Masterful Stories John V Pavlik, 2017-02-24 The early eras of

radio storytelling have entered and continue to enter the public domain in large quantities offering unprecedented access to the Golden Age of Radio Author and Professor John Pavlik mines the best this age of radio has to offer in Masterful Stories an examination of the masterpieces of audio storytelling This book provides a chronological history of the best of the best from

radio's Golden Age outlining a core set of principles and techniques that made these radio plays enduring examples of storytelling. It suggests that by using these techniques stories can engage audiences emotionally and intellectually. Grounded in a historical and theoretical understanding of radio drama, this volume illuminates the foundational works that preceded popular modern shows such as *Radiolab*, *The Moth*, and *Serial*. Masterful Stories will be a powerful resource in both media history courses and courses teaching audio storytelling for modern radio and other audio formats such as podcasting. It will appeal to audio fans looking to learn about and understand the early days of radio drama. **The Athenaeum**, 1898

James Bond Will Return Claire Hines, Terence McSweeney, Stuart Joy, 2024-01-09 For over six decades James Bond has been a fixture of global culture universally recognizable by the films' combination of action set pieces, sex, political intrigue, and outrageous gadgetry. But as the British Empire entered the final stages of collapse, as the Cold War wound down, and the War on Terror began, and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated, the Bond formula has adapted to the changing times. Spanning the franchise's entire history from Sean Connery's iconic swagger to Daniel Craig's rougher, more visceral interpretation of the superspy, *James Bond Will Return* offers both academic readers and fans a comprehensive view of the series's transformations against the backdrop of real-world geopolitical intrigue and sweeping social changes. Leading scholars consider each of the twenty-five films in the series, showing how and why Bond has changed and what elements of the formula have stood the test of time. Each chapter examines a single film from a distinct position, giving readers a full picture of the variety and breadth of the longest running series in cinema history. Close formal readings, production histories, tracings of the political, social, and historical influences, analyses of the series' use of then-new filmmaking technologies, reflections on the star personas that have been built around the character—these and many more approaches combine to produce a wide-ranging view of the James Bond film franchise. Essential reading for Bond scholars and aficionados alike, *James Bond Will Return* brings out the many surprising complexities of an iconic character. Billboard, 1962-09-08 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events, brand content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. Focus On: 100 Most Popular American Male Soap Opera Actors Wikipedia contributors, **Bulletin of the American Iris Society** American Iris Society, 1967 The Athenaeum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1898
