Party Discipline And Parliamentary Government Parliaments And Legislatures Series:

Party Discipline and Parliamentary Government Shaun Bowler, David M. Farrell, Richard S. Katz, 1999 This collection of essays examines how and why party discipline arises and is maintained The book provides theoretical background and comparative studies of legislatures covering Britain Finland Ireland Italy the Netherlands Norway Spain and Hungary and the European Parliament **Tension, Dilemma and Conflict in Party-Candidate Campaign Strategies** Lukas

Hohendorf, 2025-06-30 This book examines the campaign communication of political candidates in parliamentary democracies set within the broader trends of globalization and political personalization It explores how district candidates balance local voter preferences national party demands and personal beliefs in their campaigns Using Germany as a case study and drawing on a wide range of data sources the book reveals how situational factors such as electoral rules candidate experience and local party organization influence campaign strategies It demonstrates how campaign positions in parliamentary democracies often deviate from national party stances with implications on party unity and democratic representation Framed by the pressing challenges of regional divergence and the rise of political personalization the book shows why studying individual candidate behavior rather than simply focusing on party leaders is crucial for understanding modern democratic systems This book will be a key resource for scholars students and practitioners in the fields of political parties and elites electoral studies political communication and more broadly comparative politics *Comparing and Classifying Legislatures* David Arter, 2013-09-13 Recent years have witnessed substantial work in the legislative studies field But what do we know about legislatures today and are there clear criteria for comparing and classifying them This is a new review of the state of our knowledge of parliament and tackles key questions Do legislatures matter in legislative terms and if so how much What is the extent of the legislature's control of the legislative process How can we classify legislatures on the basis of their relative legislative performance Five measures of the policy power of parliaments are applied in the country region chapters This book was previously published as a special issue of the leading Journal of Legislative Studies

Morality Politics in a Secular Age Eva-Maria Euchner, 2019-05-02 Euchner's carefully researched and cogently argued study of morality politics in Europe adds an outstanding piece of research to the ever growing literature on religion and politics Its combination of quantitative and qualitative comparative analysis involving a novel data set and cross policy perspectives demonstrates persuasively the role of religion as a resource for political action even in secularized societies Michael Minkenberg Viadrina European University Germany Building upon the dichotomy between the secular and religious worlds of European morality politics Dr Euchner plumbs the empirical depths of four nations to unearth a compelling theoretical explanation for when value laden conflicts surface in parliaments with a strong secular religious party cleavage This singularly important volume belongs in the institutional libraries and bibliographic collections of every serious student of public policy analysis especially those of us who focus on morality policy Raymond Tatalovich Loyola University Chicago

USA This book introduces a new theoretical framework from which to understand religion and morality politics in Europe This framework provides a first and rather provocative answer to the general debate on how religion influences policy making processes Specifically the book argues that religion is more a strategic resource for political parties than a fundamental normative doctrine shaping political parties policy making behavior in a systematic and coherent way The framework proposes a mechanism i e wedge issue competition that can be used to identify and explain the conditions under which issues related to religious values rise and fall in parliaments of the religious world in Europe and what consequences we may expect in terms of policy reforms

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare W. Strøm, 2014-06-19 Legislatures are political bodies essential to democracy and the rule of law They present social scientists with numerous intriguing puzzles with far reaching implications for our understanding of political institutions Why and how have these ancient assemblies established in pre democratic times survived the transition to mass democracies How have they adapted How do they structure such processes as budgeting legislation and executive oversight How do their members get selected and what consequences flow from differences in these rules What roles do committees and political parties play in contemporary legislatures What functions do legislatures perform in autocratic semi democratic or recently democratized societies What explains the similarities and differences in legislative rules powers and recruitment What are the policy and other consequences of variation in how legislatures are organized and function The 33 chapters in The Oxford Handbook of Legislative Studies written by 47 of the most distinguished legislative scholars provide a comprehensive and up to date description and assessment of the state of the art in legislative studies Key themes explored include theoretical paradigms and methodological approaches to the study of legislatures representation and legislative careers internal organization the role of parties within legislatures and the role of legislatures in policy making and accountability The Handbook also explores the emergence of parliaments in historical and contemporary contexts including new democracies and trans national institutions

A People's Parliament/A Citizen Legislature Keith Sutherland, Ernest Callenbach, Michael Phillips, 2024-08-14 Two essays printed back to back in a single volume offer complementary solutions to the democratic deficit in Britain and the USA In his book The Party's Over Blueprint for a Very English Revolution 2004 Keith Sutherland questioned the role of the party in the post ideological age and concluded that it would be better for government ministers to be appointed by headhunters and held to account by a people's parliament selected by lot This completely revised and updated edition includes a study of the recent literature on deliberative polling The American founders proposed that their legislature should be an exact portrait in miniature of the people at large Whether or not this was true at the time the exponential growth of the population skyrocketing campaign funding the power of pressure groups the grease of the pork barrel and the dominance of charisma and demagoguery means that the US Constitution could now better be described as a kleptocracy This pioneering essay proposes selecting Congressional members by random lot leaving the Senate and

