Murder Done to Death John Kennedy Melling,1996-04-02 An art form comes of age when it is imitated then parodied and
 finally repeated in pastiche Crime and detective fiction is now so well established in different formats that it lends itself
 easily to these literary forms After a brief history of the genre is an analysis of a large number of parody books and short
 stories with details of correspondence and interviews the writer has had with masters of the craft like Georges Simenon and
 Margaret Millar The next section covers those books written by teams of six or more crime writers The pastiche section deals
 with a number of books and short stories in depth crime stories for younger readers and the exploits of literary detectives
 and criminals Do It Yourself Sleuthing covers dossiers games and books of solvable short crime stories This leads naturally to
 all forms of parody and pastiche in films theater television and radio including stage and film musicals **National Union**
