing the long arc and historical significance of the St Helena spirituals

Captives and Cousins James F. Brooks, 2011-04-25 This sweeping richly evocative study examines the origins and legacies of a flourishing captive exchange economy within and among native American and Euramerican communities throughout the Southwest Borderlands from the Spanish colonial era to the end of the nineteenth century Indigenous and colonial traditions of capture servitude and kinship met and meshed in the borderlands forming a slave system in which victims symbolized social wealth performed services for their masters and produced material goods under the threat of violence Slave and livestock raiding and trading among Apaches Comanches Kiowas Navajos Utes and Spaniards provided labor resources redistributed wealth and fostered kin connections that integrated disparate and antagonistic groups even as these practices renewed cycles of violence and warfare Always attentive to the corrosive effects of the slave trade on Indian and colonial societies the book also explores slavery s centrality in intercultural trade alliances and communities of interest among groups often antagonistic to Spanish Mexican and American modernizing strategies The extension of the moral and military campaigns of the American Civil War to the Southwest in a regional war against slavery

brought differing forms of social stability but cost local communities much of their economic vitality and cultural flexibility