Presidency unchanged to restore a direct powerful voice in Washington to the whole of America Originally published in 1985 this new edition includes an introduction by political scientist Peter Stone

UK Government and Politics for AS/A-level (Fifth Edition) Philip Lynch, Paul Fairclough, Toby Cooper, 2017-08-29 Exam Board AQA Edexcel OCR fully updated the new 2017 specifications and including coverage of the June 2017 general election results Covering key topics for all exam boards this textbook puts politics in context with topical analysis of politics today and how UK governmental and political history shaped current events and thinking Extend knowledge and improve key skills with comprehensive coverage and analysis of relevant political developments including the 2017 snap election possible consequences of Brexit and its effect on Scottish independence Understand how different topics within the A level link together with the new Synoptic Links feature Develop key analysis and evaluation skills with activities and case studies throughout the textbook look out for Debate Case Study and Activity boxes Clarify knowledge and understanding of political language with summaries and explanations of key terms Test and develop understanding of key topics with exam focus sections tailored to the new Politics specifications

The Role of Governments in Legislative Agenda Setting Bjorn Erik Rasch, George Tsebelis, 2013-07-04 Setting the agenda for parliament is the most significant institutional weapon for governments to shape policy outcomes because governments with significant agenda setting powers like France or the UK are able to produce the outcomes they prefer while governments that lack agenda setting powers such as the Netherlands and Italy in the beginning of the period examined see their projects significantly altered by their Parliaments With a strong comparative framework this coherent volume examines fourteen countries and provides a detailed investigation into the mechanisms by which governments in different countries determine the agendas of their corresponding parliaments It explores the three different ways that governments can shape legislative outcomes institutional partisan and positional to make an important contribution to legislative politics It will be of interest to students and scholars of comparative politics legislative studies parliamentary research governments coalition politics political economy and policy studies

Parliaments and Legislative Activity Martin Brunner, 2012-10-10 Martin Brunner aims at solving the puzzle of why opposition parties or government backbenchers propose legislation even though the chance to influence policy outcomes in this manner is almost nil He argues that instead of influencing policies directly most parliamentary bills serve different purposes They are used in order to signal own policy positions and to show alternatives to government policies Or they point at topics that rank high on the public agenda but low on the government agenda They can also be a means for individual Members of Parliament to build up an independent personal profile Using formal models and comparative empirical evidence from Belgium France Germany and the United Kingdom the author shows that parliamentary initiatives of opposition and backbenchers are not simply much ado about nothing but the result of vote seeking motivations

The Legislature in Nigeria's Presidential Democracy of the Fourth Republic Omololu Fagbadebo, Mojeed Olujinmi A. Alabi, 2023-03-20 This book investigates whether legislative institutions state and national in Nigeria's Fourth Republic have

been able to harness constitutional powers to impact public policy Presenting how the Nigerian state has not been able to showcase the expected dividends of presidential democracy since 1999 it analyzes the crisis of governance and its impact on political stability social cohesion and the livelihood of citizens The book further discusses the depreciating infrastructure corruption and mismanagement of public resources and shows how defiant attitudes of public political and bureaucratic officials define the new wave of corruption and profligacy in Nigeria presenting this development as a result of a weakened legislature The book displays the necessity of implementing a culture of accountability and discusses oversight mechanisms to make the executive accountable These mechanisms are designed to ensure effective public service delivery Finally the book situates the legislative institutions in Nigeria within the context of the contributions of the National Assembly and the Assemblies of the State Houses to the development of this emerging democracy in Africa The book will appeal to students and scholars of political science and public administration as well as policy makers and practitioners interested in a better understanding of democracy separation of powers governance and Nigerian politics

Handbook of Party Politics

Richard S Katz, William J Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Government and Politics - Volume I Masashi Sekiguchi, 2010-08-27 Government and Politics is the component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Government and Politics in the Encyclopedia of Social Sciences and Humanities deals with the discipline of general and introductory descriptions on a wide range of political phenomena in rather conventional ways It covers the following topics The first two topics Forms and Modes of Government and Structures of Government deal with institutional and structural aspects of political phenomena The third topic Political Aspects of Government is about dynamic political processes The fourth Ideas and Ideologies in Politics investigates political thoughts and ideologies in the modern world The fifth topic International Politics intend to give readers an international perspective since contexts and systems which have international or transnational characters are obviously important background against which a political aspect of building a sustainable society must be considered These two volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs

