military marches how and why regiments adopted them even those that have faded into history It will appeal to those interested in Regimental Marches of Canadian and United Kingdom Armed Forces Over 500 marches are covered with many band photos from across the centuries Also included are narratives of the composers Victoria Cross musicians and even words to many marches So get out the records crank up the volume and listen to the bands play their MUSICAL COLOURS while reading all bout them

A World Transformed James Walvin,2022-03-10 A World Transformed explores how slavery thrived at the heart of the entire Western world for more than three centuries Arguing that slavery can only be fully understood by stepping back from traditional national histories this book collects the scattered accounts of the most recent scholarship into a comprehensive history of slavery and its shaping of the world we know Celebrated historian James Walvin tells a global story that covers everything from the capitalist economy labor and the environment to social culture and ideas of family beauty and taste This book underscores just how thoroughly slavery is responsible for the making of the modern world The enforced transportation and labour of millions of Africans became a massive social and economic force catalysing the rapid development of multiple new and enormous trading systems with profound global consequences The labour and products of enslaved people changed the consumption habits of millions in India and Asia Europe and Africa in colonised and Indigenous American societies Across time slavery shaped many of the dominant features of Western taste items and habits or rare and costly luxuries some of which might seem at first glance utterly removed from the horrific reality of slavery A World Transformed traces the global impacts of slavery over centuries far beyond legal or historical endpoints confirming that the world created by slave labour lives on today
