Moore,2014-08-05 In this book popular author James W Moore talks about the power of a story such as those told by Jesus in the Bible The author recalls I would be sitting there in the sanctuary of our church doing what young boys do in church drawing pictures on the back of the bulletin working puzzles looking constantly at Granny s watch wishing the seconds hand would move faster daydreaming about sports kicking my feet in the air impatiently counting the organ pipes And then the preacher would start telling a story and I was hooked He had my full attention I couldn t wait to hear the story Jesus knew the importance of telling stories to convey a message or a Biblical truth and used this technique often when speaking or ministering to others throughout the Bible in the form of parables Stories are a natural way to give detail and perspective while teaching an important point      100 Best Ideas to Turbocharge Your Preschool Ministry Dale Hudson,2013-05-01 You ll find the latest strategies developed by some of the most successful preschool ministers in the world They ve been developed tested and proven in real churches and now their secrets are yours Whether you re a newcomer or a veteran you ll discover Who preschoolers really are Ready to use activities kids can t resist Practical ideas for creating a preschool friendly environment Instant help for recruiting and training volunteers Ministry tested tips for working with parents Best of all not only will you turbocharge your ministry you ll energize preschoolers to love Jesus      Vital Truth Nigel G Wright,2016-08-25 In this book Nigel Wright brings together the two concerns that have defined his ministry the formation of healthy congregational life and the considered articulation of Christian convictions In the belief that these two concerns are intimately related he sets out the range of Christian convictions in a way intended to be accessible to church members who wish to clarify and deepen their understanding The book is rooted in the belief that the resurrection of Christ is the central reality out of which all other Christian convictions emerge Beginning at this point and in the belief that Christ is present in the community of believers the book then explores Christian convictions about God Christology creation salvation election evil eschatology and witness to the world      **The Bible in the American Short Story** Lesleigh Cushing Stahlberg,Peter S.
