O Lord Move This Mountain Racism And Christian Ethics

Anthony G. Reddie

O Lord Move This Mountain Racism And Christian Ethics:

O Lord, Move this Mountain Enoch Hammond Oglesby,1998 Racism is a mountain in the middle of American society that cannot be ignored According to Oglesby it must be climbed Drawing on sources from Martin Buber to Reinhold Niebuhr this book combines traditions of Christian ethics with African experience arguing for a notion of covenant harambee that is at once faithful to African conceptuality and Christian theology **Pressing Toward the Mark** E. Hammond

Oglesby,2007-06-01 E Hammond Oglesby offers a new method of moral discourse that can speak to ongoing critical issues in the black community such as the AIDS pandemic an absence of young adult participation in many black churches and a continuing battle against racism In **Pressing Toward the Mark** he demonstrates that ordinary people of faith become ethical not by chance but by choice He also helps readers understand the importance of Christian ethics in light of the deep spiritual and cultural roots of the black church in America Through stories theological reflection and case studies meant to encourage small group discussion Oglesby builds a case that Christian ethics begins in the rhythmic flux of the black religious experience with a love of freedom because no child of God can be fully Christian without being free Galatians 5 1

Introducing James H. Cone Anthony G. Reddie,2022-07-31 It is rarely the case that an intellectual movement can point to an individual figure as its founder Yet James Cone has been heralded as the acknowledged genius and the creator of black theology In nearly 50 years of published work James Cone redefined the intent of academic theology and defined a whole new movement in intellectual thought In **Introducing James H Cone** Anthony Reddie offers us an accessible and engaging assessment of Cone s legacy from his first book **Black Theology and Black Power** in 1969 through to his final intellectual autobiography **I Said I wasn t Gonna Tell Nobody** in 2018 It is an indispensable field guide to perhaps the greatest black theologian of recent times **A House of Prayer for All Peoples** Sheryl A. Kujawa-Holbrook,2002-12-31 Contrary to the

oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in **A House of Prayer for All Peoples** will inspire leaders to explore their congregation s history study their community s demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further

Mothership Connections Theodore Walker Jr.,2012-02-01 Bringing a black Atlantic approach to constructive postmodern efforts to understand and transcend modern worldviews and modern world orders **Mothership Connections** draws upon the work of scholars in the tradition of W E B Du Bois Charles H Long Alfred North Whitehead and Charles

Hartshorne The author shows that connections to the originating influences of transatlantic slavery and black Atlantic experiences are essential to any adequate account of modernity and postmodernity He also argues that metaphysics is essential to theology and moral theory synthesizing neoclassical metaphysics and black theology to develop a black Atlantic account of metaphysical aspects of struggle power and ethical deliberation **No Longer Slaves** Brad Ronnell

Braxton,2015-03-15 No Longer Slaves brings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slaves explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul s letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in Liberation and African American Experience are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in A Reading Strategy for Liberation are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive Community Chapters in Galatians and African American Experience are Introduction Historical Overview Interpretations and Conclusion Includes a bibliography Brad Ronnell Braxton PhD is the Jessie Ball DuPont Assistant Professor of Homiletics and Biblical Studies at Wake Forest University Divinity School in Winston Salem North Carolina He is an ordained Baptist minister and for five years served as Senior Pastor of Douglas Memorial Community Church in Baltimore Maryland

Dramatizing Theologies Anthony G. Reddie,2014-12-05 Black theology has flourished within the academy Its theories however have not always translated into practical use for Black people *Dramatizing Theologies* outlines the strong practical

dimension of Black theology Combining Black theology with dramatic dialogical sketch material the book produces an accessible approach to Black theological dialogue The chasm between the academy church and grassroots communities is overcome through the use of drama Dramatizing Theologies offers a unique methodology for Black theological conversation with the poor marginalized and disenfranchised **Handbook of Contemporary Preaching, 2nd Edition** Michael

Duduit,2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching Martin Luther King in the African American Preaching

Tradition Valentino Lassiter,2010-06-01 Valentino Lassiter has cast spiritual breads upon the waters with this compelling comparison of the historic tradition of African American preaching and the overwhelming spiritual preaching of Martin Luther King Jr Martin Luther King in the African American Preaching Tradition details preaching by slave preachers to present day preachers More importantly it shows how King s sermon content was cut from the same loaf as those preachers who preached justice and God s assurance in the 1600s Lassiter has written a book that will be an important resource for pastors seminarians and those who are interested in the never ending fascination with dynamic African American preaching

Ethical Issues that Matter Enoch Hammond Oglesby,2002 Faith communities have always struggled with the questions of ethical method and cultural inclusivity Accordingly Ethical Issues that Matter enlarges the methodological discussion among ethicists and theologians by adopting the landscape of a mountain as a useful metaphor for racism