The Paradox of Parliament Jonathan Malloy, 2023-02-27 The Paradox of Parliament provides a comprehensive analysis of all aspects of Parliament in order to explain the paradoxical expectations placed on the institution The book argues that Parliament labours under two different logics of its purpose and primary role one based on governance and decision making and one based on representation and voice This produces a paradox that is common to many legislatures but Canada and Canadians

particularly struggle to recognize and reconcile the competing logics In *The Paradox of Parliament* Jonathan Malloy discusses the major aspects of Parliament through the lens of these two competing logics to explain the ongoing dissatisfaction with Parliament and perennial calls for parliamentary reform It focuses on overarching analytical themes rather than exhaustive description It centres people over procedure and theory with strong emphasis given to dimensions of gender race and additional forms of diversity Arguing for a holistic and realistic understanding of Parliament that recognizes and accepts that Parliament evolves and adapts *The Paradox of Parliament* puts forward an important and novel interpretation of the many facets of Parliament in Canada

International Bibliography of Political Science Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

European Politics Paul Kubicek, 2015-10-05 *European Politics* surveys the history institutions and issues that are essential for understanding contemporary European politics Exploring a central question What is Europe this text's thematic approach helps students compare politics in individual countries and see the political big picture in the region *European Politics* examines not only countries already in the European Union but also those eligible to join to give students the most comprehensive picture of Europe's evolution in a globalized world

Core Management for HR Students and Practitioners Peter Winfield, Ray Bishop, Keith Porter, 2007-06-01 This is the second edition of the successful text published in 2000 The text continues to include self assessment exercises exam question further reading and research and uses short case studies and articles to relate theory to practice The new edition is completely up dated with more extracts from *Personnel Today* and linked in to a website provided by the authors The book provides excellent coverage of the CIPD syllabus for three core areas of the CIPD syllabus Managing People Managing Activities and Managing a business context New end of chapter website links are included

Political Parties and Legislative Party Switching W. Heller, C. Mershon, 2009-06-22 Political parties and democratic politics go hand in hand Since parties matter it matters too when elected politicians change party affiliation This book shows why when and to what effect politicians switch parties in pursuit of their goals as constrained by institutions and in response to their environments

Parliaments in Contemporary Western Europe Philip Norton, 2013-10-23 The relationship between parliament and government is fundamental to a political system In this volume a distinguished team of specialists explore that relationship and consider to what extent parliaments have the capacity to constrain governments Are there particular institutional features such as specialisation through committees that enhance their capacity to influence public policy

Constitutionalism and the Rule of Law Maurice Adams, Anne Meuwese, Ernst Hirsch Ballin, 2017-02-02 Rule of law and constitutionalist ideals are understood by many if not most as necessary to create a just political order Defying the traditional division between normative and positive theoretical approaches this book explores how political reality on the one hand and constitutional ideals on the other mutually inform and influence each other

Seventeen chapters from leading international scholars cover a diverse range of topics and case studies to test the hypothesis that the best normative theories including those regarding the role of constitutions constitutionalism and the rule of law conceive of the ideal and the real as mutually regulating

Organizing Political Parties Susan E. Scarrow, Paul D. Webb, Thomas Poguntke, 2017-06-23

Political party organizations play large roles in democracies yet their organizations differ widely and their statutes change much more frequently than constitutions or electoral laws How do these differences and these frequent changes affect the operation of democracy This book seeks to answer these questions by presenting a comprehensive overview of the state of party organization in nineteen contemporary democracies Using a unique new data collection the book's chapters test propositions about the reasons for variation and similarities across party organizations They find more evidence of within country similarity than of cross national patterns based on party ideology After exploring parties organizational differences the remaining chapters investigate the impact of these differences The volume considers a wide range of theories about how party organization may affect political life including the impact of party rules on the selection of female candidates the links between party decision processes and the stability of party programmes the connection between party finance sources and public trust in political parties and whether the strength of parties extra parliamentary organization affects the behaviour of their elected legislators Collectively these chapters help to advance comparative studies of elections and representation by inserting party institutions and party agency more firmly into the centre of such studies

Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow Chair of the Department of Political Science University of Houston

Party Discipline And Parliamentary Government Parliaments And Legislatures Series Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Discipline And Parliamentary Government Parliaments And Legislatures Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Discipline And Parliamentary Government Parliaments And Legislatures Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Party Discipline And Parliamentary Government Parliaments And Legislatures Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Party Discipline And Parliamentary Government Parliaments And Legislatures Series Books

1. Where can I buy Party Discipline And Parliamentary Government Parliaments And Legislatures Series books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
