Pastoral Ethics:

JUST MINISTRY Richard M. Gula, 2010 At a time when concerns for misconduct abuse scandals and liability have brought pastoral ministers under greater scrutiny than ever before and have threatened to undermine their morale Just Ministry offers a positive perspective on the vocation of pastoral ministry and wise ethical guidance to foster integrity in ministry This is a helpful training and evaluative resource for those involved in pastoral ministry as ordained clergy religious or lay ministers Key concepts are illustrated through case studies and practical strategies for acquiring and developing virtues as well as preventative education for pastoral ministry in avoiding misconduct Pastoral Ethics, Second Edition W. Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In *Pastoral Ethics* W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love *Pastoral Ethics* is an essential guide for Christians in all ministry contexts The Practice of Pastoral Care Carrie Doehring, 2006-01-01 Drawing on psychological theological and cultural studies on suffering Carrie Doehring encourages counselors to view their ministry through trifocal lenses and include approaches that are premodern apprehending God through religious rituals modern consulting rational and empirical sources and postmodern acknowledging the contextual nature of knowledge Utilizing strategies from all three perspectives Doehring describes the basic ingredients of a caregiving relationship shows how to use the caregiver's life experience as a source of authority and demonstrates how to develop the skill of listening and establish the actual relationship She then explains the steps of psychological assessment systemic assessment and theological reflection and finally she delineates the basic steps for plans of care attending to the careseeker's safety building trust mourning losses and reconnecting with the ordinariness of life *New Dictionary of Christian Ethics & Pastoral Theology* David J. Atkinson, David F. Field, Arthur F. Holmes, Oliver O'Donovan, 2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donavan Ethics in Pastoral Ministry Richard M.

Gula,1996 A review of the literature on ministerial ethics reveals scant reflection on it among Catholics So this book is a modest attempt to make a Catholic contribution to stimulate a conversation within the Catholic Church on professional ethics in pastoral ministry

Gentle Shepherding Joseph Earl Bush,2012-11 Named One of the Top Ten Books for Parish Clergy for the year 2006 by the Academy of Parish Clergy *Gentle Shepherding* offers a rare balance in an introduction to pastoral ethics one that identifies deeply with the pastoral vocation and brings it into conversation with a developed body of ethical theory The goal of the book is to equip seminarians and pastors with conceptual resources for clarifying moral responsibility in the practice of ministry This responsibility includes three levels the minister as a moral agent in offering care the minister as a moral enabler in encouraging virtue in others and the minister as a moral leader in facilitating congregational life and witness in society Helping ministers and seminarians to think anew about their responsibilities and the moral quandaries in pastoral practice *Gentle Shepherding* integrates theory with practice providing case material for further reflection and discussion and at least one case study or exercise associated with each chapter

Pastoral Ethics, Second Edition W. Ross Hastings,2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In *Pastoral Ethics* W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love *Pastoral Ethics* is an essential guide for Christians in all ministry contexts

Ministerial Ethics Joe E. Trull,James E. Carter,2004-03-01 *Ministerial Ethics* provides both new and experienced pastors with tools for sharpening their personal and professional decision making skills The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives Trull and Carter deal with such areas as family life confidentiality truth telling political involvement working with committees and relating to other church staff members First published in 1993 this edition has been thoroughly updated throughout and contains expanded sections on theological foundations the role of character confidentiality and the timely topic of clergy sexual abuse Appendices describing various denominational ministerial codes of ethics are included

maintain a high moral character and lifestyle and sharpen their personal and professional decision making skills Two experienced teachers and pastors address both current and perennial ethical issues and offer guidance for developing a personal code of ethics to maintain integrity in the work of ministry The authors address the nature of ethical decision making as well as practical areas where integrity can be compromised including issues raised by the use of smartphones and social media Appendixes include codes of ethics from various denominations The Minister as Moral Theologian Sondra Wheeler, 2017-05-16 The practice of ministry requires pastors and Christian leaders to serve as moral theologians in their communities Ministers must preach about morally challenging texts teach about moral issues and conflicts offer moral counsel and serve as an example regarding the shape of faithful Christian life Grounding pastoral ethics in spiritual formation and spiritual disciplines this book provides tools for facing the day to day demands and seizing the opportunities of being a moral teacher An essential text for practical ministry courses
