Allan Dornseif, 1996 **School-Based Management** Susan Albers Mohrman, Priscilla Wohlstetter, 1994-10-14 Mohrman and Wohlstetter have written the most important volume on school based management to date a significant contribution to the school reform literature Joseph Murphy professor and chair department of educational leadership Vanderbilt University This book examines the school based management strategies that hold the most promise for increasing organizational effectiveness

One School at a Time Carl L. Marburger, 1985 **School-based Management** Dorothy Myers, Robert Stonehill, 1993 **School-Based Management** Patricia George, Eugenia Cooper Potter, 1991 School based management SBM sometimes called site based management is fast becoming the hottest restructuring item in the arsenal of reformers teachers unions governors and legislators who want to change the traditional ways in which schools and school districts do business This document comprises three main sections with contributions from 12 authors The first section is entitled Theory of School Based Management and covers what the research says practical strategies for school administrators the power of school based leadership implementation of SBM and a checklist of things to consider The second part is entitled The Nuts and Bolts of School Based Management Topics include creating a vision and mission statement synergistic curriculum design site based strategic planning and site based communications The final part is entitled Theory into Practice Action plans instructional leadership teams the principal as leader delegation assistant principals responsibility identification of variables that affect schools strategies for faculty involvement and decentralized school site budgeting are the topics covered References are appended to each part

School Based Management Richard G. Neal, 1991 This book presents guidelines for implementing school based management practices Chapter 1 describes the growing interest in and rationale for school based management SBM The second chapter discusses essential characteristics of good schools and the third chapter describes 13 elements necessary for effective SBM Pros and cons of SBM are discussed in chapter 4 Chapters 5 and 6 examine necessary organizational elements and participants roles and responsibilities Chapter 7 offers suggestions for initiating the process and chapter 8 offers guidelines for developing the school site committee and identifying its role The ninth chapter discusses how

to develop the school plan and the school budget Chapter 10 deals with two main questions 1 How much of the school system budget will be set aside for the schools and 2 How will funds be allocated to the schools Several sample budgets are included Guidelines for beginning a pilot SBM program are provided in the 11th chapter Ways in which the effects of SBM on student learning and employees can be evaluated are described in chapter 12 Chapter 13 lists common mistakes to avoid The final chapter contains a list of dos and don'ts The appendix contains a sample survey for determining the extent to which SBM is practiced in a school system Contains 95 references LMI **Implementing School-based Management** Harry P.

Hatry,1993 This report presents the findings and recommendations of an examination of the implementation of a major form of school based management SBM It is based on case studies of the science and mathematics departments of 10 high schools and 9 middle or junior high schools in 12 school systems almost all of which are urban school districts The study found that implementation often falls short of the ideal It did not find dramatic changes resulting from SBM However those schools and faculty members that took advantage of their added flexibility under SBM were able to achieve numerous small scale improvements The report provides a series of recommendations for school districts and individual schools to increase the likelihood of successful implementation of decentralization efforts such as SBM The findings and recommendations cover such issues as 1 the extent of decentralization of budgeting expenditure and personnel decisions 2 the role of site councils and department heads and 3 communication and training needs Appendixes list participating schools and districts and contain a literature review Contains 117 references Author SLD **School Effectiveness and School-Based**
